Hi (b)(6),

It was good talking to you, too! Thank you for all of the information, and thanks for the files. I'll be in touch when I have a better idea of specific areas we're considering for critical habitat.

Aloha,

Jenny

Hi Jenny,

Good talking to you yesterday. Thanks for reaching out.

Attached are the two projects that we discussed yesterday. The excel spreadsheet is for Pearl Harbor specifically. The other is the final report (already submitted to FWS) for sea turtles on Tinian.

Aloha, Julie
