Thanks, Michelle. I appreciate the follow up, and look forward to seeing a draft of your letter. Comments on our draft letter and schedule would be very helpful.

Hi Maria, Garwin, and Brycen,

Thanks for the good discussion last week on the Shasta RPA adjustment. I wanted to circle back with you to let you know that we are working on a letter to send your way to kick off the process.

I'll keep you posted as to status. I'm targeting having something reviewed by Reclamation this week. Additionally, I've received some comments on your proposed letter and schedule and will compile and get you our comments early this week.

Let me know if you'd like to discuss further.

Thanks,
Michelle
