

Join the Combined Federal Campaign Loaned Executive Program

What is a CFC Loaned Executive (LE)?

This program authorizes Federal employees to be loaned on a detail to the Combined Federal Campaign (CFC). Serving as an LE is one of the best professional development programs in the Federal government and a great way to give back to your local community, across the country, and around the world.

Broaden your experience.

Do something outside your normal job description and work with a various Federal agencies throughout your region. By partnering with the Outreach Coordinator (OC), a Federal contractor, you will learn all about fundraising, enabling you to manage complex work and lead and motivate a team while making a positive impact on the world around you.

Tap into your creative side.

The CFC is fun! Where else can you design and implement a game at a work event? You will also be able to influence core training programs, communications efforts, and dynamic campaign engagement events.

Flex your leadership skills.

Motivate and inspire a team of campaign managers and CFC Keyworkers to have a successful CFC. Engage with senior organizational leaders to craft campaign plans, innovate marketing approaches, and monitor campaign progress.
