What's New

After October 22, 2004, tax shelter registration numbers are no longer being issued. The American Jobs Creation Act of 2004 amended section 6111 to replace the tax shelter registration requirement with a new disclosure requirement for material advisors who provide material aid, assistance, or advice with respect to any reportable transaction. For more information, see Notice 2004-80, 2004-50 I.R.B. 963. However, Form 8271 must be filed for any year you claim or report income or a deduction, loss, credit, or other tax benefit from a registration-required tax shelter.

General Instructions

Section references are to the Internal Revenue Code.

Purpose of Form

Use Form 8271 to report the tax shelter registration number the IRS assigned to certain tax shelters required to be registered under section 6111 ("registration-required tax shelters") and to report the name and identifying number of the tax shelter. This information must be reported even if the particular interest is producing net income for the filer of Form 8271. Use additional forms to report more than 10 tax shelter registration numbers.

Note. A tax shelter registration number does not indicate that the tax shelter or its claimed tax benefits have been reviewed, examined, or approved by the IRS.

Who Must File

Any person claiming or reporting any deduction, loss, credit, or other tax benefit, or reporting any income on any tax return from an interest purchased or otherwise acquired in a registration-required tax shelter must file Form 8271. If the interest is purchased or otherwise acquired by a pass-through entity, both the pass-through entity and its partners, shareholders, or beneficiaries must file Form 8271.

A pass-through entity that is the registration-required tax shelter does not have to prepare Form 8271 and give copies to its partners, shareholders, or beneficiaries unless the pass-through entity itself has invested in a registration-required tax shelter.

Note. Even if you have an interest in a registration-required tax shelter, you do not have to file Form 8271 if you did not claim or report any deduction, loss, credit, or other tax benefit, or report any income on your tax return from an interest in the registration-required tax shelter. This could occur, for example, if for a particular year you are unable to

claim any portion of a loss because of the passive activity loss limitations, and that loss is the only tax item reported to you from the shelter.

Filing Form 8271

Attach Form 8271 to any return on which a deduction, loss, credit, or other tax benefit is claimed or reported, or any income reported, from an interest in a registration-required tax shelter. These returns include applications for tentative refunds (Forms 1045 and 1139) and amended returns (Forms 1040X and 1120X).

Furnishing Copies of Form 8271 to Investors

A pass-through entity that has invested in a registration-required tax shelter must furnish copies of its Form 8271 to its partners, shareholders, or beneficiaries.

However, in the case where (a) the pass-through entity acquired at least a 50% interest in one tax year in a registered tax shelter (and in which it had not held an interest in a prior year), and (b) the investment would not meet the definition of a tax shelter immediately following the acquisition if it had been offered for sale at that time, the pass-through entity need not distribute copies of Form 8271 to its investors. The pass-through entity alone is required to prepare Form 8271 and include it with the entity tax return.
