Step-by-Step Guide for setting up a Facebook Fundraiser Page

The power of Facebook fundraisers and the ease of setting them up is hard to ignore. Below is a step-by-step guide on how to set up a Facebook fundraiser to benefit the American Nurses Foundation.

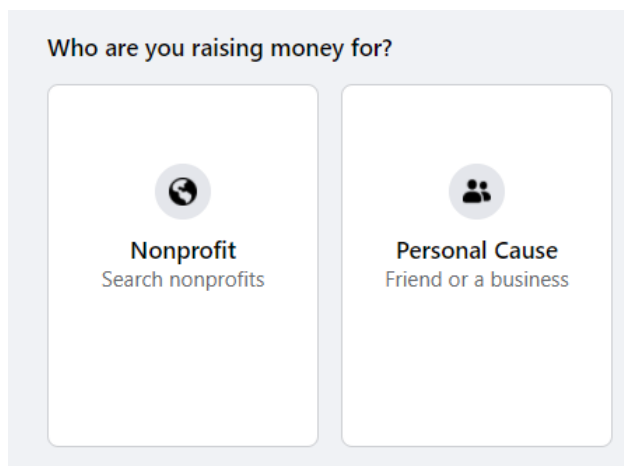

1. Go to: www.facebook.com/fundraisers.

2. Click on the blue “Raise Money” button (to the left).

3. Click on “Nonprofit” when it asks who you are raising money for,

4. In the search bar, type in “American Nurses Foundation” and then select “American Nurses Foundation Inc”
5. Set a goal and end date and customize anything you would like!
6. Click “Create”

Step-by-Step Guide for setting up an Instagram Fundraiser

You can create a fundraiser for a nonprofit organization from an Instagram post. The fundraiser will be visible in the post, and you can find a link to the fundraiser in your bio. The fundraiser will be active for 30 days. You can extend the fundraiser duration or end it at any time.

If your profile is public, your fundraiser will be visible to anyone. If your profile is private, only people who follow you will be able to see and donate to your fundraiser.

You can also follow these steps through an Instagram story, post, reel, or live.

What type of messaging should I use to promote my fundraiser?

The best fundraisers are more than just an "ask"—they include a "why." Adding a personal message makes your fundraiser more effective. Some ideas of how to personalize your fundraiser include:

- **Why you personally** support the American Nurses Foundation.
- If you are creating the fundraiser **in honor of someone**, describe that person's story (with permission) and his/her significance to you.
- Your personal experience with the American Nurses Foundation or the profession of nursing.

Other Platforms to Consider

In addition to fundraising on Facebook, consider fundraising through your other social media channels! Below is a brief overview of the different social media platforms to consider and how to fundraise for the American Nurses Foundation

- Twitter: @ANANursingWorld

- Twitter only allows 280 characters & is designed to generate collaboration, so be concise in your posting and be sure to engage others.
- Use #hashtags and re-tweet content from the @ANANursingWorld account to generate synergies.
- LinkedIn: <https://www.linkedin.com/company/american-nurses-association/>
 - LinkedIn, primarily used for business contacts, is a great platform to spread awareness about Nurses Month and the American Nurses Foundation.
 - Consider sharing a recent American Nurses Foundation LinkedIn post and adding your own personal message and link to your fundraiser or [the American Nurses Foundation donate page](#).

Sample Post Recruiting Ambassadors:

Want to join me in supporting a good cause? This May is Nurses Month, and I'm raising money for the American Nurses Foundation. Your contribution will make an impact, whether you donate \$5 or \$500 – every little bit helps. Thank you for your support. I've included information about the American Nurses Foundation below.

As the philanthropic arm of the American Nurses Association (ANA), our vision is to achieve 'a healthy world through the power of nursing', and this is more relevant today than ever. With the future of health care changing so dramatically, nurses can revolutionize the approach to care for the better. The Foundation pursues this mission through the following:

- Elevating the Profession of Nursing Globally;
- Engaging All Nurses to Ensure Professional Success;
- Evolving the Practice of Nursing to Transform Health and Health Care.

With gifts and grants from generous donors, the Foundation invests in the wellbeing and success of individual nurses while championing the nursing cause throughout the health care system.

About the American Nurses Foundation

The American Nurses Foundation advances the nursing profession by serving as a thought leader, catalyst for action, convener, and funding conduit. We identify the most pressing issues facing nurses, collaborate with leaders both inside and outside the profession on solutions, and strive to get the financial resources needed to research, test, and amplify these solutions to evolve the practice of nursing and transform health and health care.
