COMMENT SOUGHT ON PETITION BY COMMUNICATION SERVICE FOR THE DEAF ON TRS FUND SUPPORT FOR DIRECT VIDEO CALLING

CG Docket Nos. 10-51 and 03-123

Comments Due: June 5, 2023

Reply Comments Due: June 20, 2023

The Consumer and Governmental Affairs Bureau (Bureau) of the Federal Communications Commission (Commission) seeks comment on a petition by Communication Service for the Deaf (CSD) requesting a declaratory ruling that direct video calling service (DVC) is eligible for Telecommunications Relay Services (TRS) Fund support.¹ The petition states that DVC “is a modern broadband technology that enables the most accurate, private, and efficient video communications in real-time between American Sign Language (ASL) users who are deaf, hard of hearing, deafblind or have speech disabilities and customer service representatives in business and government call centers.”²

In addition, CSD recommends that if a further rulemaking on DVC is necessary, the Commission could consider adopting minimum standards for DVC, resolving call transfer issues between DVC and video relay service,³ supporting DVC from both interstate and intrastate revenues of TRS Fund contributors,⁴ and allowing use of DVC without first registering for TRS.⁵

Filing Requirements. Interested parties may file comments on or before the dates indicated above.⁶ All filings must reference CG Docket Nos. 10-51 and 03-123. Comments may be filed using the Commission’s Electronic Comment Filing System (ECFS).⁷
