

Southeast Corridor Track Repair Weekly Update

SE Corridor Track Repair Update

Date:	7.3.2024	Reported by:	Brian Farris
Time (military):	0820	Job Title:	General Superintendent, Infrastructure MOW

Work completed in the last 48 hours:

This report covers Monday 7/1/24-Wednesday 7/3/24.

In the last 72 hours, the Maintenance of Way (MOW) team distributed 195" of rail and installed 216' of rail in segment #52 Orchard and Arapahoe and segment #53 Arapahoe to Dry Creek. A few rail head defects were ground as well. The speed restriction on the inbound track in segment #53 Arapahoe to Dry Creek was removed. These rail defects were worked during the 11:00 p.m. to 5:00 a.m. work window. Rail replacement will continue on 7/5 as there will be minimal work performed tonight due to the 4th of July holiday.
