ALOHA! Come follow me on a journey through the islands and atolls of Papahānaumokuākea! We will fly past the prominent cliffs of Nihoa all the way to the salt-encrusted sands of Hōlanikū.

ON THE SHORE: A NESTING PLACE

Ka i'a 'au mai me hemanu

The fish that swims with the movements
of a bird: *a turtle* (Hawaiian riddle)

START

Help the turtle hatchlings
find their way to shore!

THE TURTLE'S JOURNEY

Papahānaumokuākea provides almost all the nesting grounds for the Hawaiian green sea turtle (or honu in Hawaiian). To lay their eggs, they swim 500–800 miles from their feeding grounds in the main Hawaiian Islands to the nesting beaches in the Northwestern Hawaiian Islands. This whole journey takes about 30 days.

FINISH

JUST UNDER THE SURFACE

DEPTH: 0' - 30'

WORD SCRAMBLE

Use the pictures to help unscramble the names of features and native animals

- 1 Enamouts _____
- 2 Rubteftlyfsh _____
- 3 Prraothisf _____
- 4 Hóipi _____
- 5 Labastros _____
- 6 Rocal _____
- 7 Nouh _____

WORD BANK: 'Ōpīhi • Butterflyfish • Parrotfish • Coral • Seamount • Honu • Albatross

*Holo i'a ka papa, kau 'ia e ka manu
When the shoals are full of fish, birds gather over them
Where there is food, people gather*

CORAL REEFS AND SUNKEN SHIPS

DEPTH: 30' - 150'

I ulu no ka lāla i ke kumu

The branches grow because of the trunk

Without our ancestors we would not be here

COLORING PAGE

The maritime archaeologist is exploring a whaling shipwreck site.
Can you help her find all the artifacts and animals?

Trypot

Monk Seal

Ceramic and Glass

Whaling Harpoon

Thompson's Anthias Fish

Anchor

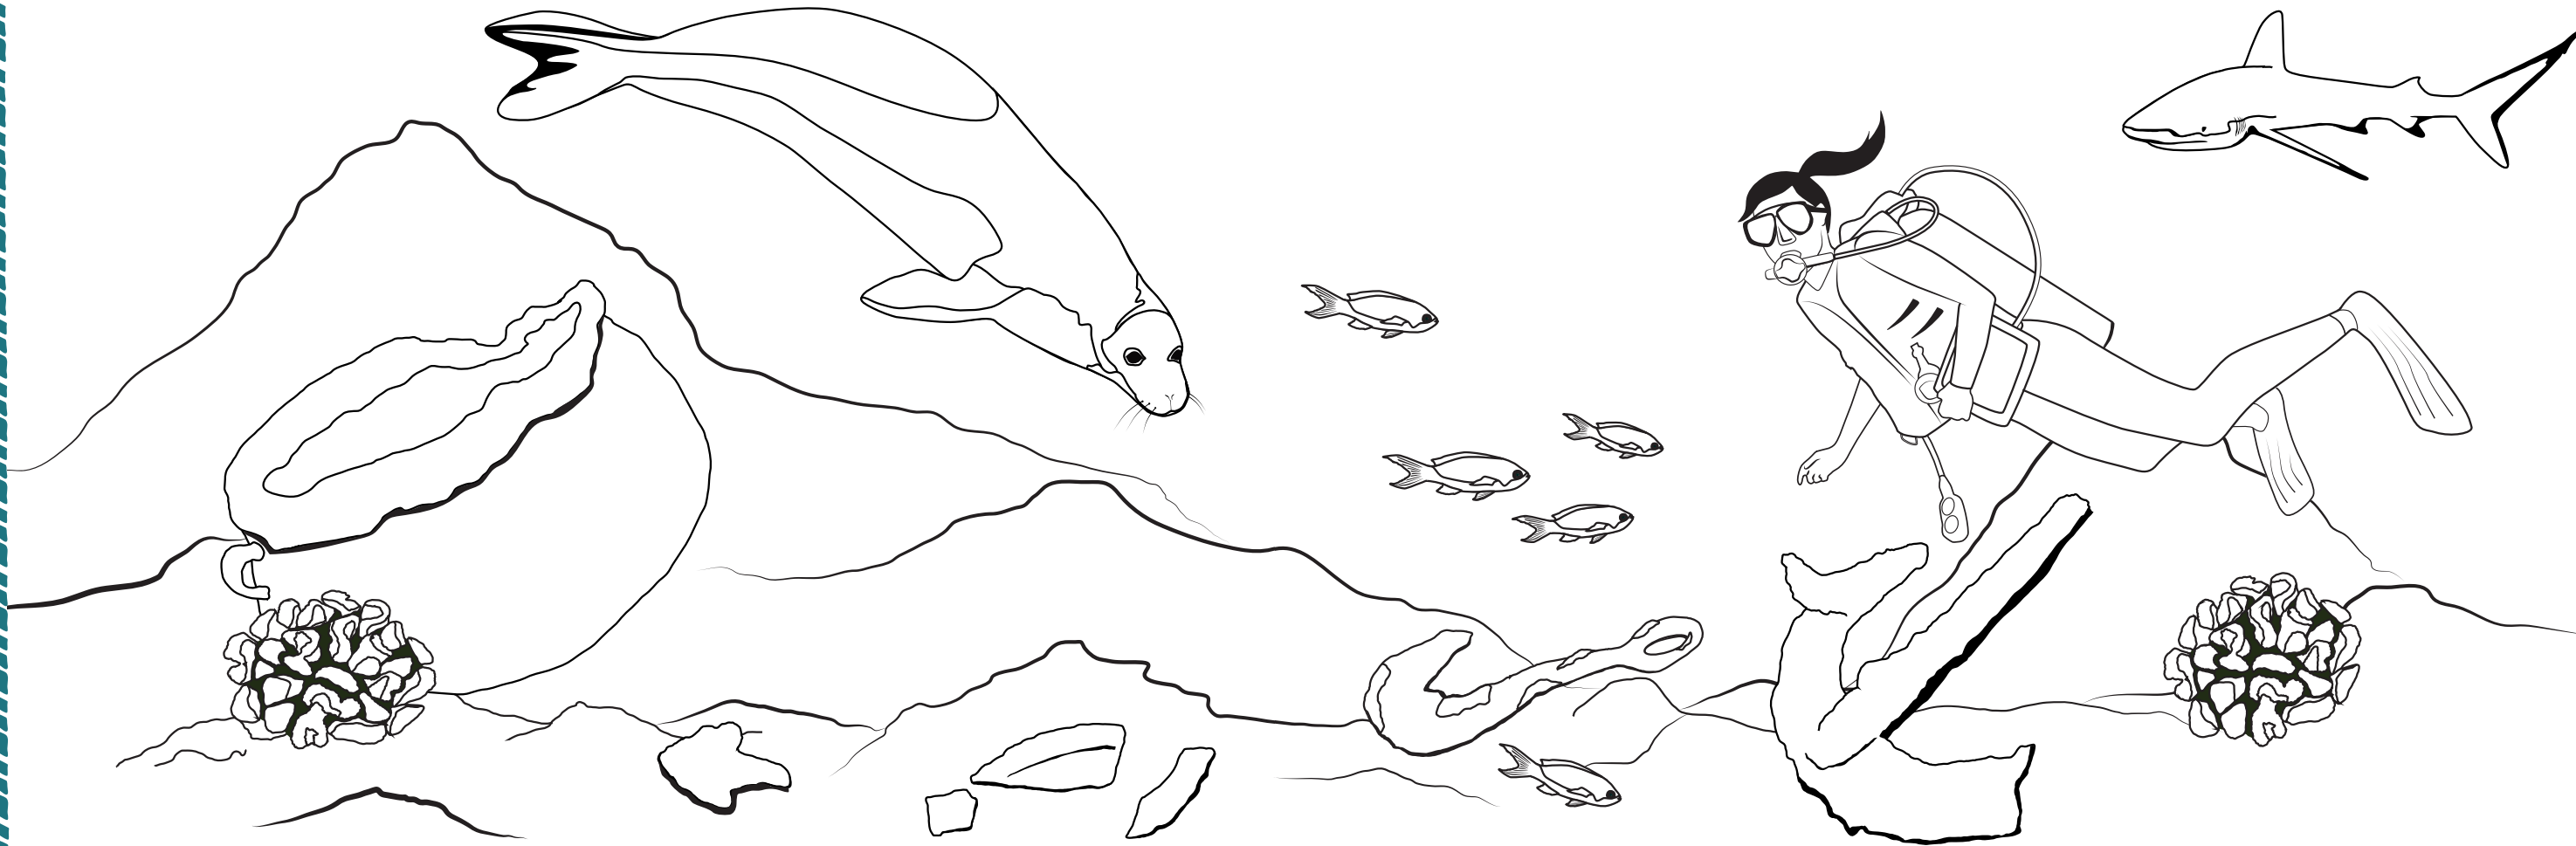

Blubber Hooks

Cauliflower Coral

Galapagos Shark

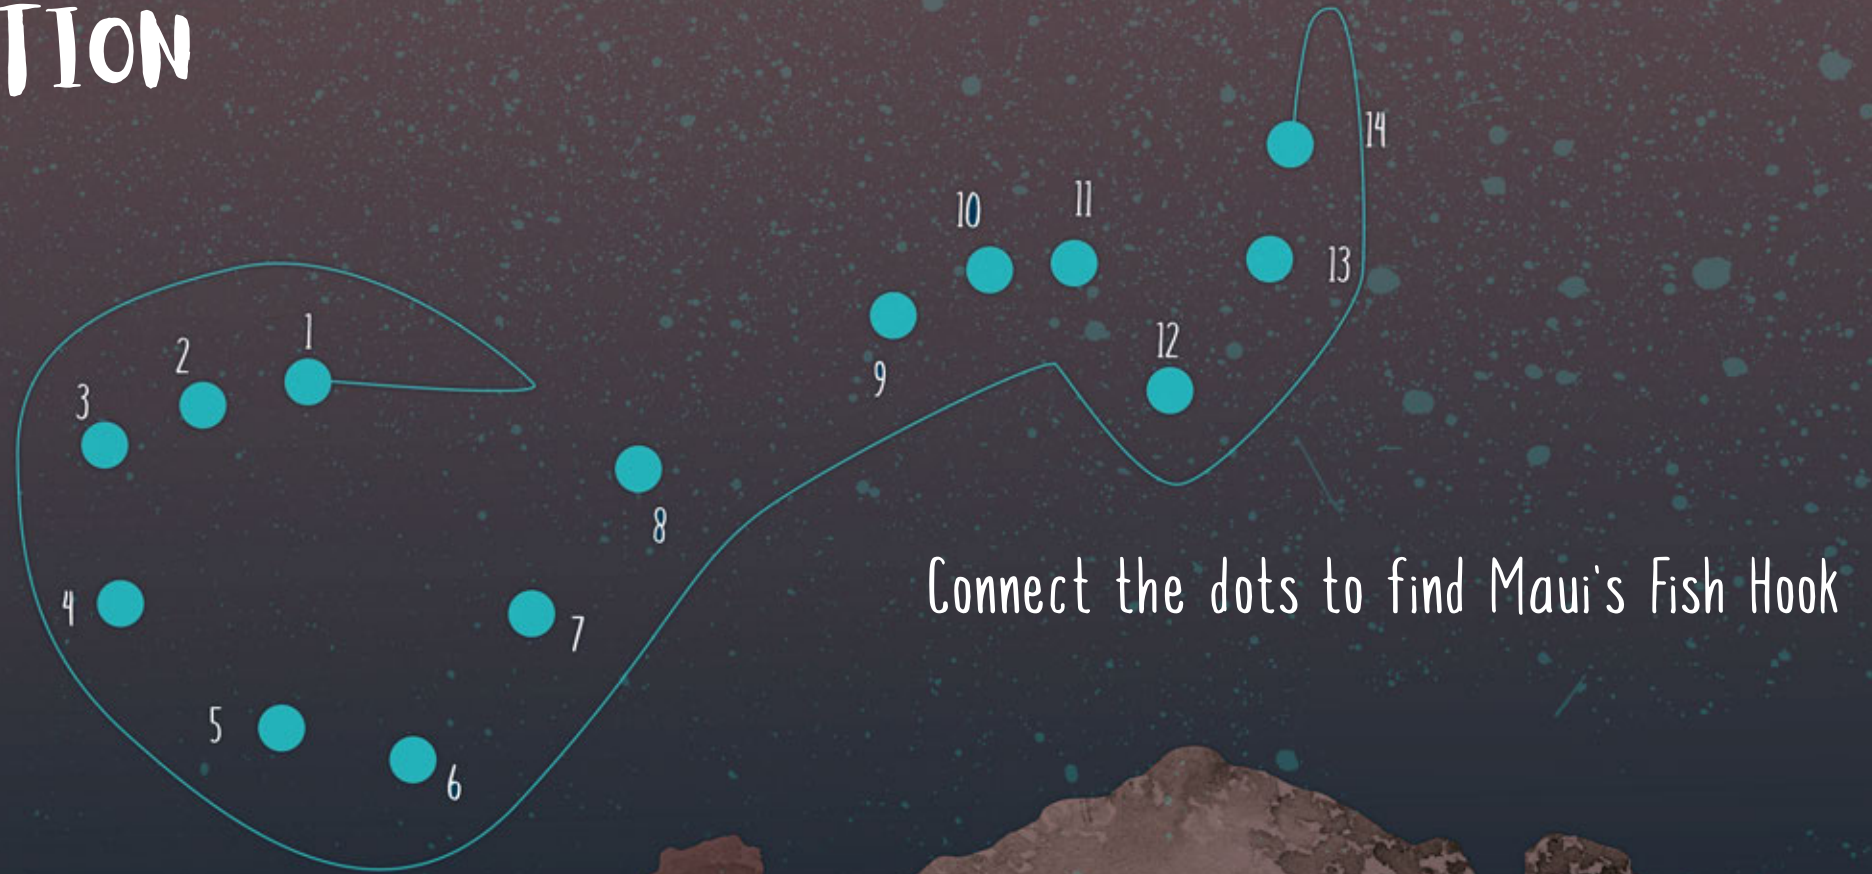

DEEP SEA AND NAVIGATION

DEPTH: 150' AND DEEPER

O na hōkū nō nā kiʻi o ka lani

The stars are the spies of heaven

The stars look down on everyone and everything

Connect the dots to find Maui's Fish Hook

DEEP SEA DIVERS

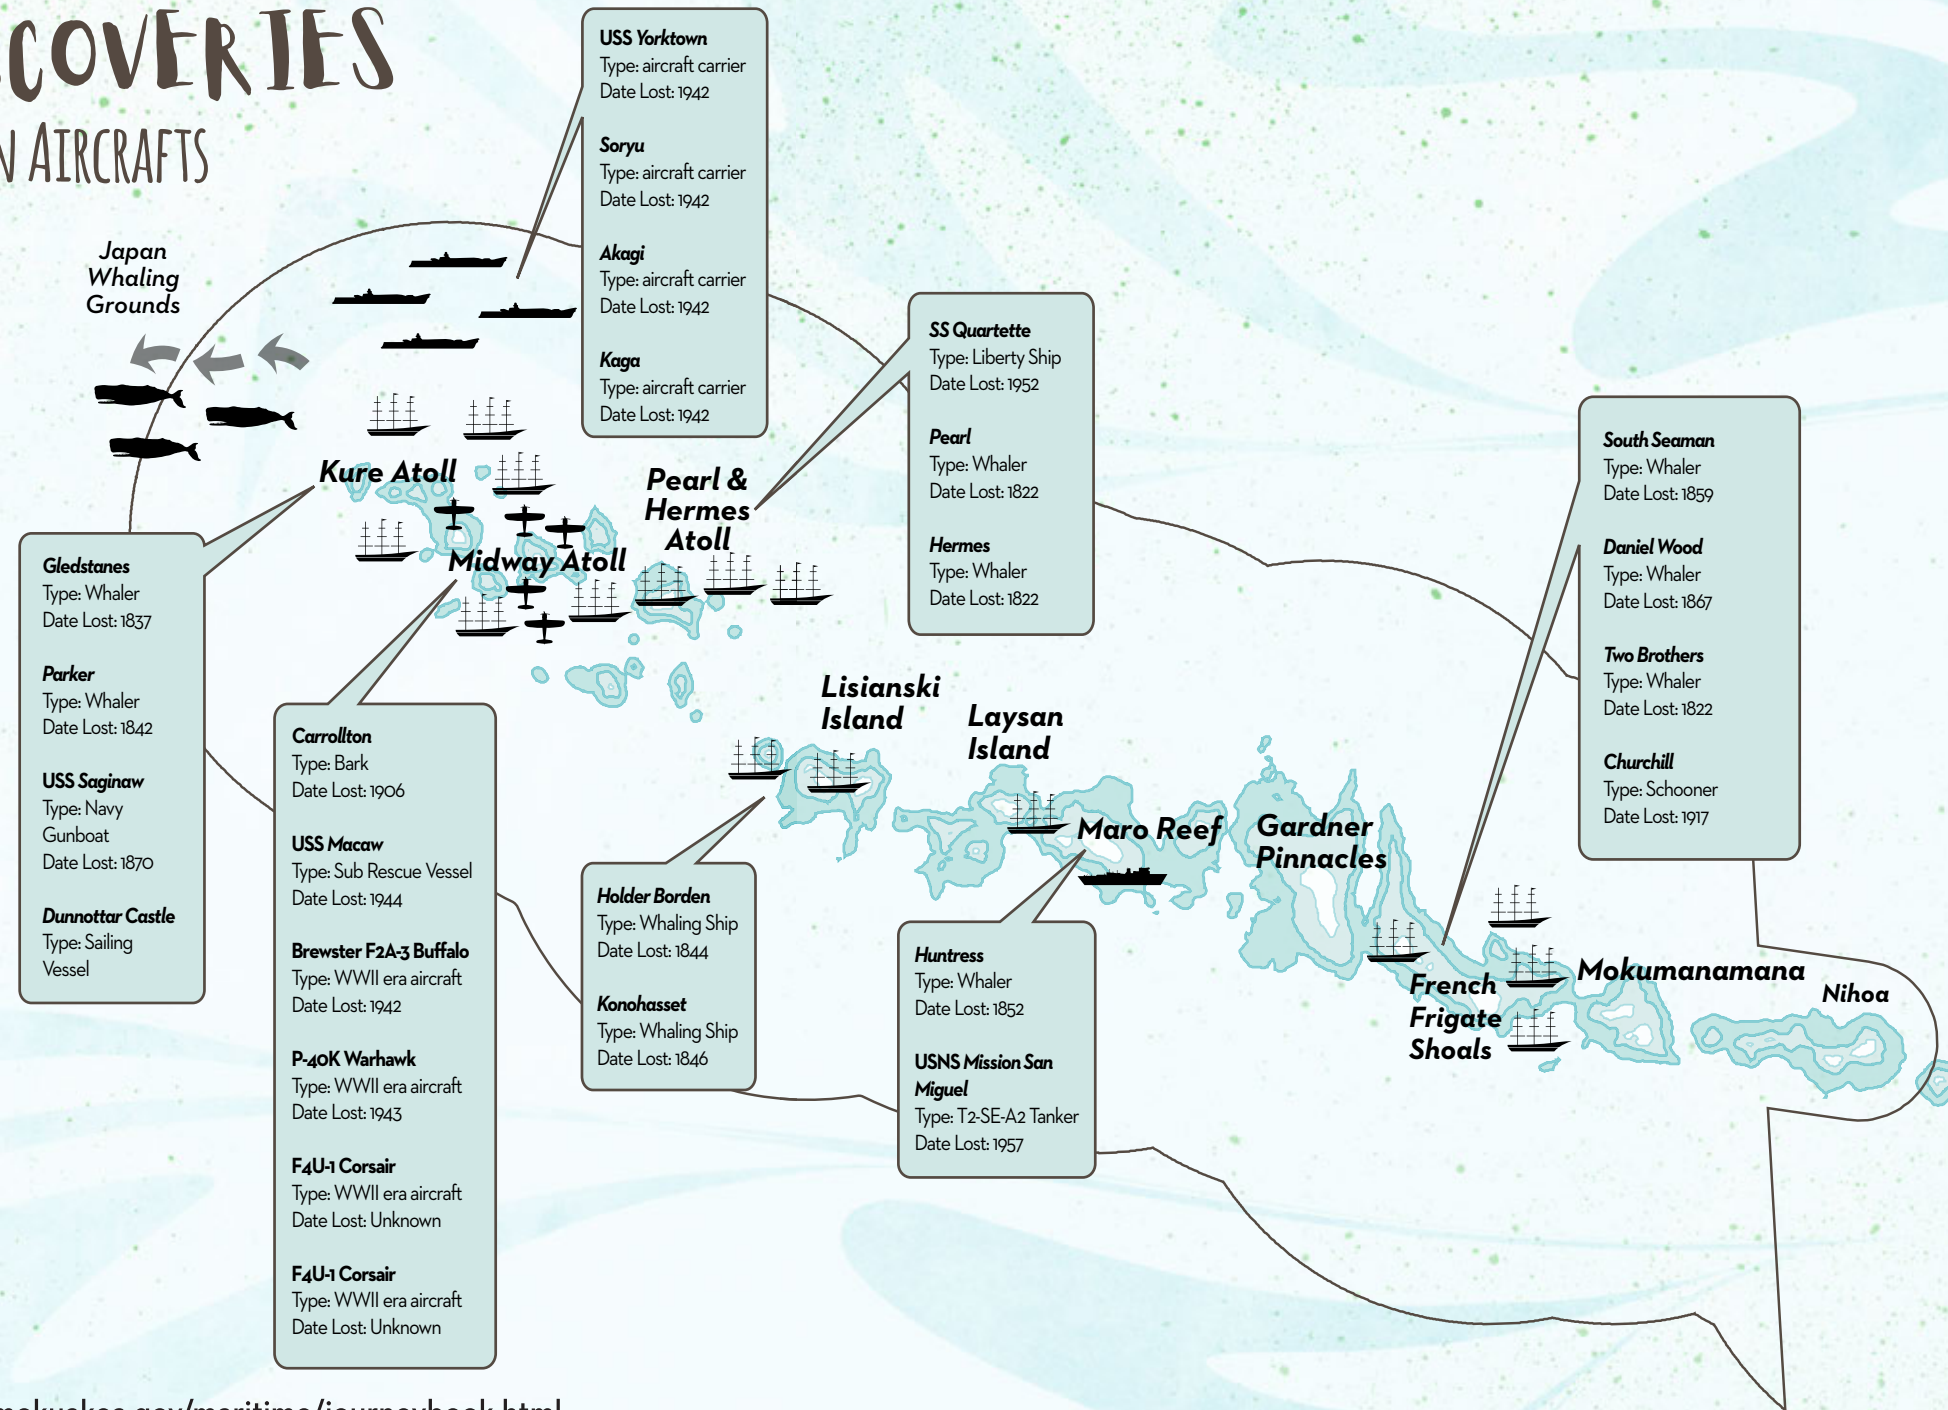

Monk seals are only found in Hawaii. They can dive as deep as 1,550 ft and can hold their breath for as long as 20 minutes.

Papahānaumokuākea is home to humpback whales in the winter. They dive up to 600 ft and can stay under water for 30 minutes.
