Attachments: 20160727 Murillo to Stelle_Shasta RPA Adjustment--NMFS edits.docx

Michelle,

I was out Thursday/Friday last week but am back and acting for Maria the next 3 weeks on water operations/CWF issues. See attached for NMFS suggested edits to the RPA adjustment letter.

Also, did the BA transmission get sent? I did not see it come through but am still catching up on emails.

Regards,
Ryan
