THE VA'S NON-PAID WORK EXPERIENCE (NPWE) PROGRAM.

The Department of Veterans Affairs (VA) Non-Paid Work Experience (NPWE) program provides eligible Veterans and Service members actively participating in the VA's Veterans Readiness & Employment (VR&E) program, the opportunity to obtain training and practical job experience concurrently. This program is ideal for Veterans or Service members who have a clearly established career goal, and who learn easily in a hands-on environment.

This program is also well suited to Veterans or Service members who are having difficulties obtaining employment due to lack of work experience. NPWE programs may be established in federal, state, or local (e.g. city, town, school district) government agencies only. The employer may hire the Veteran or Service member at any point during the NPWE.
