

IDAHO TRANSPORTATION DEPARTMENT

TERM AGREEMENT REQUEST FOR QUALIFICATIONS

The Idaho Transportation Department (ITD) maintains a list of consultants pre-qualified to perform various professional services on an on-call basis. This list is used Department-wide, as well as by many local agencies, to select consultants. Typical services range from specific work tasks (as a portion of a project) up to small projects. The period of the Term Agreement is for two years, with opportunity for a one-time extension.

All currently scheduled highway projects are listed on the Idaho Transportation Investment Program (ITIP).

NOTE: In order to work as a subconsultant on a Work Task under the Term Agreement, the subconsultant must be on the Term Agreement for the category of service they will be providing as a subconsultant.

To submit your qualifications for the Term Agreement, download the Request for Qualifications (RFQ) and Category of Service definitions from this web site. A hard copy can be requested by sending an e-mail to ConsultantAdminUnit@itd.idaho.gov, or by calling (208) 334-8456.

Proposals will be accepted on a continuing basis, thus there is no deadline for submitting proposals. The typical time frame to obtain approval is four to six weeks from the date a proposal is submitted.

TERM AGREEMENT EXTENSION

If your firm is currently on the Term Agreement List, you may be eligible for a one-time extension of the agreement. Download the Term Agreement Extension Request form from this web site. Requests for extension must be received within thirty (30) days of expiration of the two-year Term Agreement. For example, if your Term Agreement expires on May 1st, then your extension request is due by May 30th. If not received within the 30-day period, a full proposal will be required.

If approved, the extension period will be for two years, with a new dollar limit. Thereafter a new qualifications package must be submitted for a new agreement.

Term agreement extensions will be made upon request if key personnel have not changed. If key personnel listed on the original qualifications proposal are no longer with the firm, new key personnel must be identified and additional documentation will be required as follows:

- Identification of New Personnel
- Idaho Professional Registration, if applicable
- Past three (3) years' experience
- Description of qualifications as pertains to the service category
- Three (3) references

That documentation will be reviewed for acceptance prior to the agreement being extended.
