

Are you a Super Studier?

Take this quick quiz to find out.

1. When my teacher is talking in class about assignments and tests, I:

- a. listen and take notes.
- b. figure I can find out from someone else later on.
- c. text my BFF about how boring this class is.

2. If I'm having trouble understanding what we're doing in class, I:

- a. don't worry because I can probably fake it if I have to.
- b. ask the kid who knows everything.
- c. ask the teacher to explain things more clearly.

3. When my teacher gives me homework, I:

- a. ignore him. Who bothers with doing homework?
- b. make sure I understand what he wants and how to do it.
- c. decide to copy someone else's tomorrow morning before class.

4. When I do my homework at night, I:

- a. make sure I have everything I need before I get started.
- b. plop down in front of the TV and work on my homework during commercials.
- c. don't do homework.

5. When I have a test coming up, I:

- a. wait till the night before to cram.
- b. don't worry about it. I can always do make-up work to bring up my grade.
- c. study a little bit each night so I don't have to cram.
