

Pacific Marine Environmental Laboratory

A leader in developing ocean observational systems to address NOAA's mission

NOAA Committee Memberships, 2004-2008

Eddie N. Bernard, Member, NOAA Tsunami Program Team, 2005-present

David A. Butterfield, Ocean Exploration USNS Capable Working Requirements Group committee member, 2004-2005

David A. Butterfield, NOAA AUV Working Group committee member, 2007-present

Richard A. Feely, NOAA Global Carbon Cycle Panel, 2006-present

Richard A. Feely, NSF/NOAA Repeat Hydrography Working Group, 2001–present

Richard A. Feely, Co-Chair, NSF/NOAA Repeat Hydrography Oversight Committee, 2002–present

Stephen R. Hammond, Acting Director, NOAA Ocean Exploration Program, 2004-2007

Stephen R. Hammond, Acting Director, NOAA Office of Ocean Exploration and Research, 2007-present

Steven C. Hankin, NOAA Integrated Ocean Observing Sys. (IOOS) Pgm – member Integrated Products Team and Web Services and Data Encodings technical team, 2007-present

Steven C. Hankin, NOAA Data Management Integration Team, 2005-present (Co-Chair, 2005-2007)

Steven C. Hankin, NOAA Data Management Committee (DMC), 2004-2008

Meghan F. Cronin, Member, NOAA Climate Prediction Program for the Americas (CPPA) Advisory Panel, 2005

D.E. Harrison, NOAA/NWS Climate Test Bed Advisory Board, 2004-present

D.E. Harrison, Chair, NOAA OAR Climate Observing System Council, 2000-present

Mark P. Koehn, Member, NOAA ARCTic Regional Collaboration Team, 2007-present

Mark P. Koehn, Member, NOAA WEST Regional Collaboration Team, 2007-present

Mark P. Koehn, Member, NOAA Ecosystem Observations Program Team, 2003-present

Mark P. Koehn, Member, NOAA Ecosystem Research Program Team, 2004-present

Mark P. Koehn, Member, NOAA Tsunami Program Team, 2005-present

Mark P. Koehn, Member, NOAA Science, Technology, and Infusion Program Team, 2003-2005

Mark P. Koehn, Member, NOAA Climate Observations and Analysis Program Team, 2003-2005

Mark P. Koehn, Member, NOAA Regional Coordination Working Group, 2005

S. Allen Macklin, Co-Chairman of Alaska Ocean Observing System* Data Management and Communications Committee

Michael J. McPhaden, member, NOAA Climate Prediction Center's ENSO Diagnostics Discussion Advisory Group, 2002 – present

Michael J. McPhaden, member, NOAA Climate Attribution Team, 2007-present

Michael J. McPhaden, member, TAO Transition Team, 2004-present

Phyllis J. Stabeno, member, Integrated Ecosystem Assessment PATT, 2007-present
