

Wind Damage in Lagrange - 06/04/04

Strong to severe thunderstorms occurred over east central Florida during the afternoon as a large boundary moved south into the area and teamed with the sea breeze. Near where these boundaries intersected, a severe thunderstorm produced damage in Lagrange, FL (near Titusville). Damage was experienced to several mobile homes, along with nickel sized hail. No injuries were reported. A Severe Thunderstorm Warning was issued at 346 pm. The damage occurred at about 410 pm.
