**APPLICATION FOR 2000-J NPDES GENERAL PERMIT**  
**Oregon Department of Environmental Quality**  
**Legal Name of Applicant:**

**Please answer all questions and submit the required application fees.**  
**An incomplete application or application with incorrect fees will not be processed.**  
If the information requested is not applicable, please indicate as such.

**A. Reference Information**

1. Enter the legal name of the applicant. This will be the legal Oregon business name (i.e., Acme Products, Inc.) or the legal representative of the company if it operates under an assumed business name (i.e., John Smith, dba Acme Products), or district name. The permit will be issued to this entity.
2. Enter the common name of the facility or operation if different from the legal name of the applicant.
3. Provide the legal status of the applicant. Indicate “public” for a facility solely owned by local government. Other can be used to specify if different from private or public.
4. Enter the Standard Industrial Classification (SIC) four-digit code or North American Industry Classification System five or six-digit code (NAICS) for the facility. These codes are used to describe the primary activity at the facility and may be found on fire marshal reports, insurance papers, or tax forms. The NAICS codes replaced the SIC system in 1997, however, it is usually easy to convert between the two systems so either code is acceptable. SIC or NAICS information is also available from the U.S. Census Bureau at 1-888-756-2427 or at <https://www.census.gov>
