C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE

I hereby certify that the information in this application is true and correct to the best of my knowledge and belief. I understand that graywater may only be used for the reuse activities identified above and graywater unsuitable for reuse or in excess of the volume required for the identified reuse activities will be sent to the sanitary sewer or a functioning onsite wastewater treatment system (i.e., septic tank). The graywater reuse and disposal system permit documentation is available for review at the request of the permitting authority. I certify that the system is operated in compliance with this permit and the rules in OAR 340 Division 053. A wet signature of a legally authorized representative is required in order to process this application. Please print out this application and sign.

IMPORTANT INFORMATION

Send completed renewal application to:

Oregon Department of Environmental Quality
Attn: WQ Admin Support
700 NE Multnomah Street., Suite 600,
Portland, OR 97232

Other Agency Requirements

You must comply with all applicable local, state, and federal laws and regulations. All pipes, valves, and other plumbing appurtenances of the graywater collection system must comply with the requirements of the Oregon Plumbing Specialty Code. The necessary permits must be obtained from the local building authority.

Please answer all questions and submit your annual report as an attachment. Refer to your permit for more information regarding your annual reporting requirements.

AN INCOMPLETE APPLICATION WILL NOT BE PROCESSED.

If the information requested is not applicable, please indicate as such.

A. APPLICANT NAME AND CONTACT INFORMATION

1. Enter the legal name of the applicant. The permit will be issued to this entity. This is typically the owner of the property.
2. Indicate if the applicant is the owner of the property.
3. Provide the email address and telephone number for the applicant. Routine correspondence with the applicant will occur by email unless otherwise indicated.
4. Enter the mailing address for the applicant.

B. GRAYWATER REUSE AND DISPOSAL SYSTEM INFORMATION

1. Enter the street address for the point of graywater generation.
2. Enter the latitude and longitude of the facility. Latitude and longitude can be obtained from DEQ's location finder website at <http://deq12.deq.state.or.us/website/findloc/> or from the United States Geological Survey (USGS) quadrangle maps. Instructions on obtaining latitude and longitude data from USGS maps can be obtained from DEQ's website at <https://www.oregon.gov/deq/FilterDocs/latlonginstr.pdf>.
3. Enter the township, range, section, and tax lot information for the property.
4. Indicate if the property is a single family residence or residential duplex, and list the total number of bedrooms. Properties with more than four bedrooms are not eligible for coverage under the 2401 General Permit. Other facilities that produce graywater are eligible for coverage under the 2402 General Permit
5. Please indicate if there were any changes to the graywater reuse and disposal systems,
6. Submit your annual report as an attachment. Refer to your permit for more information regarding your annual reporting requirements.

C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE

The signature of a legally authorized representative must be provided in order to process this application. If the property has more than one owner, each owner must sign the application. Signature includes certification that operation was in compliance.
