

Description

Hawaii's Comprehensive System of Personnel Development (CSPD) is collecting information on preservice programs available through Hawaii's institutes of higher education (IHEs) related to practitioners who work with children, birth age five. The CSPD's mission is to create an integrated personnel system that will result in a collaborative, knowledgeable and highly qualified workforce providing culturally and linguistically-responsive early learning services to keiki, birth to five with, special needs and their ohana. Please take 5-10 minutes to complete the following survey to share information about preservice opportunities your institution offers. Mahalo!

1. What institution do you work for?

2. What is your current role? (select all that apply)	
Faculty in a higher education pre-licensure program	
Program director or program coordinator	
Other (please specify)

More information on them can be found at

 $\underline{https://exceptionalchildren.org/standards/initial-practice-based-standards-early-interventionists-early-interventionists-early-independent control of the property of the$

10. How would you describe your knowledge of the EI/ECSE Personnel Standards?	
No knowledge	
I have heard of them, but cannot specifically name them	
I have heard of them and can name them	
I have heard of them and can define them	

11. Please provide a best estimate of the number of contact hours v	vithin your program (i.e. instructional time
in early childhood credit hours) dedicated to each of the EI/ECSE P	<u>ersonnel Standards.</u>
Child Development and Learning	
]
]
Partnering with Families	1
Collaboration and Teaming	
]
Assessment Processes	1
Application of Curriculum Frameworks in the Planning and Facilitation of	
Meaningful Learning Experience	1
Using Responsive and Reciprocal Interactions, Interventions, and Instruction	
Professionalism and Ethical Practice	1
EI/ECSE Field and Clinical Experience	•

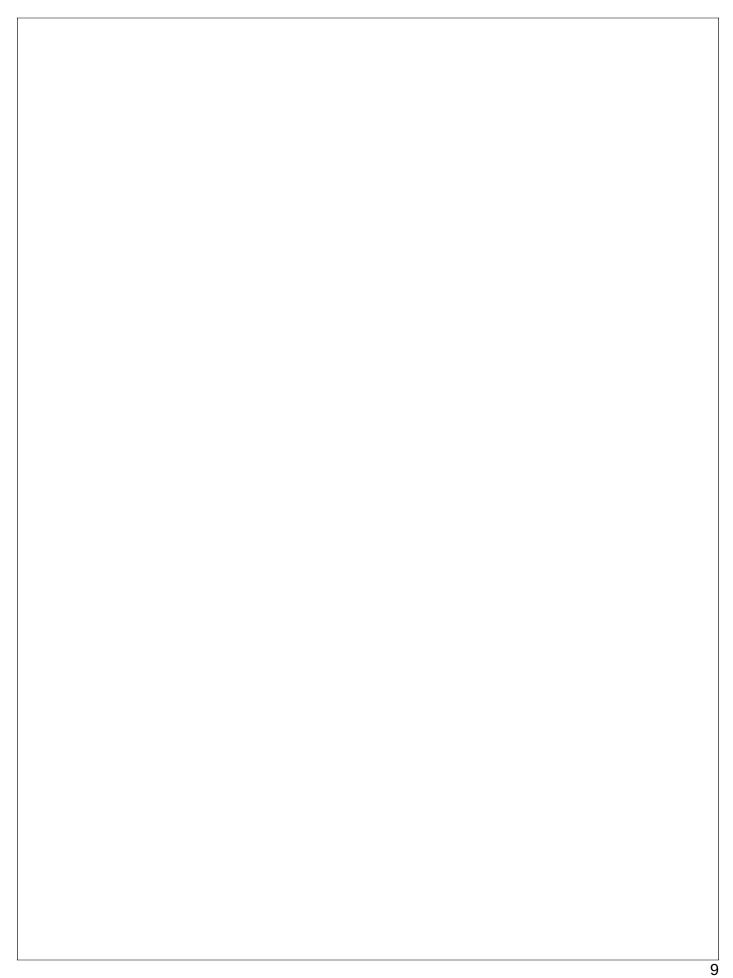

12. Using the <u>Bloom's Taxonomy rating scale</u> below, please provide a rating level to which students are assessed in each of the <u>EI/ECSE Personnel Standards</u>

	Remember/Recall	Understand	Apply	Analyze	Evaluate	Create
Child Development and Learning				0	\bigcirc	0
Partnering with Families						
Collaboration and Teaming			\circ	0	0	0
Assessment Processes						
Application of Curriculum Frameworks in the Planning and Facilitation of Meaningful Learning Experience			0		0	0
Using Responsive and Reciprocal Interactions, Interventions, and Instruction	\bigcirc	\bigcirc	\bigcirc	\bigcirc	\circ	\bigcirc
Professionalism and Ethical Practice and Reciprocal Interactions, Interventions, and Instruction	0		0	0	0	0
EI/ECSE Field and Clinical Experience	\circ				\bigcirc	0

13. To what extent do your courses and curricula incorporate the following evidenced-based adult learning practices and instructional methods.

	Seldom or Never	Occasionally	Often	Always
Instuctors provide explicit explanations of the topic/content/practice to be learned.				
Instuctors provide illustrations to show the topic/content/practice in the settings where it could be implemented.				
Learners are provided active and authentic opportunities to learn the topic/content/practice in settings where it would be implemented.			0	
Instructors provide guidance and performance feedback on the implementation of the topic/content/practice.				
Learners are provided opportunities to practice and discuss with others how the practice/topic/concept works.		0	0	
Instructors plan for ongoing guidance and reflection for generalization and maintenance of the practice/topic/concept.			0
