General Legislation:

HB 2058: library; historic names; establishment:

Summary: Establishes the Arizona State Library, Archives and Public Records in the Office of the Secretary of State, the Board of Library Examiners, the Historical Advisory Commission, the Uniform Laws Commission, and the Arizona Historical Records Advisory Board in the same manner each entity existed in statute prior to being repealed on July 1, 2020. Establishes the State Board on Geographic and Historic Names in the same manner it existed in statute prior to its repeal on July 1, 2020, with the addition of a declaration that it is the public policy of this state that natural or artificial objects, places or things continue to be known by the names they now bear, as determined by the Board, so that the historical record of the state may be protected and preserved. the Arizona State Library, Archives and Public Records, State Board on Geographic and Historic Names, and Board of Library Examiners all terminate on July 1, 2029. Contains an emergency clause.

HB 2249: state lands; leases; renewal applications:

Summary: Requires the Arizona State Land Department (ASLD) to accept lease renewal applications by mail and is allowed to accept renewal applications electronically. The method by which the renewal application is submitted cannot be a factor in the ASLD's determination of whether to renew the lease. A lessee of state lands has a preferred right to renewal for a term of no more than 10 years if they are an Arizona resident or legally authorized to transact business in the state. Session law requires the State Land Commissioner and the Director of Water Resources to consult, use the resources of their respective departments and cooperate to develop a plan to create additional water storage in Arizona that includes preliminarily investigating acceptable sites to construct new water storage facilities on state trust land and identifying at least six of the most potentially acceptable sites. The Commissioner and the Director are required to submit a report of findings and recommendations to the Governor and the Legislature by December 31, 2021. Water storage plan requirements self-repeal January 1, 2024.

SB 1066: state agencies; technology plans; deadline

Summary: Requires budget units to submit information technology plans to the Arizona Department of Administration (ADOA) each year on or before May 15, rather than September. Stipulates that legislative and judicial departments of state government must submit information technology plans on or before September 1. A budget unit is defined as a department, commission, board, institution or other agency of the state receiving, expending or disbursing state funds or incurring obligations of the state.
