

# CoCoRaHS

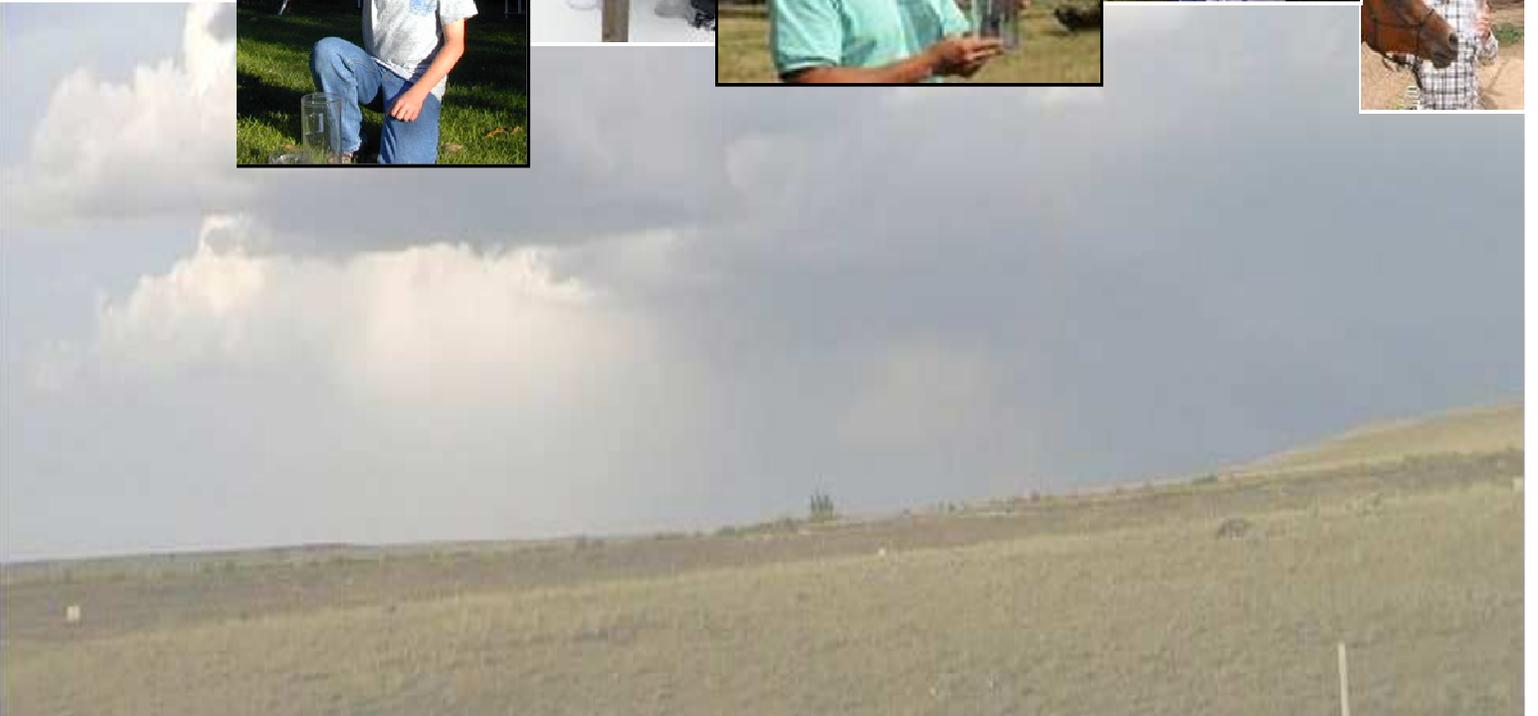

*"BECAUSE EVERY DROP COUNTS"*

CoCoRaHS is a dense national network of rain and snow measurements...

Date ~	Time	Station Number	Station Name	Total Precip. in	New Snow in	Total Snow in	State	County	View
9/24/2006	12:00 AM	IN-CK-9	Charlestown 1.5 ENE	2.66	0.0	NA	IN	Clark	<a href="#">View</a>

...taken by trained volunteers...

# CoCoRAHS

COMMUNITY COLLABORATIVE RAIN, HAIL, AND SNOW NETWORK

**W** Rainfall and snowfall amounts can vary greatly over short distances. The  
**H** current network of weather observing sites is good, but still leaves many  
**Y** holes. **CoCoRaHS fills those holes with high quality precipitation infor-**  
**? mation.**
