

## 2015 COMMITTEE NOTE

The schedules to be used in cases of non-individual debtors have been revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals eliminate questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records. The non-individual debtor schedules are also renumbered, starting with the number 206 and followed by the letter or name of the schedule to distinguish them from the versions to be used in individual cases. Each form includes a checkbox to indicate whether it is an amended filing.

**Official Form 206Sum**, *Summary of Assets and Liabilities for Non-Individuals*, replaces Official Form 6, *Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159)*, in cases of non-individual debtors. The form is reformatted and updated with cross-references indicating the line numbers from specific schedules from which the summary information is to be gathered, and the Statistical Summary is deleted because it only applies to individual debtors. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

**Official Form 206A/B, Schedule A/B: Assets – Real and Personal Property**, consolidates information about a non-individual debtor’s real and personal property into a single form and replaces Official Form 6A - *Real Property* and Official Form 6B - *Personal Property*, in cases of non-individual debtors. The layout and categories of property on Official Form 206A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses eleven categories of property types. For each part, the specific items are broken out and debtors are instructed to total the part and list the total on a specific line later in the form.

Part 1: *Cash and cash equivalents*, includes cash and cash equivalents and a shortened list of examples. All financial assets other than cash or cash equivalents are moved to Part 4: *Investments*. In the section to list checking, savings, money market, or financial brokerage accounts, debtors are instructed to include the name of the institution and the last 4-digits of any account number.

In Part 2: *Deposits and prepayments*, adds prepayments and examples. A requirement has been added to include the name of the holder of any deposit.

Part 3: *Accounts receivable*, has been revised to divide accounts receivable into two categories depending on age and asks for separate values for the two categories.

Part 4: *Investments*, has been expanded and includes more detail.

Part 5: *Inventory, excluding agricultural assets*, has been amended to separate non-agricultural from agricultural assets, and has been expanded to include more detail. Categories of inventory are listed, and debtors must include the last date of physical inventory, the net book value of debtor’s interest (if available), the valuation method used for current value, and the current value of debtor’s interest. The form has been further amended to

require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

In Part 6: *Farming- and Fishing-Related Assets (other than titled motor vehicles and land)*, the form has been amended to require more detailed responses and to require the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. A requirement to list fishing supplies has been added. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, whether a depreciation schedule is available for any of the property listed, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

Part 7: *Office furniture, fixtures, and equipment; and collectibles*, has been amended to combine several categories of assets and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. Examples of collectibles are provided. The form has been further amended to require the debtor to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 8: *Machinery, equipment, and vehicles*, has been amended to combine several categories of property and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. More examples are provided for each property type. The form has been further amended to

indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 9: *Real property*, includes the elements of Official Form 6A, *Real Property*, and has been amended to expand the required information to include the net book value of the debtor's interest and the valuation method used for current value. Also, an instruction has been added for the description and location of the property. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 10: *Intangibles and intellectual property*, includes amendments to combine several categories of property and to include more property types. The debtor is required to list the net book value of the debtor's interest and the valuation method used for current value. The question regarding personally identifiable information has been revised, and the form has been amended to require the debtor to indicate if there is an amortization schedule or similar schedule available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 11: *All other assets*, includes a new category for notes receivable, which requires a description, including the name of the obligor, the face amount, and any uncollectible amount. In addition, the form has been amended to combine tax refunds and net operating losses into a single question and to require more detail, to delete the requirement to list the insurance company name for any interests in insurance policies, to expand the question regarding contingent and unliquidated claims, and to include examples of other property. The form has been further amended to include a question regarding whether

the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 12, *Summary*, has been amended to list relevant line numbers for each type of property.

**Official Form 206D**, *Schedule D: Creditors Who Have Claims Secured by Property*, replaces Official Form 6D, *Creditors Holding Secured Claims*, for non-individual debtors and has been revised to eliminate instructions that pertain only to individuals. The form has been further amended to instruct debtors that if a creditor has more than one secured claim, to list the creditor separately for each claim; to list the creditor's email address, if known; to indicate if multiple creditors have an interest in the same collateral; to list the order of each creditor's priority interest in the collateral; and to indicate whether the creditor is an insider or related party. The debtor is also instructed to describe the lien and to fill out *Schedule H: Codebtors*, if anyone else is liable on the claim. Finally, the form has been amended to require the debtor to list the value of the debtor's property that secures the claim.

A new Part 2: *List Others to be Notified for a Debt Already Listed in Part 1* has been added, with instructions to list any others who must be notified about the bankruptcy for a debt listed in Part 1 of the form. Examples are provided. The debtor must include the relevant line from Part 1 and the last 4 digits of the account number for the entity.

A new Part 3: *Total Amounts of Claims and the Unsecured Portion of Claims*, has been added.

**Official Form 206E/F**, *Schedule E/F: Creditors Who Have Unsecured Claims*, has been amended to combine Official Form 6E, *Schedule E – Creditors Holding Unsecured Priority Claims* and Official Form 6F, *Schedule F – Creditors Holding Unsecured Nonpriority Claims* for non-individual debtors. Priority unsecured claims are listed

in Part 1, and nonpriority unsecured claims are listed in Part 2. The instructions have been revised to require the debtor to list the other party to any executory contract or unexpired lease on this schedule and on *Schedule A/B Real and Personal Property* and *Schedule G: Executory Contracts and Unexpired Leases* (Official Forms 206A/B and 206G).

Part 1, *List All Creditors with PRIORITY Unsecured Claims*, has been revised to delete the requirement to list the amount not entitled to priority and to add requirements to specify the Code section for the priority unsecured claim and whether the claim is subject to offset. A new requirement was added to Part 2, *List All Creditor's with NONPRIORITY Unsecured Claims*, to indicate if the claim is subject to offset. The instructions have also been significantly shortened. Part 3, *List Others to be Notified About Unsecured Claims*, has been added, with instructions to list any others who must be notified for claims listed in Parts 1 and 2. Examples are given. The debtor must include the relevant line from Part 1 or 2 and the last 4 digits of the account number for the entity. A new Part 4: *Total Amounts of the Priority and Nonpriority Unsecured Claims* has been added.

**Official Form 206G**, *Schedule G: Executory Contracts and Unexpired Leases*, replaces Official Form 6G - *Executory Contracts and Unexpired Leases* for non-individual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general instructions for all forms regarding listing a minor child's name. A new requirement has been added to state the remaining term for any contract or lease listed.

**Official Form 206H**, *Schedule H: Codebtors*, replaces Official Form 6H – *Codebtors* for non-individual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general

instructions for all forms regarding listing a minor child's name. A new requirement is added to indicate by checkbox what schedule applies to each codebtor.

**Schedules C, Exemptions, I, Income and J, Expenses.** There are no Official Forms for Schedules C, I, and J in non-individual debtor cases. There is no need for an Official Form 206C for non-individual debtors because exemptions are inapplicable to non-individual debtors. And, although section 521(a) of the Bankruptcy Code requires all debtors, including non-individual debtors, to provide schedules of income and expenses, uncertainty about the state of the debtor's business on the petition date – whether it is operating or not, for example – makes it difficult to create standard income and expense forms for non-individual debtors. Some bankruptcy courts have adopted local rules and forms for reporting the income and expenses of non-individual debtors, and Director's Procedural Forms 2060I and 2060J, can be used and modified as appropriate if there are no applicable local rules and forms.

**Declaration.** There is no Official Form 206, Declaration. The portion of Official Form 6 Declaration for a declaration on behalf of a corporation or partnership has been replaced by Official Form 202, *Declaration Under Penalty of Perjury for Non-Individual Debtors*. Official Form 202 includes checkboxes for the schedules included in Official Form 206.

## **HISTORICAL COMMITTEE NOTES**

### **2013 COMMITTEE NOTE**

*Schedule I: Your Income* (Official Form 6I) and *Schedule J: Your Expenses* (Official Form 6J), which apply only in cases of individual debtors, have been revised as part of the Forms Modernization Project, making the forms easier to read and, as a result, likely to generate more complete and accurate responses.

Revised Schedules I and J seek to obtain a full picture of the debtor's economic situation—to the extent that debtor receives income or has expenses. The revised forms are intended to avoid the situation that frequently happens with the current forms where debtor lives with and pools assets with other people and the household provides support to dependents who may not be related by blood or marriage to the debtor.

The amendments seek to avoid the situation where the expenses listed on Schedule J are for the entire household, but the income listed on Schedule I is only for the debtor. Line 11 on revised Schedule I now includes contributions made by someone else to the expenses on Schedule J, and the debtor is instructed to include contributions from an unmarried partner, members of the debtor's household, dependents, roommates, and other friends or relatives.

As revised, the initial Schedule J will provide estimated expenses at the beginning of the case and the debtor will so indicate in Part 2 of the form.

In drafting the form it became apparent that at least some courts are using Schedules I and J in analyzing proposed chapter 13 plans and potential modification of those plans or when a debtor's financial circumstances change. To avoid a lack of clarity on the form regarding the date to be used in computing expenses, and in order to allow Schedule J to continue to serve the plan feasibility function, the revised form may also be used as a

supplement to the initial filing if the debtor checks the appropriate box in the caption and indicates the pertinent post-filing date of the estimate.

New lines 1, 2, and 3 on revised Schedule J request information about the debtor's household. Line 1 requires joint debtors who maintain separate households to file separate Schedule J forms. A check box has been added to the caption to identify such filings. Line 2 requires information about each dependent who lives with the debtor and each dependent who lives separately. In order to allow a full understanding of the debtor's expenses, Line 3 requires debtors to state whether their expenses include the expenses of persons other than themselves and their dependents. In addition, new line 23 on the form includes a calculation of the debtor's monthly net income.

*Summary of Schedules* (Official Form 6 Summary), is updated on page 2 to reflect new line number references to Schedules I and J for Average Income and Average Expenses.

#### 2005-2007 COMMITTEE NOTE<sup>1</sup>

The forms of the Schedules of Assets and Liabilities are amended to implement the provisions of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109 - 8, 119 Stat. 23, (April 20, 2005) ("BAPCPA"). An amendment that directs the debtor to avoid disclosing the name and address of any minor child occurs in Schedules B, D, E, F, G, and H in conformity with § 112 which was added to the Code in 2005. Section 112 provides for the debtor to furnish the name of any minor child confidentially to the court, should the trustee need the information to evaluate properly the information filed by the debtor. In addition, those schedules are amended to add to the reference to Rule 1007(m), with respect to a minor child, a direction to include for noticing

purposes the name, address, and legal relationship to the child of "a person described" in that rule. Rule 1007(m) requires the person named to be someone on whom process would be served in an adversary proceeding against the child.

The "Statistical Summary of Certain Liabilities and Related Data" is added to collect from individual debtors with primarily consumer debts the information needed to prepare statistical reports required under 28 U.S.C. § 159, which was enacted as part of BAPCPA. Collecting the bulk of the information to be used in these statistical reports in the Summary of Schedules and the statistical summary will assist the courts and the Director of the Administrative Office to fulfill their statutory responsibilities. Schedules D and E are amended to provide additional totals and, together with Schedule F, to direct debtors who must complete the statistical summary to report total amounts there. Similarly, Schedules I and J are amended to conform their terminology to that used in 28 U.S.C. § 159 and direct debtors who must complete the statistical summary to report the specified amounts there.

Schedules A, B, C, and D are amended to delete the word "market" from the columns in which the debtor reports the value of various kinds of property. Amendments to § 506 of the Code enacted in 2005 specify that "replacement value" must be used in connection with certain property. The schedules no longer specify "market" value and permit the debtor to choose the appropriate one, whether that be replacement, market, or some other value. Valuation of property, generally, is the subject of extensive provisions in the Code, and the deletion of the word "market" from the determinations of value to be made by the debtor on the schedules is intended to remove any inference about choice of valuation standard. This deletion simply indicates that the form takes no position on which Code provision or valuation standard may be applicable in any particular instance.

The following paragraphs describe changes that are specific to each schedule:

Schedule B - Personal Property is amended to require the debtor to list any interests in an education IRA, because § 541(b)(5), added to the Code in 2005, makes special provision for them. The schedule is also amended to require the debtor to disclose the existence of any customer lists or other compilations containing personally identifiable information provided by an individual to the debtor in connection with obtaining a product or service from the debtor for personal, family, or household purposes. This amendment implements § 332, which was added to the Code by BAPCPA in 2005.

Schedule C - Property Claimed as Exempt is amended to delete descriptive information concerning the length of domicile required for the debtor to qualify to claim certain exemptions. Any summary of the BAPCPA amendments to § 522 of the Code concerning these requirements might inadvertently cause the debtor to lose important rights. Accordingly, the form now directs the debtor to indicate whether exemptions are being claimed under § 522(b)(2) or § 522(b)(3) and whether the debtor claims a homestead exemption that exceeds \$136,875.

Schedule D - Creditors Holding Secured Claims is amended to provide for creating a total of any unsecured amounts (amounts that exceed the value of the collateral) owed to creditors holding secured claims. In addition to facilitating statistical reporting, providing a breakdown of the amounts owed to creditors listed on this schedule will assist the individual debtor in completing the means test calculation under § 707(b)(2)(A)(i) of the Code.

Schedule E - Creditors Holding Unsecured Priority Claims is amended to implement the changes in priority to which a claim may be entitled under 11 U.S.C. § 507 as amended by BAPCPA and to add the new priority included in the 2005 Act for claims for death or personal injury while the debtor was intoxicated. "Subtotal" and "Total" boxes have been added to the columns labeled "Amount Entitled to Priority" and "Amount Not Entitled to Priority" for statistical reporting purposes and to assist the individual

debtor in completing the means test calculation under § 707(b)(2)(A)(i) of the Code.

Schedule H - Codebtors is amended to add specifics about community property jurisdictions in connection with the requirement to provide the name of any spouse of a debtor who resides or resided in a community property jurisdiction. This amendment also mirrors amendments made in 1997 to Official Form 7, the Statement of Financial Affairs, and will assure that these codebtors receive notice of the filing of the bankruptcy case. The form also is amended to extend from six years to eight years the time period for which this information is reported pursuant to the 2005 amendments to § 727(a)(8) of the Code.

Schedule I - Current Income of Individual Debtor(s) is amended to make it clear that "every" married debtor must provide income information for both spouses, unless the spouses are separated and a joint petition is not filed. The description of the income to be reported is revised to clarify that the purpose of this schedule is to obtain information about actual income on the date the bankruptcy case is filed and which a debtor reasonably expects in the future in contrast to the debtor's "current monthly income" as defined in § 101(10A) and reported on Form 22A, 22B, or 22C. And a statement included at the top of the form also explains that the income calculated this form may be different than the current monthly income. Line numbers have been added to assist the debtor in calculating and reporting totals. A new subtotal line for income from sources other than as an employee and a new "average monthly income" line will enable this form to be used in conjunction with Schedule J to satisfy the requirements of § 521(a)(1)(B)(v), which was added to the Code by BAPCPA. New statistical reporting requirements in 28 U.S.C. § 159 also require "average monthly income." In addition, the form is revised to provide the statement concerning any anticipated increase or decrease in income required in § 521(a)(1)(B)(vi), also added to the Code in 2005.

Schedule J - Current Expenditures of Individual Debtor(s). In conjunction with amendments to Schedule I, the form is amended to provide for reporting the debtor's actual "average monthly expenses," as required by 28 U.S.C. § 159 and a statement of monthly net income, itemized to show how the amount is calculated, as required by § 522(a)(1)(B)(v), which was added to the Code by BAPCPA in 2005. In addition, line numbers have been inserted and the description of expenses revised to make it clear that the purpose of this schedule is to obtain information about a debtor's actual and reasonably foreseeable expenses on the date the bankruptcy case is filed. And a statement similar to the statement at the top of Schedule I explains that the expenses calculated on the form may differ from the expenses calculated on Forms 22A or 22C. A direction has been added to require the debtor to report any increase or decrease in expenses anticipated to occur within the year following the filing of the document, as required by § 521(a)(1)(B)(vi), which also was added to the Code in 2005.

Declaration Concerning Debtor's Schedules. The declaration by individual or joint debtors is amended to require the debtor to merely state the total number of pages being verified. The declaration and signature of any non-attorney bankruptcy petition preparer is amended to include material mandated by § 110 of the Code as amended in 2005.

## 2006 COMMITTEE NOTE

In order to comply fully with the statistical reporting requirements of 28 U.S.C. §159, which was enacted as part of the 2005 Act and takes effect in October 2006, the “Statistical Summary of Certain Liabilities” is renamed “Statistical Summary of Certain Liabilities and Related Data,” and additional information is required to be stated there. Collecting in one place the bulk of the information to be used in the reports required under 28 U.S.C. § 159 will assist the courts and the Director of the Administrative Office of the United States Courts to fulfill their statutory responsibilities.

Schedule D is amended to provide for creating a total of any unsecured amounts (amounts that exceed the value of the collateral) owed to creditors holding secured claims, and for stating this amount on the Statistical Summary of Certain Liabilities and Related Data. Schedule E is amended to provide for creating totals of the amounts entitled to priority and of any amounts that exceed the statutory limits on certain priorities and to direct the debtor to report these amounts on the Statistical Summary of Certain Liabilities and Related Data. Schedule F is amended to direct the debtor to report the total of this schedule both on the Summary of Schedules and on the Statistical Summary of Certain Liabilities.

The statistical reports required under 28 U.S.C. § 159 must include “the current monthly income, average income, and average expenses” of individual debtors with primarily consumer debts as reported on the schedules filed by those debtors. Accordingly, Schedules I and J, on which debtors already are directed to report average income and average expenses are amended to label the totals arrived at by completing the schedules as “average monthly income” and “average monthly expenses.” These amendments make no substantive changes, simply conforming the terminology on these schedules to that used in § 159.

The amount of the debtor’s current monthly income, which also is required by § 159, is derived from Official

Forms 22A, 22B, or 22C, depending on the chapter under which the debtor files. This amount is included on the Statistical Summary of Certain Liabilities and Related Data as a convenience to make reports under § 159 easier to compile.

The Declaration Concerning Debtor's Schedules is amended in the section designated for signing and verifying by an individual or joint debtor. The amendment accommodates the requirement that individual debtors must complete both the Summary of Schedules and the Statistical Summary of Certain Liabilities and Related Data by directing the debtor to state number of pages being verified as the number of sheets in the completed schedules "plus 2."

## 2005 COMMITTEE NOTE

The forms of the Schedules of Assets and Liabilities are amended to implement the provisions of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109 - 8, 119 Stat. 23, (April 20, 2005). An amendment that directs the debtor to avoid disclosing the name of any minor child occurs in several of the schedules in conformity with § 112 which was added to the Code in 2005. Section 112 provides for the debtor to provide the name of any minor child confidentially to the court, should the trustee need the information to evaluate properly the information filed by the debtor.

The “Statistical Summary of Certain Liabilities” is added to collect information needed to prepare statistical reports required under 28 U.S.C. § 159, which was enacted as part of the 2005 Act.

Schedules A, B, C, and D are amended to delete the word “market” from the columns in which the debtor reports the value of various kinds of property. Amendments to § 506 of the Code enacted in 2005 specify that “replacement value” must be used in connection with certain property. The schedules no longer specify “market” value and permit the debtor to choose the appropriate one, whether that be replacement, market, or some other value. Valuation of property, generally, is the subject of extensive provisions in the Code, and the deletion of the word “market” from the determinations of value to be made by the debtor on the schedules is intended to remove any inference about choice of valuation standard. This deletion simply indicates that the form takes no position on which Code provision or valuation standard may be applicable in any instance.

The following paragraphs describe changes that are specific to each schedule.

Schedule B - Personal Property is amended to require the debtor to list any interests in an education IRA, as § 541(b)(5), added to the Code in 2005, makes special

provision for them. The schedule also is amended to require the debtor to disclose the existence of any customer lists or other compilations containing personally identifiable information provided by an individual to the debtor in connection with obtaining a product or service from the debtor for personal, family, or household purposes. This amendment implements § 332, which was added to the Code in 2005.

Schedule C - Property Claimed as Exempt is amended to delete descriptive information concerning the length of domicile required for the debtor to qualify to claim certain exemptions. Any summary of the amendments enacted in 2005 to § 522 of the Code concerning these requirements might inadvertently cause the debtor to lose important rights. Accordingly, the form now directs the debtor to indicate whether exemptions are being claimed under § 522(b)(2) or § 522(b)(3) and whether the debtor claims a homestead exemption that exceeds \$125,000.

Schedule E - Creditors Holding Unsecured Priority Claims is amended to implement the changes in priority to which a claim may be entitled under 11 U.S.C. § 507 as amended by the 2005 Act and to add the new priority included in the Reform Act for claims for death or personal injury while the debtor was intoxicated. "Subtotal" and "Total" boxes have been added to the column labeled "Amount Entitled to Priority" to assist the individual debtor to complete the Means Test form.

Schedule G - Executory Contracts and Unexpired Leases is amended by deleting the note to the debtor advising that parties listed on this schedule may not receive notice of the filing of the bankruptcy case unless they also are listed on one of the schedules of liabilities. The better practice is for all parties to transactions with the debtor to receive notice of the filing of the case, and an amendment to Rule 1007 requiring the debtor to provide a mailing list

that includes these parties is scheduled to take effect December 1, 2005.

Schedule H - Codebtors is amended to add specifics about community property jurisdictions in connection with the requirement to provide the name of any spouse of a debtor who resides or resided in a community property jurisdiction. This amendment also mirrors amendments made in 1997 to Official Form 7, the Statement of Financial Affairs, and will assure that these codebtors receive notice of the filing of the bankruptcy case. The form also is amended to extend from six years to eight years the time period for which this information is reported pursuant to the 2005 amendments to § 727(a)(8) of the Code.

Schedule I - Current Income of Individual Debtor(s) is amended to require the income of a nondebtor spouse to be reported in cases filed under chapters 7 and 11. Line numbers have been added to assist the debtor in calculating and reporting totals. A new subtotal line for income from sources other than as an employee and a new "total monthly income" line provide for this form to be used in conjunction with Schedule J to satisfy the requirements of § 521(a)(1)(B)(v), which was added to the Code in 2005. The form also has been revised to provide the statement concerning any anticipated increase or decrease in income required in § 521(a)(1)(B)(vi), which also was added to the Code in 2005.

Schedule J - Current Expenditures of Individual Debtor(s). A direction has been added to require the debtor to report any increase or decrease in expenses anticipated to occur within the year following the filing of the document, as required by § 521(a)(1)(B)(vi), which was added to the Code in 2005. The form also is amended to provide, in conjunction with Schedule I, a statement of monthly net income, itemized to show how the amount is calculated, as required by § 522(a)(1)(B)(v), which was added to the Code in 2005.

Declaration Concerning Debtor's Schedules. The declaration by a non-attorney bankruptcy petition preparer is amended to include material mandated by § 110 of the Code as amended in 2005.

#### 2003 COMMITTEE NOTE

The instructions to Schedule D (Creditors Holding Secured Claims), Schedule E (Creditors Holding Unsecured Priority Claims), and Schedule F (Creditors Holding Unsecured Nonpriority Claims) are amended to inform the debtor that the debtor must list the last four digits of any account number with the listed creditor, and that the debtor may, in its discretion, include the entire account number in the schedules. Schedule I (Current Income of Individual Debtor(s)) is amended to provide greater privacy to minors and other dependents of the debtor by deleting the requirement that the debtor disclose their names. Pursuant to § 110(c) of the Bankruptcy Code, the certification by a non-attorney bankruptcy petition preparer requires a petition preparer to provide the full social security number of the individual who actually prepares the document.

#### 1997 COMMITTEE NOTE

The form is amended to add to the column labels a reference to community liability for claims. The amendment is technical and corrects an editorial oversight.

#### 1995 COMMITTEE NOTE

Schedule E - Creditors Holding Unsecured Priority Claims is amended to add the new seventh priority afforded to debts for alimony, maintenance, or support of a spouse, former spouse, or child of the debtor by the Bankruptcy Reform Act of 1994. Statutory references are amended to conform to the paragraph numbers of section 507(a) of the Code as renumbered by the 1994 Act. Schedule E also is amended to add commissions owed to certain independent sales representatives and to raise the maximum dollar amounts for certain priorities in accordance with

amendments made by the 1994 Act to section 507(a) of the Code. The 1994 Act also amended section 104 of the Code to provide for future adjustment of the maximum dollar amounts specified in section 507(a) to be made by administrative action at three-year intervals to reflect changes in the consumer price index. Schedule E is amended to give notice that these dollar amounts are subject to change without formal amendment to the official form.

The Schedules are a "document for filing" that may be prepared by a "bankruptcy petition preparer" as defined in 11 U.S.C. § 110, which was added to the Code by the 1994 Act; accordingly, a signature line for such preparer is added. In addition to signing, a bankruptcy petition preparer is required by section 110 to disclose the information requested.

#### 1993 COMMITTEE NOTE

Schedule E (Creditors Holding Unsecured Priority Claims) has been changed to conform to the statutory amendment that added subsection (a)(8) to § 507 of the Code. Pub. L. No. 101-647, (Crime Control Act of 1990), added the new subsection, which had the effect of creating an eighth priority for claims of certain governmental units based on commitments to maintain the capital of an insured depository institution.

#### 1991 COMMITTEE NOTE

These schedules shall be used to comply with § 521(1) of the Code and Rule 1007(b). Schedules A, B, D, E, and F constitute the schedule of assets and liabilities. Schedules I and J constitute a schedule of current income and current expenditures for individual and joint debtors. Two new schedules have been created, Schedule G - Executory Contracts and Unexpired Leases, and Schedule H - Codebtors.

The order of the schedules has been arranged with the summary sheet in front and with the schedules of assets appearing first, followed by the schedules of liabilities.

This structure corresponds to the customary pattern by which trustees and creditors review these documents and to the format of the accounting profession for balance sheets.

The schedules require a complete listing of assets and liabilities but leave many of the details to investigation by the trustee. Instructions in the former schedules to provide details concerning "written instruments" relating to the debtor's property or debts have been deleted. Section 521(3) of the Code requires the debtor to cooperate with the trustee, who can administer the estate more effectively by requesting any documents from the debtor rather than relying on descriptions in the schedules which may prove to be inaccurate.

Leasehold interests in both real and personal property are to be reported in Schedule G - Executory Contracts and Unexpired Leases. This information should not be repeated in the schedules of assets.

Generally in these schedules, a creditor's claim will be listed only once, even if the claim is secured only in part, or is entitled only in part to priority under § 507(a) of the Code, with the remainder of the claim to be treated as a general unsecured claim. For example, a partially secured creditor whose claim is reported in Schedule D - Creditors Holding Secured Claims will be listed together with the value of the property securing the claim and a notation of the amount of any unsecured portion of the claim. Information concerning the unsecured portion should not be repeated in Schedule F - Creditors Holding Nonpriority Unsecured Claims. Any resulting overstatement of the amounts owed on secured and priority claims as reported on the summary sheet is offset by a corresponding understatement of the amount owed on unsecured claims.

If a debtor has no property or no creditors in a particular category, an affirmative statement to that effect is required. Married debtors should indicate whether property is jointly or separately owned and whether spouses are jointly or separately liable for debts, using the columns provided in the schedules.

Former "Schedule B-3. Property not otherwise scheduled," has been deleted and its two questions moved. Schedule B - Personal Property now includes at item 33, "Other personal

property of any kind not already listed." The only other question on former Schedule B-3 concerned assignments for the benefit of creditors; it has been moved to the Statement of Financial Affairs.

Schedule A - Real Property. Instructions at the top of the form indicate the scope of the interests in property to be reported on the schedule. Leasehold interests of the debtor are not reported here but on the Schedule of Executory Contracts and Unexpired Leases. The trustee will request copies of deeds or other instruments necessary to the administration of the estate.

Schedule B - Personal Property. This schedule is to be used for reporting all of the debtor's interests in personal property except leases and executory contracts, which are to be listed on the Schedule of Executory Contracts and Unexpired Leases. Several new categories of property have been added to the schedule, *i.e.*, aircraft, and interests in IRA, ERISA, Keogh, or other pension or profit-sharing plans. To minimize the potential for concealment of assets, the debtor must declare whether the debtor has any property in each category on the schedule. The trustee can request copies of any documents concerning the debtor's property necessary to the administration of the estate.

Schedule C - Property Claimed as Exempt. The form of the schedule has been modified to eliminate duplication of information provided elsewhere. The location of property, for example, which formerly was required here, is disclosed in the schedules of real and personal property. The requirement that the debtor state the present use of the property also has been eliminated as best left to inquiry by the trustee. Exemptions in some states are granted by constitutional provisions; accordingly, the requirement that

the debtor state the "statute" creating an exemption has been changed to request a statement of the relevant "law."

This schedule adds a new requirement that the debtor state the market value of the property in addition to the amount claimed as exempt.

Schedule D - Creditors Holding Secured Claims. Schedules D, E, and F have been redesigned with address boxes sized to match the number of characters which can be accommodated on the computerized noticing systems used by the courts. The size also closely approximates that of standard mailing labels. Space is designated at the top of the box for the debtor's account number with the creditor. The design of the form is intended to reduce the volume of misdirected creditor mail.

The form requires the debtor to state affirmatively that a claim is disputed, unliquidated, or contingent. The existence of any type of codebtor is to be disclosed, but details are to be provided in Schedule H, as they are not needed here. Duplication of information also has been kept to a minimum by deleting requests that the debtor indicate on this schedule whether a debt has been reduced to judgment and the date on which a creditor repossessed any collateral. Requests for details concerning negotiable instruments and the consideration for a claim, formerly part of the schedule, are left to the trustee's inquiries.

Schedule E - Creditors Holding Unsecured Priority Claims. The schedule lists all of the types of claims entitled to priority and requires the debtor to indicate the existence of claims in each category. Continuation sheets are provided. The type of priority claim is to be noted at the top of the continuation sheet, and each type must be reported on a separate sheet. This schedule also requires the debtor to indicate the existence of any codebtors. As in Schedule D - Creditors Holding Secured Claims, requests for information concerning judgments and negotiable instruments have been deleted.

Schedule F - Creditors Holding Unsecured Nonpriority Claims. This schedule has been revised generally in conformity with the other schedules of creditors. If a claim is subject to setoff, the debtor is required to so state.

Schedule G - Executory Contracts and Unexpired Leases. Rule 1007(b) requires the debtor to file a schedule of executory contracts and unexpired leases, unless the court orders otherwise. All unexpired leases of either real or personal property are to be reported on this schedule. The schedule also requires the debtor to disclose specific information to assist the trustee in identifying leases which must be assumed within 60 days after the order for relief or be deemed rejected under § 365(d) of the Code.

Schedule H - Schedule of Codebtors. This schedule is designed to provide the trustee and creditors with information about codebtors of all types other than spouses in joint cases. The completed schedule provides information concerning non-debtor parties, such as guarantors and non-debtor spouses having an interest in property as tenants by the entirety. In chapter 12 and chapter 13 cases, the completed schedule also indicates those persons who may be entitled to certain protections from creditor action under §§ 1201 and 1301 of the Code.

Schedule I - Schedule of Current Income of Individual Debtor(s) and Schedule J - Schedule of Current Expenditures of Individual Debtor(s). Former Official Form No. 6A has been divided into a schedule of current income and a separate schedule of current expenditures. The language is substantially the same as in former Official Form No. 6A. In light of the abrogation of Official Form No. 10, the Chapter 13 Statement, style changes have been made so that these schedules can be used by individual and joint debtors in all chapters.
