

# GAINSBOROUGH FARM

VERSAILLES, KENTUCKY

**FRIDAY, SEPT. 20 AT 2PM & SUNDAY, SEPT. 22 AT 10AM**

**WHAT YOU'LL SEE** Mares & Foals, you may get hands-on!

**BEST FOR** All Ages + Kid-Friendly, curious, casual, and committed fans welcome

**ON THE TOUR** This is a shuttle tour, but you will be walking & standing during the tour too

Best for guests who want to cruise through a beautiful farm while learning about breeding and raising young Thoroughbreds, not just in Kentucky but around the world.

Gainsborough Farm is a nursery division of Godolphin, the international thoroughbred breeding and racing operation founded by HH Sheikh Mohammed bin Rashid Al Maktoum, Ruler of Dubai.

To begin the tour, you will learn about the history of Gainsborough Farm as well as the global scope of HH Sheikh Mohammed's international thoroughbred operations. From there you will climb aboard an electric shuttle for a scenic drive through the farm with stops along the way to meet our broodmares and learn about their racing and breeding careers. These mares love to pose for photos and meet new people! Depending on the time of year, you will also get to meet new foals, weanlings, and/or yearlings.

Among the mares that guests may see on a visit to Gainsborough Farm are Breeders' Cup champions ROUND POND and ASHADO, as well as DANCE CARD (dam of Cody's Wish), DELIGHTFUL QUALITY (dam of Essential Quality) and VELVETY (dam of Maxfield). This is a wonderful opportunity for guests who want to meet superstar mares!

# HAGYARD EQUINE MEDICAL INSTITUTE

LEXINGTON, KENTUCKY

**FRIDAY, SEPT. 20 AT 2PM & SUNDAY, SEPT. 22 AT 10:30AM**

**WHAT YOU'LL SEE** World-Class Equine Veterinary Care

**BEST FOR** Ages 10+

**ON THE TOUR** You will be walking & standing throughout the tour

Best for guests wanting a behind-the-scenes look into equine veterinary medicine, highlighting care & commitment for the horse. A must see for horse lovers!

Regardless of their competitive discipline and lifestyle, all horses deserve the same world-class equine veterinary care. From assistance delivering a foal in the field to the most precise medical attention at the main-campus facility, they have provided the best care possible for nearly 150 years.

Centrally located in the heart of Horse Country, the practices' state-of-the-art facility sits on over 110 acres and is directly across from the Kentucky Horse Park. The walking tour, lasting an hour and a half long, guides you through Hagyard's history and the day-to-day operations of a fully functioning equine hospital including the Davidson Surgery Center and McGee Medicine Center.

Due to the potential graphic and sensitive nature of live surgery and medical procedures, this tour is not suitable for children under the age of 10 years old. This limitation is in place to protect staff, horses and guests. This is a one-mile walking tour of the Hagyard campus. Please wear appropriate footwear for walking long stretches of time. As an operating veterinary hospital. Emergency situations may arise that limit areas of the hospital that can be seen.
