

Pacific Marine Environmental Laboratory

A leader in developing ocean observational systems to address NOAA's mission

Other Federal/Multi-agency/State Committee Memberships, 2004-2008

Eddie N. Bernard, Chairman, National Tsunami Hazard Mitigation Program, 1997-2004 (Member, 2005-present)

Eddie N. Bernard, Member, National Tsunami Hazard Mitigation Program Steering Group, 1997-present

Eddie N. Bernard, Co-Chair, NOAA/NSF Workshop to Develop a National Tsunami Research Plan, 2006

Nicholas A. Bond, Member, U.S. Global Ocean Ecosystems Dynamics (GLOBEC) Scientific Steering Committee, 2001-2006

Nicholas A. Bond, Chair, Executive Committee for the Northeast Pacific (NEP) component, U.S. GLOBEC Program, 2005-present.

Nicholas A. Bond, Member, Western Boundary Current Working Group, U.S. Climate Variability and Predictability (CLIVAR) Program, 2006-present.

David A. Butterfield, Endeavour Integrated Studies Oversight committee, 2001-2006

David A. Butterfield, NSF RIDGE 2000 Steering Committee, 2001-2006

William W. Chadwick, Consultant for exhibits in the Smithsonian's new Ocean Hall, 2006-present

William W. Chadwick, UNOLS Deep Submergence Science Committee (DESSC) member, 2004-present

Meghan F. Cronin, Member, U.S. CLIVAR Committee, 2005-2008.

Meghan F. Cronin, Co-Chair, U.S. CLIVAR Process Studies and Model Improvement Panel, 2005-2008.

Meghan F. Cronin, Co-Chair, U.S. CLIVAR Pan American Sector Implementation Panel, 2003-2005; Member, 2000-2003.

Robert P. Dziak, Co-chair, Ridge 2000 Time Critical Studies committee.

Robert P. Dziak, Keynote Speaker, NSF/ONR Seismo-Acoustics Applications in MG&G, 2004

Robert P. Dziak, Member, Event Detection and Response Committee, NSF-Ridge 2000 Program, 2001-present

Robert P. Dziak, Invited Participant, National Academy of Sciences Frontiers of Science Symposium, 2001-present

Robert W. Embley, Member, RIDGE Working Group on Event Detection and Response

Robert W. Embley, Principal Organizer of RIDGE/VENTS "Workshop on Detection and Rapid Response to Volcanic Events on the Mid-Ocean Ridge"

Robert W. Embley, Member, Deep Submergence Science Committee (UNOLS), 1998-2004

Robert W. Embley, UNOLS Working Group on Global Class Research Vessels, 2004-2005

Richard A. Feely, U.S. Carbon and Biogeochemistry Steering Committee, 2006-present

Richard A. Feely, U.S. Ocean Carbon and Climate Change Steering Committee, 2005-present

Richard A. Feely, DOE Biological Environmental Studies Program Committee of Visitors, 2004

Richard A. Feely, U.S. CCSP Interagency Ocean Carbon Science Group, 2003-present

Steven C. Hankin, Chairman, Modelers' Caucus, US Integrated Ocean Observing System (IOOS), 2006-present

Steven C. Hankin, Chairman, Data Management and Communications Steering Committee for the US Integrated Ocean Observing System (IOOS/DMAC), 2002-2005

Steven C. Hankin, UCAR (NCAR) THREDDS Technical Task Force, 2001-2005

Steven C. Hankin, US GODAE Steering Committee, 1999-2005

Steven C. Hankin, Executive Committee of National Virtual Ocean Data System (NVO DS), 2001-2005

Steven C. Hankin, Hybrid Coordinate Ocean Model (HYCOM) Consortium (for data management), 2003-present

Steven C. Hankin, OPeNDAP Working Group Executive Team, 2007-present

D.E. Harrison, Executive Committee, US GODAE Steering Group, 1998-2005

D.E. Harrison, US Global Ocean Observing System Steering Group, 1998-present

Albert J. Hermann, Northeast Pacific GLOBEC Executive Committee

Gregory C. Johnson, Member, U.S. CLIVAR/CO₂ Repeat Hydrography Oversight

Committee, 2002–Present

Gregory C. Johnson, Member, U.S. CLIVAR Salinity Working Group, 2005–2007

Carol A. Ladd, Member, Aleutian Island Ecosystem Team, 2006 – present.

S. Allen Macklin, Co-chair, Alaska Ocean Observing System Data Management and Communications Committee, 2003-present.

James E. Overland, US Marine Mammal Commission 2007-present

James E. Overland, ESSAS (Ecosystem Studies of Sub-Arctic Seas) Science Steering Committee 2005-present

Joseph A. Resing, Advisory Committee, NSF-Marine Geology and Geochemistry Data Systems, 2007-2010

Joseph A. Resing, Steering Committee, NSF-Ridge 2000, 2006-2009

Christopher L. Sabine, Member, Scientific Steering Committee for U.S. Ocean Carbon and Biogeochemistry Program, 2005-present

Christopher L. Sabine, Member, Scientific Steering Committee for U.S. Ocean Carbon and Climate Change Program, 2005-present

Christopher L. Sabine, Member, Scientific Steering Committee for U.S. North American Carbon Program, 2004-present

Christopher L. Sabine, Member, Ocean Carbon and Biogeochemistry Time-Series Advisory Committee, 2006-present

Christopher L. Sabine, Member, US CLIVAR/CO₂ Repeat Hydrography Oversight Committee, 2003-present

Christopher L. Sabine, Working Group for the Implementation of Ocean Carbon and Climate Change (OCCC) Program, 2002-2004

Christopher L. Sabine, Working Group for the Implementation of the North American Carbon Program (NACP), 2001-2004

Christopher L. Sabine, Member, US CLIVAR Southern Ocean panel, 2001-2004

Phyllis J. Stabeno, Member, GLOBEC Science Steering Committee, 2002-2005.

Phyllis J. Stabeno, Member, GLOBEC NEPEXCO committee, 2006-present

Phyllis J. Stabeno, Member, Science Advisory Board for the Joint Bering Study (NSF: Bering Sea Ecosystem Study -- BEST and NPRB: Bering Sea Integrated Ecosystem Research Program – BSIERP), 2007-present.

Phyllis J. Stabeno, Member, BSIERP Lead PI Committee, 2007-present.

Phyllis J. Stabeno, Member, BSIERP Executive Committee, 2006-present.
