[Notes on application procedure]

- If the Principal Investigator (PI) applicant is not a member of ISEE, he/she needs to contact a member of ISEE to act as co-host. The PI is requested to obtain permission for this proposal from his/her institute/university and should **discuss the research plan and budget in detail with the corresponding ISEE researcher (a permanent staff of ISEE) before submission**. The list of the ISEE staff is available at <https://www.isee.nagoya-u.ac.jp/en/message/members.html>.
- All applications should be submitted through the “Joint-Research On-line Integrated System (JROIS)” website (<https://jrois2.isee.nagoya-u.ac.jp>, which is **different from the previous URL**). The application form files can be downloaded from ISEE website. Please refer to the following URL:
ISEE HP: <https://www.isee.nagoya-u.ac.jp>
Download page: <https://www.isee.nagoya-u.ac.jp/co-re/co-re-application.html>
- The PI applicant is requested to access the above JROIS website to obtain a login account. After registration on this website, you will receive an e-mail with a password for your account. If you have already had an account in the past, you can use it again this year. After logging in the JROIS website, please visit the application page to enter the program title, corresponding ISEE researcher, the related technical committee (Integrated Studies, Heliospheric and Cosmic-Ray Research, Ionospheric and Magnetospheric Research, Meteorological, Atmospheric and Land-Ocean Ecosystem Research, Chronological Research, or Airplane Usage), and e-mail address of the corresponding ISEE researcher,

then **upload the completed application form in a Zip file** and submit it by the deadline. The areas grayed out do not need to be filled in.

- The underlined applications of categories 10), 13), 14), 15), and 16) are open to ISEE members.
- The applicant cannot apply for some categories in duplicate as PI in the same fiscal year. Please refer to the application guidelines.
- Deadline for all applications is **January 15, 2023**, except for the category 10).
- Application for the category 16) is open twice a year. The application deadline for the first term is January 15, 2023, and that for the second term is August 21, 2023.

[ISEE Award / ISEE Community Meeting]

- The excellent research activity based on ISEE Collaborative Research Program will be awarded as the ISEE Award. We accept candidate recommendations in each year.
- We may request the PI to report his/her results of the ISEE Collaborative Research Program at the ISEE Community Meeting held in each year.
