How to Create an Account

Captcha

- ▶ Captcha will be required upon account creation.
 - Check the “I’m not a robot” check box, then you will be tasked to verify.
 - There may be different types of verification (e.g., selecting pictures, entering text, etc.)
 - Perform the task required and then click the “VERIFY” button. Once the task has been successfully completed then you may proceed by clicking the “OK” button.

How to Create an Account

Rules of Behavior (ROB)

- ▶ Once CAPTCHA has been verified you will be prompted with the ROB. You must read the ROB, check the acknowledgement checkbox, and then click the “Accept” button at the bottom of the ROB.
- ▶ If you click “Do Not Accept”
 - You will not be taken back to home screen of My PAA.
 - Your account will be created; however, you may not be able to enter or use My PAA for any premium-related task until the ROB has been Accepted.
 - The next time you enter your credentials to log in you will be prompted with ROB again, and that must be accepted if user wants to enter application.

Rules of Behavior

The My PAA password usage rules are:

1. Passwords or any other authentication mechanism must never be shared or stored in any place that is easily accessible by anyone other than the authorized user.
2. Passwords should not be changed more than once per day, except for temporary passwords or as otherwise required by the PBGC.
3. Passwords should be changed at least once every three years and include a minimum of one changed character.
4. Passwords may not be reused for at least 15 generations.
5. Passwords must be created in accordance with the complexity rules, which are as described below.

Passwords must be a minimum of 13 characters in length.

Passwords must contain at least one character from each of the categories below:

- Uppercase letters (A, B, C, ..., Z)
- Lowercase letters (a, b, c, ..., z)
- Special characters (!, @, #, \$, %, ^, &, *, etc.)
- Numbers (0, 1, 2, ..., 9)

The above rules are based on Enterprise Cybersecurity (ECD) standards. The standards take precedence in the event of a conflict between the standards and the above rules.

Account Termination

Users must click the "Deactivate My Account" as soon as practicable to terminate My PAA access no longer needed by the user.

User accounts are disabled automatically when the user does not access the MY PAA after two years of inactivity.

Security Breaches

A security breach is any event or suspected event or vulnerability that affects the user community and could pose a threat to the integrity, availability, or confidentiality of the My PAA. Examples of security breaches include passwords that have been compromised, sensitive information that has been improperly disclosed, or the MY PAA has been misused. Users must report any suspected or known security breaches immediately by calling our toll-free practitioner number, 1-800-736-2444, and selecting the appropriate menu option, OR contact the PBGC Problem Resolution Officer for Practitioners:
