Subject: Facilitation needs

John,

Here's a summary of my VM.

Reclamation and NMFS are hosting a series of workshops pursuant to potential amendments to the Shasta RPA actions. I'm hoping your contract with NMFS has the flexibility to accommodate workshop facilitation. Beyond that, a notetaker would be helpful, but not a necessity.

We have 3 more workshops, and it would be nice to have the same facilitator for all 3 workshops, but the immediate need is for the May 2, 2017, workshop, 1-4:30 p.m. in Sacramento. In addition to the workshop itself, we're thinking 2 pre-meetings.

Reclamation and NMFS thinks Mike Harty would be a really good facilitator. He knows the issues (in general), knows a lot of the players (agency and stakeholders), and is well respected.

Please let me know at your earliest convenience if you can help us out. Thanks.
