Global Space Exploration Conference 2025

Indian Space Research Organisation (ISRO) and Astronautical Society of India (ASI) are delighted to announce that the upcoming Global Conference on Space Exploration (GLEX 2025), organised by International Astronautical Federation (IAF), will be held in New Delhi on 7-9 May 2025.

Founded in 1951, IAF is the world's leading space advocacy body with 513 Members from 78 countries, including all leading space agencies, companies, research institutions, universities, societies, associations, institutes and museums worldwide. Following its motto **"Connecting @ll Space People"** and its vision of **"A space-faring world cooperating for the benefit of humanity"**, the Federation advances knowledge about space, supporting the development and application of space assets by promoting global cooperation.

IAF organises **Global Conference on Space Exploration (GLEX)** to encourage the sharing of programmatic, technical and policy information as well as collaborative solutions, challenges, lessons learnt, and paths forward among all nations with the desire to explore space.

Call for Abstracts

THE GLOBAL SPACE EXPLORATION CONFERENCE 2025

The GLEX 2025 programme is designed to unite the leaders and decision-makers within science and human exploration community – astronauts, engineers, scientists, entrepreneurs, educators, agency representatives and policy makers. It will provide a forum to discuss recent results, current challenges and innovative solutions and it will contain several opportunities to learn about how space exploration investments provide benefits as well as discuss how those benefits can be increased through thoughtful planning and cooperation.

GLEX 2025 International Programme Committee Co-Chairs

PASCALE EHRENFREUND

President, President of Committee on Space Research (COSPAR)
France

VICTOR JOSEPH

Associate Scientific Secretary and Director, Technology Development & Innovation,
Indian Space Research Organisation (ISRO)
India

CALL FOR ABSTRACTS

IAF, as the Organizer, together with its Member ISRO, as the Host, and ASI, as the Co-Host, are pleased to announce the opening of the Call for Abstracts of the Global Space Exploration Conference (GLEX 2025).

The distinguished Members of the GLEX 2025 International Programme Committee solicits abstract contributions pertaining to the following topics:

1. International Cooperation, Challenges, and New Horizons
2. Lunar, Mars, Near-Earth Asteroids, Deep Space Exploration
3. Space Vehicles for Exploration & Propulsion for Deep Space
4. System Engineering and Long-Term Space Travel
5. Space Bio-Astronautics, Space Medicine, Life Support Systems
6. Micro Gravity Science and Experiments
7. Space Resources Utilisation & Space Economy
8. Sustainable Space Logistics & Key Technologies
9. Navigation, Guidance and Control for Deep Space Missions
10. Space Finance, Investment and Insurance
11. Space Policy, Sustainability and Legal Aspects
12. Space Stations & Challenges
13. Ground-Based Preparatory Activities
14. AI Impact & Autonomy on Space Exploration
15. Empowering the Next Generation of Space Explorers

Abstracts shall be submitted by **7 November, 2024** through the **IAF Restricted Area**. It will be evaluated and selected for oral / interactive presentations. <https://www.iafastro.org/events/global-series-conferences/global-conference-on-space-exploration-2025/call-for-abstracts.html>

GLEX 2025 Registration Fees		
Category	Early	Regular
Indian Nationals	250.00 €	300.00 €
Indian Students	60.00 €	80.00 €
