<sup>1</sup> The Budget Control Act of 2011 (P.L. 112-25) specifies a small increase in the origination fee charged to students and parents for new Direct Student Loans made after the sequester order. This would result in a greater estimated negative subsidy to the Federal Government. The Direct Loan 2013 loan subsidy reflects the estimated 2013 baseline amount from the Mid-Session Review of the 2013 Budget, including enacted legislation from P.L. 112-141.

<sup>2</sup> The FY 2013 amounts reflect the estimate from the FY 2013 President's Budget.

NOTE: Appropriation totals reflect the total funds provided in the year of appropriation, including advance appropriation amounts that do not become available until the succeeding fiscal year. The total budget authority reflects funds that become available in the fiscal year shown, which includes new amounts provided for that fiscal year and amounts advanced from the prior year's appropriation.

<sup>1</sup> The Budget Control Act of 2011 (P.L. 112-25) specifies a small increase in the origination fee charged to students and parents for new Direct Student Loans made after the sequester order. This would result in a greater estimated negative subsidy to the Federal Government. The Direct Loan 2013 loan subsidy reflects the estimated 2013 baseline amount from the Mid-Session Review of the 2013 Budget, including enacted legislation from P.L. 112-141.
