

## Southeast Corridor Track Repair 48 Hour Update

### SE Corridor Track Repair Update

<b>Date:</b>	6.30.2024	<b>Reported by:</b>	Brian Farris
<b>Time (military):</b>	1440	<b>Job Title:</b>	General Superintendent, Infrastructure MOW

**Work completed in the last 48 hours:**

This report covers Saturday 6/29/24 and Saturday 6/30/24.

In the last 48 hours the Maintenance of Way (MOW) had short work windows and limited people power due to the weekend and a concert Friday night. MOW prepped five 39' sticks of rail for transport to segment #52 Orchard to Arapahoe. A few rail head defects were ground in the same area as well. These rail defects were worked during the 11:00 p.m. to 5:00 a.m. work window. Rail replacement will continue on 7/1/24-7/2/2024 in segment #52, Orchard to Arapahoe.
