

eMPEP Public

User Manual

For users of assistive technology, additional information about visual elements within the presentation is provided in the notes section.

eMPEP Home Page Layout

The screenshot shows the eMPEP home page with several callout boxes and arrows pointing to specific elements:

- Content**: Points to the "MPEP" checkbox in the navigation bar.
- Search Field**: Points to the search input field in the navigation bar.
- MPEP contents Tab**: Points to the hamburger menu icon in the left sidebar.
- Table of Contents (TOC)**: Points to the list of TOC items in the left sidebar.
- Collapse/Expand TOC**: Points to the left arrow icon in the left sidebar.
- Document Viewer**: Points to the main content area of the page.

The navigation bar includes the USPTO logo, the text "MPEP Manual of Patent Examining Procedure Eighth Edition Revision 8: July 2010", a search field, and checkboxes for "MPEP", "Index", and "FPs". The left sidebar contains a hamburger menu, search results, search history, and a TOC list. The main content area displays the "Title Page" of the manual, including a foreword and introductory text.

MPEP Contents tab 

- Ensure that the MPEP box is checked.
- Click a specific chapter/subsection, to view that chapter/subsection.
- Click the triangle bullet to expand the list of corresponding subsections.

Browse (continued)

The screenshot shows a document viewer window. At the top left, there is a right-pointing arrow button. At the top right, there are buttons for font size adjustment (A with up and down arrows) and a print icon. Below the window title bar, there is a breadcrumb trail: a left-pointing arrow followed by '202', then '>' followed by '0200', '>' followed by '202', and '>' followed by '202.02'. On the far right of this trail is a right-pointing arrow followed by '202.03'. The main content area displays the heading '202.02 Notation in File History Regarding Prior U.S. Applications, Including Provisional Applications [R-3]' in blue text. Below the heading is a paragraph of text: 'For Image File Wrapper (IFW) processing, see the IFW Manual. ** > The front page of a printed patent identifies all prior applications for which benefits are claimed under 35 U.S.C. 119(e), 120, 121, or 365(c) in continuation-in-part, continuation, divisional, substitute, and reissue applications. Therefore, the identifying data of all prior applications for which benefits are claimed should be reviewed by the examiner to ensure that the data is accurate and provided in either the first sentence(s) of the specification or in an application data sheet. See 37 CFR 1.78(a) and MPEP § 201.11. For example, the reference to a prior nonprovisional application must include the appropriate relationship (e.g., continuation, divisional, or continuation-in-part) between the nonprovisional applications. <

Document Viewer buttons:

- Collapse/expand the Table of Contents to change the size of the Document Viewer.

- Increase or decrease font size.

- Print the content.

- Access preceding and subsequent sections and/or chapters.

Print A Chapter or Section

The screenshot shows a document viewer window with a navigation bar at the top. The navigation bar includes a back arrow, a search icon, and a print icon (a printer symbol) which is highlighted with a red square. Below the navigation bar, the breadcrumb path is displayed as "0200 > 202 > 202.02". The main content area displays the title "202.02 Notation in File History Regarding Prior U.S. Applications, Including Provisional Applications [R-3]" in blue text. Below the title, there is a paragraph of text explaining the requirements for Image File Wrapper (IFW) processing, including references to 35 U.S.C. 119(e), 120, 121, 365(c), 37 CFR 1.78(a), and MPEP § 201.11.

To print the entire chapter or section:

1. View the desired chapter or section within the Document Viewer. Within eMPEP the print icon  will appear.
2. Click this **print icon** to print the entire chapter or section accessed within the Document Viewer.

Print a Screen Shot

The following three print methods will only print the content that is being displayed within the TOC and Document Viewer:

- From the Internet Browser menu, click **File > Print** or **Ctrl+P**.

or

- From the Internet Browser, click the **print icon**.

or

- Within the eMPEP Document Viewer, **right-click** and click **Print**.

Search

- In the **Search** field, enter the search query.

The screenshot shows a search interface with a light blue header. In the top right corner of the header is a 'Help' dropdown menu. Below the header is a search input field containing the text 'double patenting'. To the right of the input field is a magnifying glass icon. Below the input field is a row of three checkboxes: 'MPEP' (checked), 'Index' (unchecked), and 'FPs' (unchecked). To the right of these checkboxes is a dropdown menu labeled 'Operator' with 'ADJ' selected. Red boxes highlight the magnifying glass icon, the checkboxes, and the operator dropdown.

- Click the **Run Search** icon  or press the **Enter** key to invoke the search.
- The search is conducted against the checked areas: MPEP, Index (Subject Matter Index), and/or FPs (Form Paragraphs).
- Searches can use Boolean and Proximity operators.
- ADJ (adjacent) is the default operator, unless changed by the user.
- Terms within quotation marks are searched as entered.

Search Syntax

Boolean Operators

Operator	Example	Meaning
OR	A or B	Term A or term B or both
AND	A and B	Both term A and term B
NOT	A not B	Term A but not term B
XOR	A xor B	Term A or term B but not both

Example: 102 and obviousness

Search Syntax

Proximity Operators

Operator	Example	Meaning
ADJ	A adj B	Term A and term B as a phrase in the specified order
NEAR	A near B	Term A next to term B, in either order
NEAR/n	A near/5 B	Term A within n words of term B, in either order, where $n \leq 99$

ADJ is the default operator.

Example: **final action** is searched as **final adj action**.

Operators are **not** case-sensitive.

Example: **related near patent**

Search Syntax

Wildcard Symbols

Symbol	Meaning
*	Represents zero to n characters in a term
?	Represents one character in a term

Wildcard symbols can be used at the beginning, middle, or end of a term.

Examples:

- ?con* - Retrieves *economic, icon, icons, iconic*
- ?con? - Retrieves *icons*, but not *icon*
- Catalog* - Retrieves *catalog, catalogs, cataloged, catalogue*
- Adv?e - Retrieves *advise, advice*

Search Syntax

Punctuation and Special Characters

Punctuation and special characters:

- Can be included within a search query.
- Are not required.
- May be replaced with a space.

Examples:

- 35 U.S.C. is searched as **35 u.s.c.** or as **35 u s c**
- 102 (e) is searched as **102 (e)** or as **102 e**

Search Query Examples

	Requested Search	Sample Queries		
1	request for continued examination	request for continued examination "request for continued examination" request ADJ for ADJ continued ADJ examination		
2	102 (e)	102 (e)	102 e	"102(e)"
3	six-month	six-month	six month	
4	PCT/RO/101	pct/ro/101	pct ro 101	
5	Comm'r	comm'r	comm r	
6	35 U.S.C. 102	35 u.s.c. 102	35 u s c 102	102
7	WIPO Standard ST.16	st.16	st 16	
8	37 CFR 1.17	1.17	1 17	
9	non-final	non-final or nonfinal	(non final) or nonfinal	

Display of Search Results

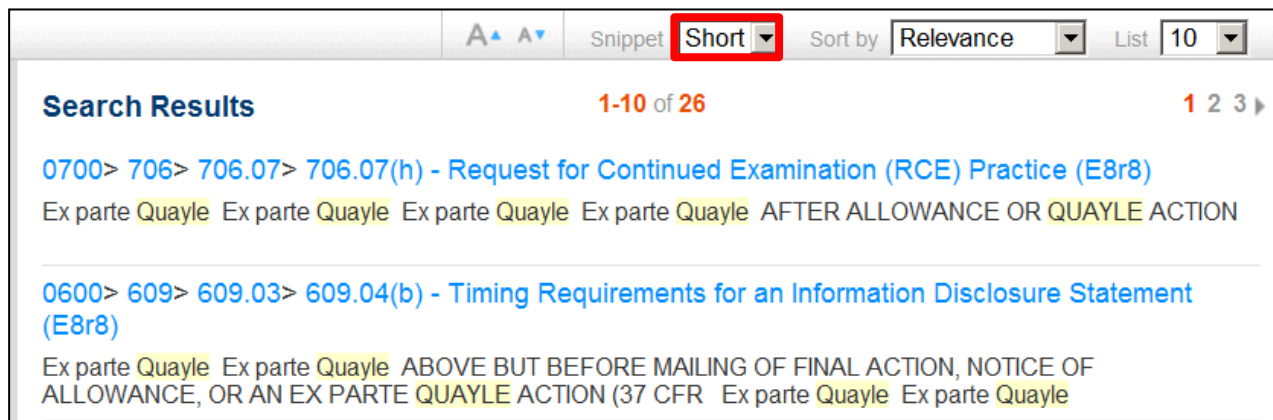

- The TOC is focused on the **Search Results** tab which reflects the sections where the hits were found.
- 10 result sections per page display (default).
- The total number of section hits.
- Denotes the number of result pages and the ability to navigate to a specific result page.

The screenshot displays the MPEP (Manual of Patent Examining Procedure) search results interface. The top navigation bar includes the MPEP logo, the title 'Manual of Patent Examining Procedure Eighth Edition Revision 8: July 2010', a search input field containing 'quayle', and various utility links like 'Switch Version' and 'Help'. Below the navigation bar, there are tabs for 'Search Results' and 'Search History'. The main content area is divided into two columns: a left-hand table of contents (TOC) and a right-hand search results list. The TOC lists sections such as '0200 - Types, Cross-Noting, and Status', '0600 - Parts, Form, and Content of Applications', and '0700 - Examination of Applications', with sub-sections like '201.17 - Incorporation by Reference' and '706.07(h) - Request for Continued Examination (RCE) Practice (E8R8)'. The search results list on the right shows 26 results, with the first few being '0700 > 706 > 706.07 > 706.07(h) - Request for Continued Examination (RCE) Practice (E8R8)', '0600 > 609 > 609.03 > 609.04(b) - Timing Requirements for an Information Disclosure Statement (E8R8)', and '0700 > 714 > 714.14 - Amendments After Allowance of All Claims (E8R8)'. Each result entry includes a brief description and links to the full text. The interface also features a 'Snippet' view, a 'Sort by' dropdown set to 'Relevance', and a 'List' dropdown set to '10'.

Search Results

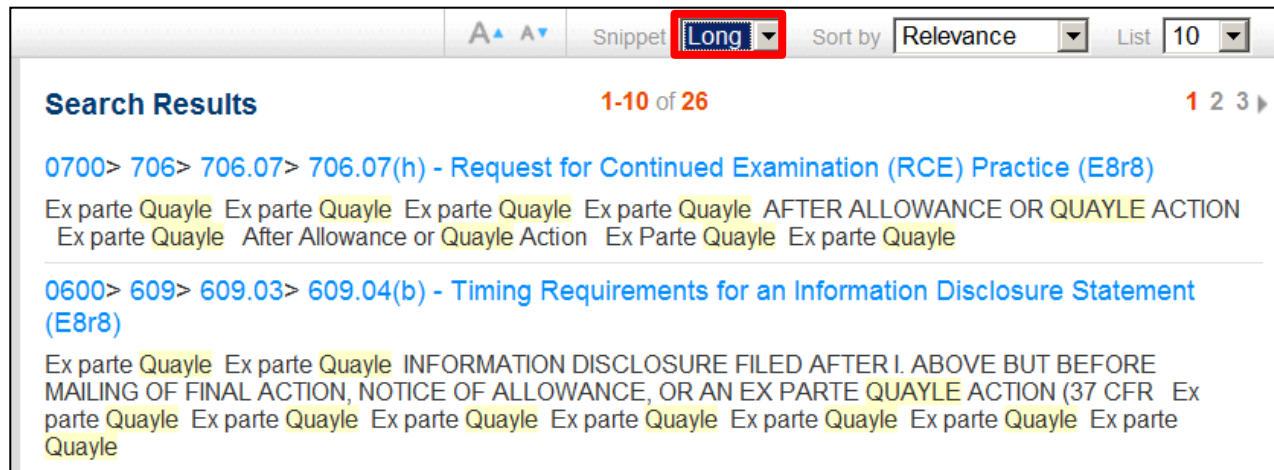

Short or Long Snippet

Short decreases the amount of preview text displayed (the default display).

A screenshot of a search results interface. At the top, there are navigation icons (A, A), a 'Snippet' dropdown menu set to 'Short', a 'Sort by' dropdown set to 'Relevance', and a 'List' dropdown set to '10'. Below this, the text 'Search Results' is followed by '1-10 of 26' and page navigation '1 2 3'. Two search results are shown. The first result is '0700> 706> 706.07> 706.07(h) - Request for Continued Examination (RCE) Practice (E8r8)' with a snippet: 'Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle AFTER ALLOWANCE OR QUAYLE ACTION'. The second result is '0600> 609> 609.03> 609.04(b) - Timing Requirements for an Information Disclosure Statement (E8r8)' with a snippet: 'Ex parte Quayle Ex parte Quayle ABOVE BUT BEFORE MAILING OF FINAL ACTION, NOTICE OF ALLOWANCE, OR AN EX PARTE QUAYLE ACTION (37 CFR Ex parte Quayle Ex parte Quayle'.

Long Increases the amount of preview text displayed.

A screenshot of a search results interface, similar to the one above but with the 'Snippet' dropdown menu set to 'Long'. The 'Search Results' section shows '1-10 of 26' and page navigation '1 2 3'. The two search results are the same as in the first screenshot. The first result's snippet is: 'Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle AFTER ALLOWANCE OR QUAYLE ACTION Ex parte Quayle After Allowance or Quayle Action Ex Parte Quayle Ex parte Quayle'. The second result's snippet is: 'Ex parte Quayle Ex parte Quayle INFORMATION DISCLOSURE FILED AFTER I. ABOVE BUT BEFORE MAILING OF FINAL ACTION, NOTICE OF ALLOWANCE, OR AN EX PARTE QUAYLE ACTION (37 CFR Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle Ex parte Quayle'.

Search Results Sorted

The screenshot shows a search results interface. At the top, there are controls for font size (A+ A-), snippet length (Snippet Long), sort order (Sort by Relevance), and list size (List 10). A dropdown menu is open under 'Sort by', showing 'Relevance' selected and 'Section order' as an alternative. Below the controls, the search results are displayed. The first result is for '706.07(h) - Request for Continued Examination (RCE) Practice (E8r8)' and the second is for '609.04(b) - Timing Requirements for an Information Disclosure Statement (E8r8)'. Both results show snippets of text with 'Ex parte Quayle' highlighted in yellow. The results are sorted in descending order of relevance, with the first result having more hits in a section than the second.

- When a search query is invoked, the TOC will automatically focus on the **Search Results** tab.
- Click a TOC link to directly view that section which contains the highlighted hit terms.

Navigate to the Next Hit Term

The screenshot shows a search results interface. At the top, there are navigation icons (back, forward, search) and a search bar containing "Search Results". To the right of the search bar, there is a "Highlights" checkbox and a "Search Hits 1 of 4" indicator with up and down arrow buttons. Below the search bar, there are navigation links: "714.13", "0700 > 714 > 714.14", and "714.15". The main content area displays a section titled "714.14 Amendments After Allowance of All Claims [R-3]". The text under this section discusses the decision in *Ex parte Quayle* and mentions MPEP sections 714.12, 714.13, 714.20, and 607. A pink highlight is placed over the word "Quayle" in the first paragraph. At the bottom of the page, there is a section titled "7.51 Quayle Action" with a pink highlight over the word "Quayle".

- In **Search Hits # of #**, click the **down** or **up arrow** to navigate forward or backward between each individual word in the search query.
- The pink highlight denotes the cursor location.
- **Search Hits # of #** is only viewable when a section is displayed.

Access and Invoke Search History Queries

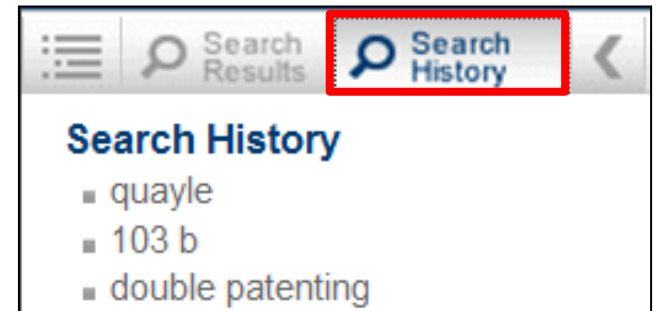

To access a search query from the current session:

1. In the TOC, click the **Search History** tab.

The list of **Search History** queries automatically displays.

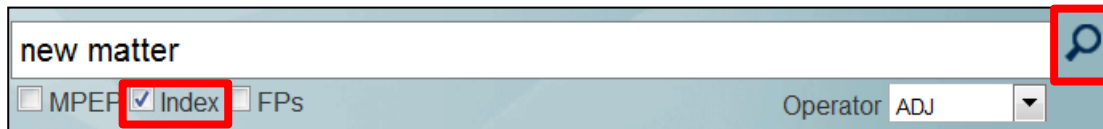

2. Click a desired search query.

This search query will be invoked automatically and the associated search results will display.

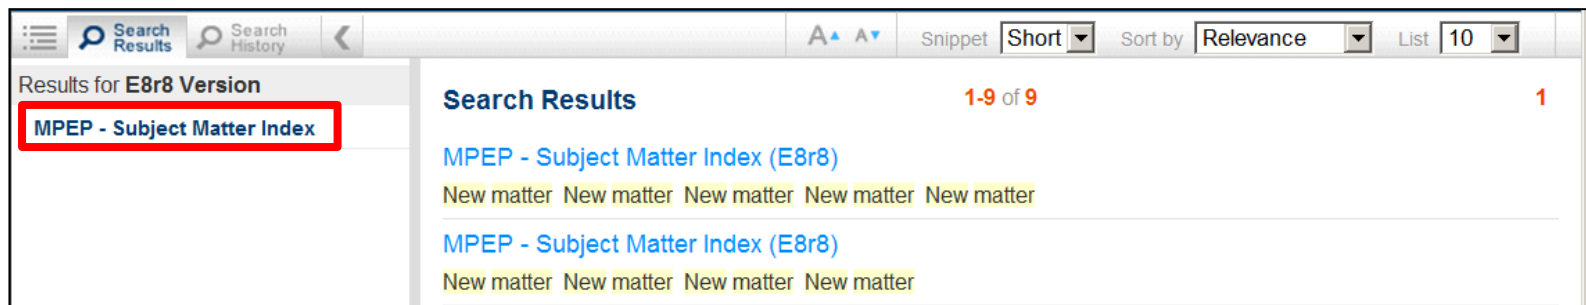

Search the Subject Matter Index

- In the Search field, enter the search query.

A search interface with a text input field containing "new matter". To the right of the input is a magnifying glass icon. Below the input are three checkboxes: "MPEP" (unchecked), "Index" (checked), and "FPs" (unchecked). To the right of these checkboxes is a dropdown menu labeled "Operator" with "ADJ" selected.

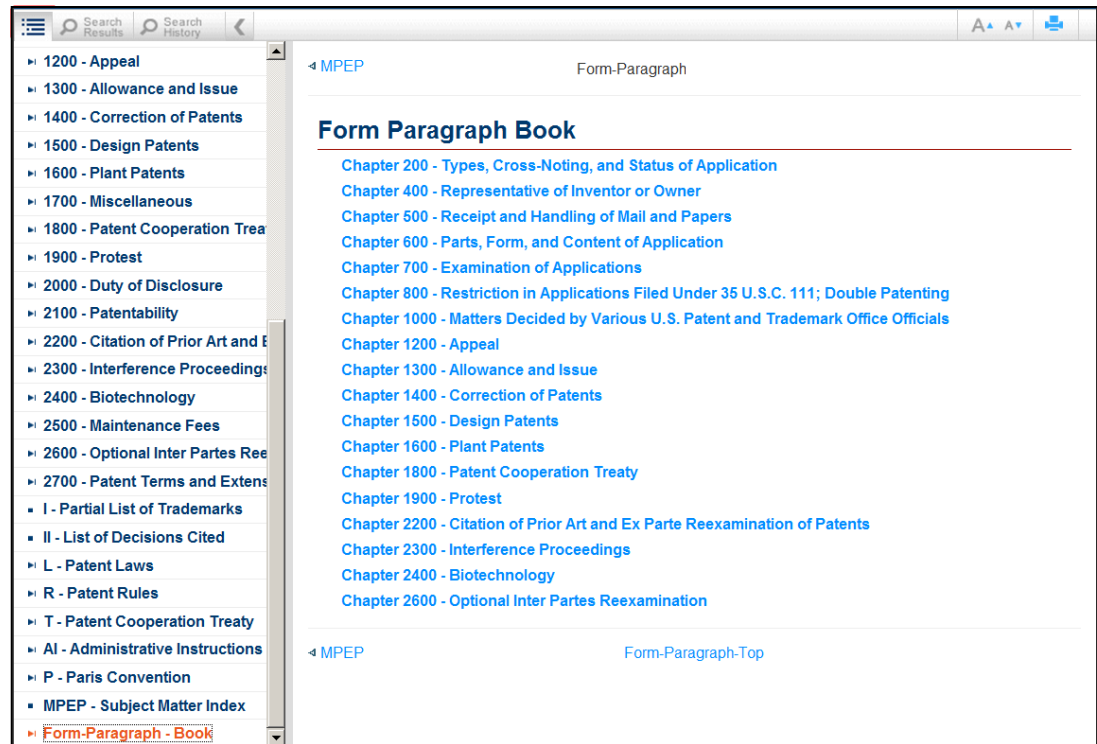

- Ensure that at least the **Index** box is checked.
- Click the **Run Search** icon  or press the **Enter** key to invoke the search.
- The search results are displayed within the **Search Results** document viewer highlighting the search term(s).

A screenshot of a search results page. The top navigation bar includes "Search Results", "Search History", and a magnifying glass icon. On the right, there are controls for "Snippet" (set to "Short"), "Sort by" (set to "Relevance"), and "List" (set to "10"). The main content area shows "Results for E8r8 Version" on the left and "Search Results" on the right. The "Search Results" section displays "1-9 of 9" and a red "1" in the top right corner. The first result is "MPEP - Subject Matter Index (E8r8)", which is highlighted in a red box. Below it, the text "New matter New matter New matter New matter New matter" is displayed. The second result is also "MPEP - Subject Matter Index (E8r8)", followed by "New matter New matter New matter New matter".

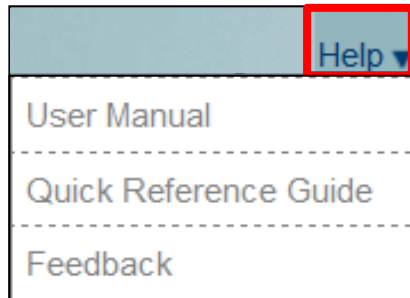

Access the Form Paragraph - Book

- The official Form Paragraph Manual is a separate manual from the MPEP and is located at the end of the TOC as the **Form Paragraph Book**.
- The Form Paragraph Book comprises the text of the Form Paragraphs (FPs) by chapter.
