Mr. Paul W. Dailey  
Weather Service Office  
Greater Cincinnati Airport  
Cincinnati, Ohio 45275

Dear Paul,

Enclosed herewith is a copy of the tornado paths which I sent to Dr. Epstein at the end of last week. We are, however, still revising the paths based on anything available. The final map will be printed in six colors approximately in this scale.

Thank you for your assistance.

Sincerely yours,

T. Theodore Fujita  
Professor of Meteorology
