

TOWNSHEND PUBLIC LIBRARY'S FESTIVAL OF TREES

WILL RETURN ON DEC. 8!

Townshend Public Library needs help to spread some seasonal cheer with its Festival of Trees. **We need community groups to sponsor trees.** Each group will be responsible for decorating a tree with a theme of their choice. We'll provide the trees (unless you can), and you provide the rest. We are looking for fun, silly, unexpected themes. If you have questions or would like to help, contact us at 365-4039 or townshendpubliclibrary@gmail.com. The trees will be on display upstairs at the Town Hall for the community to enjoy during the Townshend Holiday Festival on Dec. 8, and on following days to be determined.
