**Pageant Park Seasonal Camping Rate Increase Notice
2024 Season**

September 26, 2023

Dear Camper,

As you may know, in 2018 the Seasonal Camping fee increased from \$1,500.00 to \$1,800.00. The increase was intended to cover all seasonal camping costs associated with Pageant Park. After carefully reviewing the finances, we have determined that the rate increase has not been adequate to cover these costs, therefore the Seasonal Camping fee for the upcoming 2024 season will increase from \$1,800.00 to \$2,000.00.

In addition, we will be returning to individual campsite electric metering. Campers requiring electric service will need to submit an Application for Electric Service (included with this letter) to the Barton Village Electric Department and pay a deposit of \$100.00. This deposit will be returned to you at the end of the season if your electric account is in good standing and there is no balance due. Water and sewer will continue to be included in the Seasonal Camping fee.

We thank you for your understanding and look forward to a successful 2024 season. If you have any questions or concerns, please feel free to reach out to me or the Barton Village Office staff at 802-525-4747 or businessmanager@bartonvt.com.

Sincerely,

Vera LaPorte
Business Manager
