- **What are the official virtual hours?**

Thursday, March 18, 2021 from	5:30 p.m. – 8:15 p.m.
Friday, March 19, 2021 from	10:00 a.m. – 4:40 p.m.
Saturday, March 20, 2021 from	10:00 a.m. – 1:15 p.m.
- **What time zone will the virtual event take place?**

The MFP Virtual Intensive Winter Institute will take place within the Eastern Daylight Time Zone (EDT).
- **What virtual platform is being used for this event?**

The event is being hosted on the Ugo and using the Zoom platform with some sessions. All registrants will receive event access information on Thursday, March 18, 2021, the first day of the event.
- **How do I access the event?**

You will receive event access information on Thursday, afternoon, March 18, 2021, the first day of the event. An email with a “link” will be sent to your email address. You will need to log-in with the email and password you used to register for the event. If someone registered for you, or you do not remember your password, you can reset your password on the event website.
- **What internet browser is best to view the virtual event?**

We recommend using Google Chrome or Mozilla Firefox for both Windows and MAC.
- **What internet capacity is recommended?**

You should have a strong broadband connection with a speed of at least 1.4 Mbps. If your connection is slower, load times may take longer than normal. Other helpful tips: Connect to the Internet using a cable network rather than using a wireless network. Disconnect from VPN or corporate networks (if possible). Close any unnecessary applications.
- **Check your operating system in advance.**

We suggest you check your computer operating system on the computer you will use on March 18 -20, prior to March 18. You can check by clicking the following link – <https://events.ugovirtual.com/event/ANCCVirtual/system-check>

- **Can I access the MFP Virtual Intensive Winter Institute on my tablet or smartphone?**

Yes, you will be able to access the virtual event through any web-enabled device, including a smartphone, tablet, laptop, or desk computer. **Note: you can only be logged into one device on the platform at a time. Recommend checking / testing the specific device in advance.** To do so, follow the system check instructions above for the link.

- **What is the best way to maximize my screen for a better viewing experience?**

We recommend zooming out on your browser setting. The default zoom setting (100%) does not always allow you to view all graphic elements of the virtual event. We recommend adjusting to 80% or 90% after you log on to the event platform.

- **I am having technical difficulties, how I can receive assistance?**

- Log out.
- Clear your browser's cache. For less technical users, this link will help guide you through the process
<https://www.refreshyourcache.com/en/home>.
- Make sure you are logging in using Google Chrome or Mozilla Firefox
