Dear Mike:

Attached please find a copy of the Supplemental Information Report (SIR) for 2019 specifications revisions for summer flounder. This constitutes the Council's formal submission of the recommended 2019 commercial and recreational catch limits. The recommended specifications for 2020-2021, and the recommended 2019 recreational management measures, will be submitted via separate packages. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to be "C. Moore", with a long horizontal flourish extending to the right.

Christopher M. Moore
Executive Director
