

Southeast Corridor Track Repair 48 Hour Update

SE Corridor Track Repair Update

Date:	6.20.2024	Reported by:	Brian Farris
Time (military):	1630	Job Title:	General Superintendent, Infrastructure MOW

Work completed in the last 48 hours:

This report covers Wednesday 6/19/24 and Thursday 6/20/24.

In the last 48 hours the Maintenance of Way (MOW) department has successfully hauled the required rail from the Bayaud yard to track segment #51, Belleview to Orchard Station, without incident. This rail was installed June 20, 2024, on the B-track between the 11:00 p.m. to 5:00 a.m. work window. The speed restriction has been removed on the B-track between Belleview and Orchard. Rail replacement will continue on A-track in segment #51 on 6/21.
