DEDICATION

This year, we would like to dedicate the Town Report to Miriam Rogers and Charlie Davison. We appreciate all their hard work at the Town Clerk's Office!

Miriam volunteers at the Giving Closet every Wednesday from 9 am to 4 pm. Her cheerful smile and help are so very welcoming. The selfless commitment and efforts of Miriam keeps the flow of the closet in such order that the volunteers and the Town Clerk's Office rely on her. Miriam sorts and organizes that space so that anyone who comes in to "shop" can find whatever they are searching for and others who donate feel welcomed. With it being a valuable part of our solid waste plan, she contributes hours of organizational skills for the benefit of all who utilize the "Closet".

You are familiar with Charlie Davison: he is the smiling young man at the Recycle Center on Saturdays who is first one to jump and help you with your recycling. He is at the Town Clerk's Office bright and early on Wednesdays to take care of our recycling and put it in the trailers. He is also Miriam's right hand man on Wednesday at the Giving Closet, helping with all aspects of the Closet. He will even vacuum and sweep the hall if needed! Charlie will shovel the entrance if we are experiencing a "snow event", always with a smile. His help is invaluable!

These two are quiet individuals that we in the Town Office rely on, and with their help, we are able to do our duties in the office. We thank them and honor Miriam and Charlie!

ODD QUESTIONS THAT COME INTO THE TOWN CLERK'S OFFICE

Can you prove that dogs pee in the lake?

Do you know where the massive rock is that has split in two with a tree growing out of it?

How do I get an injured bat out of an air conditioner? It has missing parts (the bat) and is squeaking.

Do you know a 69 year old woman with blond hair that has lost her tall husband and is on Facebook Dating?

You can vote by absentee ballot or at the polls (in Highland Center for the Arts) on Town Meeting day (March 3, 2020) on the Presidential Primary, Northeast Kingdom Solid Waste District Budget, the Hazen Union School District Budget and Orleans Southwest Unified Elementary School District. Polls are open from 10 a.m. to 7 p.m. Absentee ballots will be available at the Town Hall by February 11, 2020, and can be requested in person, by mail, or by telephone (802-533-2911). The last day to request an absentee ballot is Monday, March 2, 2020

If you are a Vermont resident and you own a home, you **MUST** file Form HS-122, Vermont Homestead Declaration. In addition, in order to receive a Property Tax Adjustment, you must **ALSO** file Schedule HI-144 Household Income (for all persons living in the household). The Greensboro Free Library will be offering tax-preparation assistance again this year. Please call 533-2531 to schedule an appointment.

Property taxes will be due in the Greensboro Town Offices by Thursday, November 5th by 4 pm.

Above is a summary of the 2019 fiscal year budget compared to what was actually spent in FY 2019 along with the variance between the two. While most accounts were held to the budgeted amount or below, overall we overspent the budget by \$90K. The significant outlier here is the Highway Projects account. This increase was driven by additional grant funds available from the Vermont State Highway Department to replace the culvert on the East Craftsbury Rd next to Black's Point.

In 2019 the Town spent \$12,514 more than it took in. The previous two years the Town took in substantially more money than it spent. This cash helps the town meet expenses between the start of the fiscal year and when taxes are due. Cash on hand needs to be a factor in determining the municipal tax rate for the Town to reduce the municipal tax rate.

			% Increase	5.1%

Above is a summary of the 2021 proposed budget with the 2021 variance being the difference between 2020 fiscal year budget and the proposed budget for 2021. The major increases are the police budget as well as an increase in health care costs and HRA costs for Town employees. Repairs and maintenance drove the increase for the highway department and we budgeted an increase in appropriations for Hardwick Rescue, VCRD and Lamoille Family Health. This budget represents a 5.1% increase over the 2020 budget.

Town Budget	2019	2020	2021	2021 Variance
Town Admin Costs	\$ 26,724	\$ 27,296	\$ 34,480	\$ 7,184
Town General Expenses	\$ 6,160	\$ 5,785	\$ 9,063	\$ 3,278
Planning and Zoning Expenses	\$ 0,405	\$ 3,664	\$ 6,717	\$ 3,053
Town Hall Property Costs	\$ 6,446	\$ 5,720	\$ 7,345	\$ 1,625
Town Committees	\$ 0,856	\$ 6,670	\$ 7,436	\$ 766
Town Contracted Services	\$ 86,921	\$ 16,853	\$ 47,024	\$ 30,172
Total Town Budget	\$ 147,512	\$ 75,988	\$ 122,066	\$ 46,078

As shown in the table above, the major increase in the Town budget is under the Town Contracted Services, which contains the police contract, roadside mowing and the driveway-plowing contract. In 2021 the Police contract will be approximately \$300,000. The driveway-plowing contract will be \$133,500.

Highway Budget	2019	2020	2021	2021 Variance
Highway Operations	\$ 59,779	\$ 66,580	\$ 96,469	\$ 29,889
Highway Contracts	\$ 80,640	\$ 76,000	\$ 78,000	\$ 2,000
Total Highway Budget	\$ 140,419	\$ 142,580	\$ 174,469	\$ 31,889

The increases in the Highway Operations are due to an increase in the price of salt and sand over the course of the last two years and a significant increase in the cost of repairs to our trucks. We hope that with a new vehicle we can see this cost go down. We also budgeted an extra \$2000 to repair some guardrails.

Other Town Expenses	2019	2020	2021	2021 Variance
Appropriations	\$ 5,596	\$ 00,757	\$ 12,254	\$ 1,497
HERF and CAP Budget Funding	\$ 49,290	\$ 52,000	\$ 60,023	\$ 8,023
Fire Department	\$ 9,751	\$ 1,217	\$ 2,100	\$ 883
Total Other Budget	\$ 154,637	\$ 153,974	\$ 174,377	\$ 20,403

The biggest increases in Town Appropriations in 2021 are for Hardwick Rescue and the Historical Society. Hardwick Rescue is finding it hard to find volunteers and is therefore requesting funding for paid positions. Greensboro Historical Society requested an increase to get help with archiving and other projects. An appropriation of \$1,000 was also added for VCRD to help fund more community listening programs like the one Greensboro participated in last summer and fall.

Greensboro Payroll Budget	2019	2020	2021	2021 Variance
Town Admin Payroll	\$ 44,179	\$ 42,712	\$ 50,367	\$ 7,655
Services and Committees Payroll	\$ 7,206	\$ 0,646	\$ 1,726	\$ 1,081
Highway Payroll	\$ 66,529	\$ 66,530	\$ 80,992	\$ 14,462
Total Payroll	\$ 117,914	\$ 109,888	\$ 133,086	\$ 23,198

Town employees received a 3% cost of living increase in their wages. The cost of benefits increased by approximately 12%, which brought the total payroll increase for the year up to 5.3%. Further payroll information is available in the detailed budget at the end of this report.

The table above itemizes the projected expenditures from the Capital Budget. The Selectboard is starting the process to plan for a new Town Garage building. We have budgeted \$35K to engage an architect and engineers to start the design and permitting process to rebuild the existing garage. The Library has siding and roofing repairs that need attending to and the Historical Society is planning on re-finishing the floors in the front room.

The Fire Department is planning on purchasing a replacement tanker truck. This truck was not inspectable for a portion of 2019. In assessing where the money would come from it became clear that

the Fire Department had not been saving enough money to replace all the vehicles and gear on the replacement schedule they planned on. Below is a schedule of the proposed transfer of funds from the General Fund to the Capital Account for 2021. We have organized the information in a similar fashion to the HERF account to better plan for future expenditures.

Below are the projected expenditures for the Highway Equipment Replacement Fund. In the 2020 Fiscal Year, we purchased a new truck for the Road Crew to replace the Yellow International. The dump trucks are on an 8-year replacement schedule. Because the trade in value of the Yellow International was so low the Selectboard decided to keep the vehicle to dedicate to chloride in order to extend the life of the rest of the fleet. We are expecting that the Mack purchased in 2019 will have a longer useful life than 8 years. We are not looking to replace any highway equipment in 2021, but looking out to the future, the grader and a truck are scheduled to be replaced in the 2023 budget year.

NEK Community Broadband - Background Information

Article 10

“Shall the Town of Greensboro enter into a communications union district (CUD) to be known as NEK Community Broadband, under the provisions of 30 V.S.A. Ch82.?”

Goal

Bring a reliable and affordable, high-speed internet option (at least 100 mbps symmetrical) to every residential and business address in the Northeast Kingdom.

Summary

High-speed internet is no longer a luxury, but a necessity. Unfortunately, it's not financially appealing to internet companies to invest in infrastructure to serve our rural communities. We must set up our own networks to ensure access for all residents and businesses. The Legislature created a process to do this with Act 79 (2019).

How?

The first step is for towns in our region to form a *Communications Union District (CUD)*. It will be known as "NEK Community Broadband".

What's a CUD?

A Communications Union District (CUD), is a municipality made of two or more towns for the purpose of building communication infrastructure together. Each town in the CUD has a seat on a governing board which will plan, contract build and manage the infrastructure that will provide high speed internet.

What do we gain by joining NEK Community Broadband?

The Town gets a seat at the table as critical regional infrastructure is designed and built.

What's the cost to be a part of the CUD?

There are no direct costs to the taxpayer or the town, though a CUD may ask the town to provide space for a communications plant used to store fiber optic cable, electronics and other assets required to operate the network.

What's the risk to the taxpayer and towns?

Membership in a CUD poses no financial risk to the town or individual taxpayers, by state statute, meaning **taxpayer dollars will not be used and if the CUD fails no liability falls to the member towns or taxpayers.** (30 V.S.A. Chapter 82; see web address below).

How much will it cost to build the network?

We won't know the estimated cost of the network until we know which towns are in the CUD and a network design has been engineered. Luckily, Northeastern Vermont Development Association has already secured grant funds to develop a business plan and conduct the initial network engineering for the CUD. Building a network is expensive but community based broadband projects like this qualify for large grants and very low interest loans.

How long will it take?

Forming a CUD is just the first step in a multi-year process to plan, fund and build a network to deliver high-speed internet across our region.

Will it work?

Yes, we believe it will work. Across rural Vermont, substantial leaps in internet service have come from communities banding together or partnering with providers to build their own networks. ECFiber,

Vermont's first CUD formed in 2015, now delivers up to 700 mbps service to 3,500 customers in 22 rural towns and is profitable.

How can we join the district?

By voting yes on the CUD Article (just listen for "NEK Community Broadband") at Town Meeting, you're voicing your support for your town's membership in the CUD. All towns that approve this ballot measure will become members of a CUD.

What's next?

Each town appoints a resident and an alternate to serve on the CUD board. That board will work to develop a feasible plan for building the network and raise funds to construct and manage it. Then we have an affordable, high-speed internet option. Of course, no one would be required to sign up for the new service. This just means we'll have more and better options!

Greater Greensboro Community Visit

In 2019, Greensboro was the recipient of a grant to work with the Vermont Council on Rural Development to facilitate a series of community listening sessions to identify and prioritize goals for the future of our community. Over 175 community members participated in the process and many signed up to join task forces to implement action plans based on feedback from the community visits over the summer. Each task force is developing action plans and can access state human and financial resources to help move projects forward. Greensboro residents selected four priorities for future action:

1. Build Community Wastewater Infrastructure

Task Force Chair: Peter Romans

Possible Action Steps: Engage in a community conversation about wastewater, work to better understand money and resources available to survey current needs and look at wastewater treatment facilities for the villages of Greensboro and Greensboro Bend. Currently, the group is working to review projects underway in similar towns such as Wolcott, Burke, and Westford.

2. Improve Community Walkability and Bike-ability

Task Force Chair: Naomi Ranz-Schleifer

Possible Action Steps: Develop community paths and walkways in Greensboro and between the Bend and the Village. Work with the town to build and improve sidewalks, improve bike safety, and improve overall traffic flow and safety. Work to complete the section of the Lamoille Valley Rail Trail. Develop a parking plan for the Village and the Bend. Work would be coordinated with Wastewater Task Force and the road paving schedule.

3. Improve Broadband and Cell Service

Task Force Chair: John Stone

Mission: The "Connected Greensboro" Task Force seeks to achieve maximum broadband and mobile/cellular wireless coverage and connectivity at affordable prices in Greensboro. The task

force's efforts are guided by the needs of our community and by the State of Vermont objectives for broadband services.

4. **Stewards of the Greensboro Watersheds**

Co-chairs. JoAnn Hanowski and June Bascom

Mission: Public education, communication and innovation to encourage best practices by the Greensboro community to ensure future water quality in all lakes and streams in the watersheds of Greater Greensboro. Best management practices will include farming, forest management and other land management activities that could impact water quality. The committee plans to initiate a Lake Wise program for Caspian Lake in the spring of 2020.

For a copy of the complete Greater Greensboro report and action plan, visit the Town Hall or the town's website. If you are interested in participating in one of these task forces, contact the chair directly. While work is underway, new ideas and participants are welcome.

Thank you to all the residents who have participated so far and to those offering their time and energy to undertake the work of the task forces. Thank you as well to the Greensboro Select Board for bringing this process to our community, and the Vermont Council on Rural Development and the Vermont Community Foundation for facilitating the work. We look forward to providing you with more updates on the progress of the task forces this spring and summer.

SELECTBOARD REPORT

Evaluating a year's activity of a largely volunteer organization can be frustrating. Outcomes are often less remarkable than initial expectations as families, jobs, etc. conspire to eclipse town business. On the other hand, we should be proud of the countless hours donated towards the success of town operations. It's false to assume that the folks who participate in town functions have little else in their lives. While it may be easier to donate time when comfortably retired, volunteers are generally making time available in an otherwise full life. My purpose here is to recognize everyone who contributes time and energy to the town community, including our committees, boards, commissions, library, and officers. In particular, I want to acknowledge Dan Predpall who recently resigned as chair of the GPC. Dan has contributed immeasurably to the Planning Commission, the Bend Initiative, Greater Greensboro and more.

Last year's activities may be roughly delineated as concrete and more abstract.

The most obvious tangible example is our new Mack truck which replaced the yellow International. Though Mack trucks require a larger capital expense, they are generally longer lived. We plan to extend its replacement schedule, resulting in a long term savings to the town.

An Act 250 review and overdue maintenance prompted a significant project at our gravel pit last summer. Matt supervised extensive site work while our office staff fulfilled State requirements. The pit is now safe and permitted for the foreseeable future. Sidewalks in the Bend, parking at Town Hall, and the radar speed cart acquisition are also notable.

Greensboro is benefitting from a solar electric array in E. Hardwick. The option was offered to local towns and schools and results in an annual savings of \$1,000 with no investment on our behalf.

A new town garage is scheduled for the summer of 2021. We are developing a strategy to build on the existing site since an alternative location is not apparent. This project is well overdue.

In other business, the SB passed two ordinances. One prohibits dangerous (collapsing) buildings while the other attempts to regulate visible junk and junk cars. As expected with volunteers, enforcement is off to a slow start but should improve with experience. In a similar vein, we were grateful to appoint Karl Stein as Town Health Officer.

The Greater Greensboro process spawned four groups exploring options to improve infrastructure and enhance lake and stream protection in town. Everyone is encouraged to get involved, you won't be disappointed with the enthusiasm in these task forces. Brochures describing the VCRD visit and resultant action plans are available at the Town Hall.

On the financial side, we have made improvements to budgeting and investments, thanks in large part to Andy and Barbara.

Potential changes in our school may necessitate an evaluation of our town hall. Anticipating change and conceiving of new uses for this iconic building could be crucial to the village ambiance.

Thanks again for your participation, it truly does take a village to preserve what we appreciate about Greensboro.

Respectfully,
Greensboro Selectboard
Peter Romans, Chair

Greensboro Town Clerk Report

The Town Clerk's office acts as a municipal gateway and resource center. The Town Clerk also serves as a chamber of commerce, providing a list of businesses and services. The office issues licenses for marriages and dogs, provides notary public services free of charge, keeps property records, takes the minutes at town meetings; records births, deaths, marriages, and burials; makes certified copies of any vital record; organizes elections and petitions; registers voters; and acts as a source for genealogical and other research.

This past year has been a very busy year, as it always seems to be in our office. And this coming year is gearing up to be the same. There were new changes from the Legislature for Vital Records. This brought a bit of confusion, but change takes time.

Two years ago, Secretary of State Jim Condos launched Vermont's new Election Management Platform, My Voter Page. By using My Voter Page, a registered voter can check registration status, view information on upcoming elections, access voter elections information, including directions to a polling place and polling hours, view a sample ballot, request and track an absentee ballot, and much more. Registered voters can log in at <http://mvp.sec.state.vt.us>. Online registration is located at <http://olvr.sec.state.vt.us>.

Town Meeting is a very important part of our democratic process. This November is the Presidential Election. Town Meeting gives you a voice in 4 different Australian ballot elections; the Presidential Primary, the Northeast Kingdom Solid Waste vote, the Hazen Union Budget vote and the newly formed Orleans Southwest Unified Elementary School District. Your chance to make a difference also extends to your voice vote for town representatives and budget.

I would like to thank all the citizens who have volunteered to serve on our various committees this year. The Greater Greensboro initiative is still working diligently on 4 aspects of improvement in both Villages. The Planning Commission and Development Review Board, Beach Committee, Cemetery Committee, Recreation Committee, Conservation Commission, newly revised Energy Committee and Emergency Planning Committees are very important to the Town and their work has not gone unnoticed. The Selectboard has worked very hard on putting together a budget that provides for the needs of the Town. I thank you all for your help this year.

Kim Greaves, Town Clerk

Greensboro Town Treasurer Report

In 2019 a draft of an investment policy was submitted to the Select Board. This policy closely resembled the model provided by the Vermont League of Cities and Towns (VLCT). The policy formalizes the process and articulates investment guidelines emphasizing safety, liquidity and yield with a goal of investing funds locally. The Select Board adopted the policy.

In the past, Greensboro had accounts in two separate banks. In 2019 proposals were solicited from three Vermont based banks asking them to give us their best investment rates. Ultimately the decision was made to consolidate all of Greensboro's accounts with one bank, Community National Bank (CNB). CNB has maintained our operating account for years and has always given Greensboro excellent service and a competitive rate of return.

My days are filled with processing: payroll, paying bills, running reports, filing, scanning, reconciling, learning, and documenting. Repeat. These are some of the duties performed by the Treasurer.

Barbara Brooke, Town Treasurer

**TOWN OF GREENSBORO
HIGHWAY DEPARTMENT
WINTER OPERATIONS PLAN**

- Plow routes are set up to open the major traffic routes and bus routes first. After all bus routes are done, we will then plow the roads which may cause the most trouble for the public based on traffic volume, steepness, curves, etc. and continue until all roads are open.
- Given the circumstances involved with changing weather conditions, the Town of Greensboro does not have a bare road policy. Travelers who use town roads should exercise due care and reasonable caution during winter conditions.
- The Town recommends snow tires and driving relative to the road conditions.
- During winter weather events, the Town will enforce a ban on all parking along roadsides and places where plow trucks or school buses turn around. Vehicles may be towed at the owner's expense.
- The Town of Greensboro has only three employees to do winter maintenance on over 56 miles of town highways. Each employee has a specific route, which takes between 2 to 4 hours to complete. We vary from these routes only for emergency situations (fire, ambulance, etc.).
- The Town does not plow or sand class 4 roads or private roads.
- The Town road crew usually begin operations between 2:30 am and 3:00 am to have major highways and bus routes clear by 7:00 am
- After 16 hours on the job, the Road Crew is required to stop operations and get a minimum of six (6) hours of rest.
- 19 V.S.A. §1111(b) prohibits encroachments on the town's right of way without approval. Common items residents place in the town's right-of-way include trees and bushes, fences, flowerbeds, posts and stone walls. Objects in the town's right-of-way (25' from the center line) are placed at the owner's risk and the Town assumes no responsibility for any damage to objects placed in violation of the statute. Items that are deemed to be a hazard will be removed at the owner's expense.
- The Town is not responsible for mailboxes or any damage within the road right of way. The Town will not pay for replacement or repair of windshields or damage caused by potholes in road right of ways.
- Salt will be applied to most paved roads, with sand added as necessary. Salt is not effective when road temperatures are below 20 degrees.
- Sand will be applied to the gravel roads. Some particles in the sand mixture may be as large as ½" in size and may cause windshield damage. It is recommended that all travelers use caution and avoid following any winter maintenance vehicles too closely. The Town will not pay for replacement or repair of windshields.

- Under 19 V.S.A. §1111(b) and 23 V.S.A. §1126(a) plowing or shoveling of snow across or onto a town or state highway is prohibited. Violation of this statute may be subject to a fine or penalty. A violator may also be liable for damage to property, vehicles and any undue cost to the town for removal of this snow.
- Overnight parking is prohibited in town parking lots, in front of Willey's store and roads' right of way (25' from the center line) from November 16th to April 15th. Vehicles may be towed at the owner's expense.

WINTER PARKING AND OBSTRUCTION POLICY
(Effective annually from November 1 - April 1)

Parking vehicles is prohibited on Town Highway rights of way and turnarounds. Vehicles may be towed at the owner's expense.

Overnight parking is prohibited in public parking lots or in front of Willey's store. Vehicles may be towed at the owner's expense.

Plowing snow across a Town Highway or depositing snow on a Town Highway is a violation of state law and is strictly prohibited.

Trees and brush in the Town Highway right of way that are deemed to pose a hazard by the Select Board or the Town Road Foreman may be removed.

GREENSBORO HEALTH OFFICER REPORT

The two Health Officers for the Town of Greensboro are required to investigate and mitigate any potential or existing public health hazard in the community. They investigate all complaints and perform follow up as required. In doing so, they work in concert with other State agencies that support community safety and health around public water systems, wastewater systems, environmental health, public health hazards or public health risks, and with the Town's Selectboard.

One new activity that THO's must include in their duties is to act as the primary enforcement of the Rental Housing Health Code. Any tenant or property owner can request an inspection of a property to assure that the property meets all standards set forth by the State. This inspection is documented and follow up is determined by violations found — all THO actions are performed according to the requirements set forth by the

State. (https://www.healthvermont.gov/sites/default/files/documents/pdf/Env_THORental-Inspection.pdf)

At this time Greensboro's THO's do not test the public beach waters for coliform bacteria (an indicator of contamination by animal, bird or human fecal matter) though the State recommends this testing during the swimming season. To date, neither Caspian or Eligo have seen a blue-green algae bloom (Cyanobacteria). Any questionable sightings should be reported for further identification and for further safety responses.

In 2019, the THO, Karl Stein, and the Deputy HO, Christine Armstrong, performed a number of property inspections and followed up as needed. They also followed up on a number of dog bites, as is also required by law.

Respectfully submitted,
Karl Stein and Christine Armstrong

Greensboro Conservation Commission

Clive Gray, Clerk

The Greensboro Conservation Commission (GCC) is a statutory body whose members are appointed by the Selectboard to provide leadership on issues relating to protection of our community's natural resources. The current members are Erika Karp (chair), Linda Shatney, David Kelley and Clive Gray (clerk). State law authorizes a membership of nine—we would welcome more members!

Town Meeting 2019 appropriated \$2,000 for the Greensboro Conservation Fund (GCF), bringing the total since 2004 to \$30,500. Of this amount, by December 31, 2019, the Selectboard, acting on the GCC's recommendation, had voted \$30,000 for eleven projects, including local contributions to five conservation easements of the Vermont Land Trust, financed mainly by the Freeman Foundation. The VLT easements comprised Greensboro segments of the Lowell Urie farm and the Black Hills; the former Jaffin and Fontaine farms in North Greensboro; and Lacey Smith and Stephanie Herrick land, destined for Jasper Hill Cheese.

Project No. 6 was a contribution to a natural history book on Greensboro and nearby towns, prepared on contract to the Northern Rivers Land Trust and published in October 2017. Projects 7 and 8 were contributions to the expense of improving and repairing the road to the Barr Hill Natural Area.

The ninth project, carried out in 2018, was a "PLACE" (Place-based Landscape Analysis & Community Engagement) study of Greensboro Bend, conducted by Lauren Sopher, an M.A. candidate at the University of Vermont.

The tenth project was an illustrated talk by Chris Schadler on the Eastern Coyote at the Highland Center for the Arts on August 11, 2019. An overflow crowd of 140 attended.

Project No. 11, approved by the Selectboard in September 2019, was a \$2,000 contribution to the Green Mountain Monastery for their conservation easement on 140 acres adjoining land in North Greensboro conserved by the Vermont and Greensboro Land Trusts.

We ask Town Meeting 2020 to continue the annual appropriation of \$2,000 to the GCF.

GREENSBORO ENERGY COMMITTEE

My name is Anna Kehler and I am the Greensboro Town Energy Coordinator. In 2019 with the help of Isa Oehry, Mark Snyder, Molly Brandt, Gwyneth Harris, and Bill Slocum I formed the Greensboro Energy Action Committee. We partnered with both Glover and Craftsbury Energy Committees to provide a number of opportunities for Greensboro folks to learn about and receive help in saving money while making their homes more comfortable. Here is a list of the projects we completed:

- April 2019 Energy Fair

Greensboro, Glover and Craftsbury co-sponsored a bi-annual energy fair with over 40 experts/vendors at the Craftsbury town Library. About 80 people attended.

-March 2019 Meeting with Peter Romans and Novus Energy

Through an email to the Craftsbury Energy Committee, I heard about a solar net metering opportunity offered by Alex Bravakis and Novus Energy Development. I set up a meeting with Alex and Peter Romans. The town signed on and once the project is complete, the town of Greensboro will save \$1,000 a year on their energy bill.

-April, May and June 2019 Weatherization Home visits

Greensboro, Glover and Craftsbury co-sponsored 6 home visits in Glover, Albany, Craftsbury and Greensboro to highlight weatherization techniques in new and retro-fitted buildings. Mark Snyder showcased the converted train station in Greensboro bend to 30 people. Bill Slocum showcased best building practices for energy efficient, newly built houses at his home on Cemetery ridge road to 20 people

-May-September 2019 Window Dresser window insert program

In May, Isa Oehry, Molly Brandt and Anna Kehler received a half day of training from the staff of WindowDressers in measuring windows to make window inserts. Along with Bill Slocum, we measured 66 windows in Greensboro homes. In September we hosted 3 days of community workshops to build the window inserts. I want to thank the non-profit Energize Vermont who funded the low income inserts. And I want to thank the Glover Energy committee who hosted the workshops at their town hall, trained us and helped us work on our window inserts.

October 2019- Button up! Presentation

Greensboro and Craftsbury co-hosted a talk at the Fellowship Hall here in Greensboro. David Keefe, a button up! and Efficiency Vermont expert came and detailed the rebates and financing available for

weatherization work and answered questions from 20 people. There is a \$4,000 rebate for \$8,000 job for most people and 0% financing for larger jobs. Dave said, "There has never been a better time to weatherize your home!" If you are interested, please call Efficiency Vermont at 1-888-921-5990 or go online to www.encyvermont.com

October 2019 DIY house weatherization at talk at Old Clary Farm by Isa Oehry

Greensboro and Craftsbury co-hosted a talk at the old Clary farmhouse for 15 people where Isa Oehry presented the work she has done and overseen to make her house more comfortable and affordable. Mark Snyder offered free walk throughs.

For 2020, the Greensboro Energy Action Committee looks forward to meeting more Greensboro folks and expanding the WindowDresser window insert program. If you have leaky windows, this is a great way to save money on heating and make your home more comfortable. For a leaky single pane window, these inserts will save you a gallon of fuel oil a square foot. If you are interested in signing up please email me or call me, Anna Kehler. See my contact information below. For full details please go to www.windowdressers.org

We will also continue to work with Button up! Vermont to get people the help they need to weatherize their homes. And we will continue to co-sponsor educational events with Glover and Craftsbury.

Lastly, I want to thank all the people who helped out with Energy Action Projects this year: Isa Oehry, Mark Snyder, Molly Brandt, Gwyn Harris, Bill Slocum, Carolyn Kehler. I want to thank the people who helped with the Windowdressers Insert making workshop: Rob Brigham, Sharon Jacobs, Lucy Mitchell, Cathy Hansen, Kent Hansen, David Kelley, Kelly Robinson, Gp Salvo, Judy Carpenter, Kyle Gray, Tanya Thomas, Paula Harmon, Lynette Courtney, Isa Oehry, Molly Brandt, Gwyn Harris, Carolyn Kehler, Bill Slocum. I want to thank the members of the Craftsbury and Glover Energy Committees, especially Jack Sumberg from Glover for overseeing the Window Insert program, and Amelia Fritz and Kevin Gregoire from Craftsbury for co-sponsoring so many events with us.

If you want to help out with a project we are always looking for bakers, flyer makers, chair stackers and people with carpentry skills. Or if you have an idea for a project, please contact me, Anna Kehler via phone 1-802-424-6649 or email annakehler@gmail.com

Greensboro Zoning

The past year, 2019, had an estimated 44 zoning applications, of which 5 were single family homes. Applications were fairly steady, similar to the previous year.

If you are planning a spring project, stop by the Zoning Office and pick up your permit early so you will be ready to start when the spring thaw arrives. With an early start you will be able to finish your project sooner and enjoy its benefits.

I would like to thank the Planning Commission for their devotion and dedication to the completion of Greensboro's Town Plan. Now with that far behind them, they are diligently working on updates to Greensboro's Zoning Bylaws.

Audrey DeProspero
Zoning Administrator

Greensboro Planning Commission

The Greensboro Planning Commission members in 2019 were Dan Predpall (Chair), David Miltenberger (Vice Chair), Kent Hansen, Jerilyn Virden, Christine Armstrong, Ellen Celnik, and Carol Fairbank.

2019 was a very busy one for the Greensboro Planning Commission. After a three-year effort, the new Town Plan was approved by the Greensboro Selectboard and the Regional Commission.

The year began with composing two new ordinances: a dangerous building ordinance, and a junk vehicle ordinance. Both ordinances were approved by the Selectboard in the Spring.

The Planning Commission also began working on installing a pickleball court in the Lakeview School during the winter. A grant was obtained in the summer, and the pickleball court became operational in September. This provides the town with a great indoor sport opportunity.

In March, we learned that a Better Connections grant application was not approved by VTrans. This grant would have provided \$110,000 to East Hardwick and the Bend for streetscape improvements, clean water studies of the Lamoille River, and pre-planning for completion of the Lamoille Valley Rail Trail. We will re-submit in 2020, with the expectation of a win.

Also in March, a Housing Committee was formed to follow up on an action in the new Town Plan to investigate affordable housing in Greensboro. The first step was to prepare a request for Proposal to conduct a Housing Assessment Study, with the purpose of determining the need for housing, and if there is a need, what type of housing would be best. Development Cycles of East Montpelier was engaged to perform the study. A report should be available by the end of 2019.

In the summer, the Planning Commission attended the Greater Greensboro meetings. At least one Commission member is participating on the four Task Forces (Internet Connectivity; Water Quality; Wastewater; and walking/biking paths).

With the new Town Plan approved in the summer, attention turned to proposing changes to the Greensboro Bylaws. The Commission formed three internal task forces to work on signage rules, water quality issues, and Shoreland District issues.

The Planning Commission supported the Annual Bend Block Party.

GREENSBORO CEMETERY COMMITTEE

This year, thanks to the increased allocation of funds from the town, a gift from the Greensboro Association and individual donations, we have been able to clear the boundaries of the Village Cemetery of brush and to clear brush and errant trees from the inside of the cemetery. In addition, we were able to brush hog the cleared portion of the cemetery.

The Greensboro Fire Department would like to say thank you to the citizens of Greensboro and Stannard for their continued participation in our 911 address sign program. We have had a great turn out and it is great to see all the signs in the community. We would like to remind people that you can still get your 911 address sign if you need one. We will always have signs on hand and continue to fill requests as needed. Forms can be obtained at the Town Clerks office and on the Town website. The completed forms can be returned to the Town Clerk's or mailed to the Fire Department.

HARDWICK POLICE DEPARTMENT

56 High Street. P.O. Box 447. Hardwick, Vermont. 05843

Phone (802)472-5475 Fax (802)472-6865

Aaron Cochran, Chief of Police

In the year ending June 30, 2019, Hardwick Police responded to 2157 calls for service.

There were 153 criminal arrests by Hardwick Police Officers. The categories with the highest amount of offences were, driving with a criminally suspended license (28), drug arrest (12), petit larceny (7), bad checks (6), domestic assault (6), and violation of conditions of release (6).

430 traffic stops were conducted by Hardwick Police Officers during this time period. We have continued participation in the Vermont Governors Highway Safety Program through 2019.

We have continued the “Drug Drop Box” program which has now been in effect for 3 years and is widely used by the residents of Hardwick and Greensboro, thus getting unused prescription drugs out of the hands of those that may abuse them. We have taken part in the “Take Back Drug Days” at our station throughout the year.

The Department has gone through many personnel changes this year. Sgt. Darin Barber came on board July 1, 2018, RJ Caldwell started January 2, 2019, Lucas Marcoux started March 25, 2019 and Scott Gagnon started fulltime as Dispatcher/Officer June 3, 2019.

The Hardwick Police Department suffered a major loss with the passing of our Executive Assistant Lisa Fecteau, a 32 year veteran of the department. She will be greatly missed by all who knew her.

Detective Kevin Lehoe has been very active with Caledonia Special investigations Unit and also taking on some of the drug investigations in our area.

The Officers of the Hardwick Police Department would like to thank the Hardwick and Greensboro communities for their strong support and in assisting the Hardwick Police Department in becoming a strong member of the community partnership.

Wishing everyone a safe and healthy year.

Sincerely

Aaron Cochran, Police Chief

Sergeant Darin Barber, Corporal Steve Mitchell, Detective Kevin Lehoe, Officer RJ Caldwell, Officer Lucas Marcoux, Officer Nicolas Steller, Officer/Dispatcher Scott Gagnon, Officer Max Ruse.

Greensboro Emergency Planning Committee

Anne Stevens, Chair

The Emergency Planning Committee is working on a town-wide survey about individual and neighborhood needs in the event of various possible emergencies. The survey will be available in early spring. We ask everybody to think carefully about their responses to the survey questions. Thank you to everybody.

HARDWICK EMERGENCY RESCUE SQUAD INC.

**P O Box 837,
Hardwick, VT 05843
802-472-6343**

As 2019 draws to a close, our call volume is 625 calls to date.

Enclosed you will find our 2020 budget with the town appropriations requested. The individual appropriations are, as usual, based on the number of calls in each town, averaged over the last five years.

Volunteerism nationally and in the State of Vermont is down. Many volunteer organizations are struggling to maintain membership and coverage and Hardwick Rescue is no exception. Hardwick Rescue has for over 50 years been able to provide an affordable 24-hour service to all of our communities. This year our appropriations has doubled due to a clear need to bring on more paid staff.

We have numerous members who volunteer 200 to 300+ hours a month and this is not a sustainable model for consistent coverage nor is it a reasonable expectation for an unpaid volunteer. Hardwick currently employs one full time AEMT and a Per-Diem Paramedic. By increasing our appropriations, we will be able to employ an additional full time Paramedic or AEMT in addition to some additional Per-diem staff. Many communities locally have lost rescue organizations and we are working hard to ensure we can offer consistent coverage for another 50 years.

We remind everyone to keep an updated list of medications and any pertinent medical documents to be readily available in case of an ambulance call. This will help expedite the process at the scene and at the hospital. We are still having difficulty finding locations, as 911 numbers are not visible from the road. We strongly encourage all community members to check that their 911 numbers are posted and visible from the road no matter what the season or time of day.

Hardwick Rescue Squad is highly committed to serving our communities. We are always training to better ourselves in our service and want to thank our families and people in the community that provide us helping hands.

If anyone has any questions, please feel free to leave a message for us at our non-emergency number, 472-6343. The call will be referred for response.

We feel very fortunate to enjoy the outstanding support of our towns, town crews, fire departments, law enforcement, electric department, businesses and individuals.

Sincerely, Deb LaRose President, AEMT

GREENSBORO HISTORICAL SOCIETY – 2019

Your historical society enjoyed another busy and fruitful year of activity and fun. At our winter meeting we enjoyed a talk by Steve Perkins, Executive Director of the Vermont Historical Society who showed unique artifacts from the collection of the VHS and told their fascinating histories. The summer began with an opening reception in June for the exhibit in July and August, created by Greensboro's Green Mountain Monastery (GMM) with artwork, photos, and beautiful painted panels that swayed in the air depicting many species of the earth, relating to the theme of the interconnectedness of humans with all beings. Volunteers carried the GHS doctor's buggy in the Independence Day Parade. More than 40 people took a guided walk along the historic Bayley Hazen Road in July until a thunderstorm near the Bayley-Hazen cemetery forced the walkers to retreat to Fellowship Hall for final talks and refreshments. Bobby Farlice-Rubio of the Fairbanks Museum entertained the annual meeting audience, showing us a new way to look at the earliest inhabitants of this region. (Visit his program on the GHS website.) The annual ice cream social and book sale capped the summer activities in August.

In the midst of these happenings, docents welcomed visitors to the Hill Exhibit and the GMM exhibit in the society's building on Breezy Avenue throughout the summer. The Society published Volume 43 of *The Hazen Road Dispatch*, two newsletters, and acquisitioned some new/old artifacts including a large "oil safe" from the Donlons and a huge "Davis Store" sign from the Bend from the Van Leuven family. Other interesting new acquisitions include an oil painting of a winter scene by Harold Lindquist, Andy Dales' grandfather, a green matchbook from Willey's Store, circa 1960's, and an invoice for Duncan McFarland in Greensboro Bend from Danforth, Scudder & Company, wholesale grocers in Boston, for

#1 channel herring. Archivists Leslie Rowell and Willie Smith preserved and organized archival photographs and documents and developed a research library, which will make GHS collections more accessible. Kyle Gray added genealogical information to the website—type your name in the “research aids” and see what happens—as well as more audio interviews, videos, and an index to all 43 years of the Hazen Road Dispatch, allowing you to find any article easily. You can view all these and more at www.greensborohistoricalsociety.org and add your own historical photos and stories to the Facebook page by typing @GHSVT into the search bar of your web browser.

Founded in 1977 to preserve, educate, and foster interest in local history, your society is grateful to the Town of Greensboro and its many individual supporters. We invite you to become a member and welcome you to join us at our open monthly business meetings upstairs in the library at 12:30 on the second Tuesdays of each month (Sept.-June, with the exception of December).

Greensboro Free Library

Mary Metcalf, Librarian

The Greensboro Free Library is a place in which all individuals are treated fairly and respectfully; are valued for their distinctive skills, experiences and perspectives; have equal access to resources and opportunities; and can contribute fully to the organization’s success. It is a place where people explore the world of information and knowledge, share ideas and experiences. It is open 7 days a week in the summer and 5 days in the winter.

The library offers Internet access for all using their computers, laptops and smartphones. Wi-fi was used 7 days a week 24 hours a day to make reservations, do business, take a class, download ebooks and audio books, shop online and learn more about the world.

The MakerSpace encourages children and older patrons to explore, gather, create and learn. It is available whenever the library is open for people to try new ideas.

An ongoing book sale is available whenever the library is open. Adults attended our book discussions as well as other programs including “From Tap to Table” regarding sugaring, “Up the Family Tree” and a poetry workshop.

Story hour is held twice a week at the library for area children including homeschoolers, infants, and toddlers as well a weekly story time at the Four Seasons of Early Learning. The summer reading theme was "A Universe of Stories" celebrating Space and the Apollo 11 landing on the Moon 50 years ago. 438 youth and 286 adults attended our 16 special event summer programs spanning late June through mid-August.

Books remain the popular service we offer. During 2019 the library had more than 11,000 visitors and more than 10,500 volumes were circulated.

Organizations including the Historical Society, Lakeview Elementary, and the Greensboro Association have used the upstairs meeting room. The library is available for meetings that are free and open to the public. Free tax help for low and moderate income taxpayers is available through the AARP Tax-Aide.

Our volunteers and the financial support of the Greensboro community enhance programs and keep our library open. Thank you, taxpayers, for your support of money, time and supplies by making the library open to everyone. We could not do it without you.

Please feel free to make suggestions for the library. We value your opinion and thank you for your support.

CASPIAN LAKE BEACH COMMITTEE

Ila Hunt, Chair

Since 1927, the beach on the southwest shore of Caspian Lake has been a public beach including a swimming area and boat access after it was purchased by the Town of Hardwick to ensure its use originally for people without property on the lake. It has continued to be a popular destination for all public use, and the towns of Hardwick and Greensboro have a volunteer committee consisting of three Greensboro and two to three Hardwick representatives who meet at least quarterly to ensure that the lake's natural beauty and accessibility are preserved and maintained. Through generous annual allocations from the towns of Hardwick and Greensboro and The Greensboro Association, the grounds are regularly maintained and improved as necessary.

2019 included two public events including the Greensboro Free Library's sponsored Modern Times Theater in July and Heads-Up Swim Event in August. The swimming program for area children was offered in August. With the oversight of Earl Kasper, the beach groundskeeper, Hazen Union Service Project students assisted with preseason cleanup and beach preparation in May. In July a new entrance sign was installed with a grant from Healthy Lamoille Valley and a lake photo donated by Karen Gowen. After complaints of unleashed dogs and dog excrement on the beach, a dispenser with bags was placed near the bathrooms, and a dog leash rule was stated on the new sign, with hopes that all beach goers could also remind dog owners of the rules when necessary. Rip rap was placed in the southeast corner of the beach by Hardwick Electric to prevent further erosion of the bank. One new coated metal bench was installed to replace the broken wooden one and we will appreciate input as to its comfort and coexistence with the other benches.

In April of 2019, in response to multiple complaints and a growing health concern, a permit was obtained from the department of Agriculture to reduce the number of Canada geese at the beach and at various lake properties. A group of concerned citizens and property owners undertook a Resident Canada Goose Nest and Egg Depredation work as sanctioned by the permit. Lots of observation, occasional harassment on the shore and one nest elimination was accomplished with resident numbers declining on the lake from 28 to one family with three chicks. We will continue this operation annually.

Recreation Committee Report 2019

Michele LaFlam- Chair

The Greensboro recreation committee is committed to maintaining and improving the recreational resources within our town to promote quality of life through passive and active recreation.

With very generous appropriations from the Greensboro Association and the Town, the recreation committee was able to expand the town's recreation activities and repair or replace deteriorating infrastructure during the 2019 fiscal year. We are pleased to see that the community events that the recreation committee initially started continue to grow under the direction of area organizations and community members. Both the Bend Block Party and Halloween activities are well-attended events that are looked forward to by all and offer the opportunity for us to come together throughout the year to connect with neighbors.

For the upcoming fiscal year, the recreation committee is continuing its efforts to expand recreational opportunities and the number of community activities we offer. Funds to support a community ice skating rink have been built into the proposed budget for the upcoming fiscal year. Members of our committee have researched best practices for a rink and are currently experimenting with a small-scale rink on the lake to understand the scope of work this entails. We are also seeking funds to support consultant work to learn more about the feasibility for a town recreation trail. It is our hope that the momentum of our committee continues to bring new and exciting activities and events to all.

WONDERARTS

It is with a sense of pride and accomplishment that we write our Greensboro Town Report. This past year has been a time of growth, innovation, and collaboration for WonderArts. We are full of gratitude to the Town of Greensboro and its residents who support our work. We are honored to contribute vibrant and inclusive programming to our warm and welcoming community.

In 2019, we...

- Reached **1200** adults and **500 youth**
- Collaborated with **29** partner organizations
- Led **305** program activities, classes, and events
- Offered programs at **15** local venues and **13** schools
- Hired **21** community members to lead classes
- Exhibited artwork from **12** local artists
- Welcomed **56** new Spark members
- Provided scholarships for **27** summer campers

Highlights from WonderArts programs that served the Greensboro community last year include:

- Serving students at Four Seasons of Early Learning through year-round classes that taught music, movement, expression, and self-care.
- Hosting Summer Camps at Lakeview Union school featuring weekly themes: Public Voice + Parade, Environmental Heros, Exploring Global Cultures, Tools + Technology, and Animal Kingdom Adventures. 54% of camp families received scholarships.
- Leading the after-school program at Lakeview Union in Culinary Arts, Design, Art, Dance, and Environment. These after-school programs are free.
- Offering community classes and events at HCA and GUCC, including: Evergreen Salves, Tinctures, Needle Felting, Embroidery, Egg Decorating, Ceramic Ornaments, Block Printing, DIY Kombucha, Costume Drop + Swap, and Let's Talk Film screenings.
- Honoring Ash Event, a collaboration with Vermont Land Trust, Sterling College, WonderArts VT and the Orleans County Forester.
- Serving our community through Spark resources, classes, and economic development opportunities.

In 2020, the \$3,500 allocation provided by the Town of Greensboro will continue to support enriching programs that enhance the well-being of community members of all ages. We are incredibly thankful to all participants, donors, volunteers, businesses, partners, and individuals that make our work possible.

FOUR SEASONS OF EARLY LEARNING

Michelle Laflam, Executive Director

As another year draws to a close, our organization is once again reminded how fortunate we are for the dedicated work our committed staff of early educators and the unwavering support from our community.

The longevity of our practice, our staff, and our center are owed to the people who have believed in it from the start. Whether you've championed us with a smile and fond memory, an endorsement to family or friends or through financial support— thank you.

In the last year, perhaps the most important and visible impact of your support has been a renewed commitment to dreaming big as we now accommodate over 54 students from 48 families living in Greensboro and surrounding towns. Your support has allowed us to push the bounds of our carefully crafted budget and fulfill several visions. Throughout 2019, we continued to make improvements to our historic site. We designed and installed a new wastewater system that built capacity for us to expand our program in the future by increasing the number of students we can serve from 48 to 71. As the shortage of quality care becomes more prevalent around the state, the ability to grow our program allows us to meet the changing needs of our community.

Our greatest undertaking in the year ahead is putting our vision to paper by taking the first steps to implement our master plan to expand our outdoor space. We have secured grant funding to replace the play area in the back of our facility and plan to demolish the property adjacent to our center. This space will allow us to expand our garden areas, plant a small orchard and create room for our students to run freely in open space. Our program and curriculum remain nature-based and playful, which reflects the best practices available for early education. We provide the only full-day, full-year program in the area that accommodates infants, toddlers, and preschoolers alike.

We are proud of our history and the vital role we play in the education of our youngest community members-past and present. We know through hard work and imagination; we can make our dreams reality- in the same way, we grew from a small parent cooperative to the program we are today. A lot can change in 47 years but what has always remained true is Four Seasons of Early Learning's passion for its families and purpose in the community, and our belief that you can achieve your dreams.

We appreciate the town of Greensboro's continued support of our center, our staff and our community. On behalf of our entire learning community, thank you.

Greensboro Nursing Home

The Greensboro Hospital Association was organized and incorporated on August 22nd of 1935, for the purpose of "caring for the sick and injured, and the furthering of health in the community". The Greensboro Nursing Home transitioned from that hospital. The Greensboro Nursing Home is a not-for-profit organization, with oversight by a volunteer Board of Trustees. The organization remains steadfast to its vision: put quality care, professionalism, teamwork, and community partnership at the heart of everything we do. We accomplish this by remaining true to our core values. Some faces may have changed, however our commitment to providing the highest quality of care and quality of life to our residents has not. We will always remember that we are your nursing home.

Greensboro Nursing Home continues to support the local area by participating in the Meals on Wheels program; preparing thousands of hot, nutritious meals annually which are delivered by volunteers throughout the community. We are also one of the largest employers in the area and we are proud of the dedicated team of professionals who support your nursing home 24 hour a day, 7 days a week. Our staff is happy to serve the community, and it is our pleasure to be a resource for services to our local residents, families, friends and visitors.

In 2019, the nursing home established a new therapy gym at the front of the building staffed fully by "in-house" Greensboro Nursing Home employees. For the first time in its history, Greensboro Nursing Home has a full-time staff of Physical Therapists, Occupational Therapists and Speech/Language Pathologists. These Rehabilitation Professionals evaluate and treat our short and long-term residents and work with them to maximize their level of independence and function. At this time, we are in the process of applying for an outpatient license. This will allow us to offer outpatient rehabilitation services to our staff, if needed, as well as the wider community.

Greensboro Nursing Home is also improving its building! In the fall of 2019, we replaced all the facility's windows, improving fuel efficiency, making the environment more comfortable for our residents and improving the esthetics of our facility. The hardwood flooring was replaced in the residents' sunroom and work has been scheduled for February 2020 to have the flooring replaced in the resident dining room/living area. Residents state they are very pleased with these improvements.

Greensboro Nursing Home is proud to announce that our facility has presently achieved a Five Star Rating from the Centers for Medicare Services (CMS).

We invite you to log-on to the Medicare Nursing Home Compare website at:

<https://www.medicare.gov/nursinghomecompare/search.html>

On this site, you can explore data from all the nursing homes in the State of Vermont. You can also compare various aspects of nursing home care. This is a great tool to use when considering a nursing home for yourself, or for a loved one.

Let the tradition of serving others continue to thrive at Greensboro Nursing Home. We would like to say thank you to our community. It is through your individual donations, town appropriations, plus the many volunteers that make it possible to offer the highest quality of care the community has grown accustomed to from Greensboro Nursing Home. Your support is invaluable and we appreciate it immensely.

Brian Labelle, LNHA Administrator

Lamoille County Mental Health Services

Lamoille County Mental Health Services has always strived to provide the highest quality services and support to our community to enhance independence and quality of life. Over the past year we provided quality services to Lamoille Valley residents with all of our programs including a 24 hour 365 day a year Mobile Crisis Team (MCT) responding to requests from children, families, and individuals as well as local police, EMT, Copley Hospital ER, Lamoille Valley school districts and other providers. The MCT also provides Critical Incident Stress Debriefing for first responders, families, and work colleagues coping with the aftermath of a traumatic event. This is the only fulltime mental health emergency crisis response service in the region.

We have been collaborating with our community partners on our Crisis Bed stabilization program named Oasis House. This two-bed program opened in February 2013, and the program has been of tremendous help in preventing and/or diverting Emergency room visits and/or hospital stays. This unit will serve our local consumers and when room is available, will support the state's effort at making available more care in the community. In the past year, we have created a community CADRE team to support individuals who are experiencing a difficult time to have someone to talk to while sitting in the emergency room. This resource has allowed other community resources to be used more appropriately. LCMHS most recently has begun to organize and assist in the development of a local effort to prevent suicides in our area, currently the highest county for suicide related deaths in Vermont. This effort, known as Zero Suicide would help to coordinate all efforts of schools, healthcare providers, human services agencies, churches and other parts of our community regarding prevention. The steps are many, but through training provided by LCMHS and other organizations to increase everyone's ability to response to the risk of suicide we can achieve this goal. As well, LCMHS is sponsoring a survivors of suicide support group which is open to all communities to help individuals cope with this challenging event. Funding support from local governments can help to expand these efforts.

Your continued contribution and support is always valued but is more important than ever as the state wrestles with healthcare reform. In these times, the people at the local level must do what we can to support our families and friends who find themselves in need. Our commitment to you is that when there is need we will be there.

Sincerely,
Patricia Pion, Controller

Warning for Annual Town and Town School District Meeting

The legal voters of the Town of Greensboro are hereby warned and notified to meet at Highland Center for the Arts in said Town, Tuesday, March 5, 2019 at 10 a.m. to transact the following business:

Tim Nisbet opened the meeting with announcements. The microphone runners for this year's meeting will be Mackenna and Lewis Lapierre. Any ballot votes during the Town Meeting will take place behind the Selectboard on the Stage, circling the back stage area of the theater and entering from the left side, exiting The right side of the stage.

Australian ballot voting for Hazen Union Budget and NEK Solid Waste Budget is Taking place in the Gallery until 7 pm.

Article 1: To elect a Moderator to govern said town for the coming year.

David Smith nominated Tim Nisbet, Seconded by Mike Metcalf, who moved that the nominations cease and the clerk cast one ballot for Tim Nisbet.

At this time it was recognized that Vicki Strong our Representative had arrived and was asked to say a few words. She invited taxpayers to call or email any concerns they have. She is on the Ag committee, reporting that there are 6,000 farms, with only approximately 700 of those dairy farms in Vermont. Peopled expressed concerns with Act 46, the standard deduction allowed on income tax, organic labeling and natural pollinators.

At this time Peter Romans presented the Greensboro Award to the Four Seasons of Early Learning, and commended Erica Karp's vision of pre-school and day care, and how the School has progressed through the years, starting in 1973. She invited both Eric Karp and Michelle LaFlam, the present director of the Four Seasons of Early Learning to the stage.

Article 2: To take action on the Town of Greensboro Annual printed report.

Motion by Kim Greaves, seconded by Janet long, to accept the Warning with the following corrections: page 4, Andy Kehler's term is a 3 year term, expiring in 2021; page 8, Article 8 should read "fiscal year" 2019; page 29 Michael Lapierre's phone number is 802-730-7816.

Hal Gray⁶ stated that on page 36, the Library is not an emergency shelter because they do not have a generator; page 59, Federico Viconi was spelled incorrectly; Donna Jenckes was to be added to the Library Trustees

Mike Metcalf noted that MacNeil is now on the Hazen Union School Board, not Jefferson Tolman

Tanya Thomas pointed out that the Greensboro Town School District Meeting was at the Highland Center for the Arts, not Fellowship Hall

Naomi Ranz asked if the 3 year Selectboard term could be voted on before the 8 year Selectboard term.

Clive Gray reported that William Eisner, Jr. had resigned as a Justice of the Peace and they had asked Judy Carpenter to replace him. The recommendation was sent to Gov. Scott for appointment.

Janet Long commended Andy Kehler for the new breakdown of the budget

All corrections accepted.

Article 3: Shall the voters authorize the Northeast Kingdom Waste Management District to appropriate and expend a budget of \$ **825,073.00** (Australian Ballot)

Tim noted that the Australian vote was open until 7 pm in the Gallery.

Article 4: Shall the voters of the Town of Greensboro authorize property tax exemption for The “Ballfield” property identified as parcel ID 005-0002 for a one year period. This will eliminate the municipal property tax due. However, the amount due for Education taxes will still need to be raised and will be included in our Local Agreement rate.

So moved by Janet Long, seconded by Dillon LaFlam. Mike Cassidy asked by it was a 1 year lease. Kim explained that previous years the lease was a 1 year lease, which changed to a 3 year lease recently.

Approved.

Article 5: To elect town officers and school district officers required by law and one or more library trustees:

Bobbi Nisbet spoke to the Greensboro Nursing Home. They now have in-house physical therapist, with many other positive changes. Young people come to the Nursing Home to spend time with residents, and they are always looking for more Board Members so please contact Bobbie if you would like to be involved.

Penny Bretschneider asked about the budgeting of the Rescue Squad. Tim Nisbet, a member of the Rescue Squad spoke to the continuing need for volunteers and updated equipment. He explained that there is one paid EMT, but always need more drivers, EMTs, etc. Mike Metcalf asked who paid for the training. Tim explained that training was reimbursed by the Rescue Squad if they joined the squad.

Penny Bretschneider moved that the appropriation be increased to \$10,000, Rosanne Hickey seconded. So approved.

The total amount of appropriations increased.

Article 7: Shall the voters of the Town of Greensboro approve the following Special Appropriation requests from the Municipal Properties listed below?

Greensboro Conservation	\$ 2,000
Greensboro Free Library	\$25,000
Greensboro Historical Society	\$1,500
Total	\$28,500

Article 7: Shall the voters approve the proposed budget in the amount of **\$ 1,920,297** which contains the necessary amount required by law and proposed expenses for the fiscal year commencing July 1, 2017?
(This budget amount includes the outside and local appropriations requests).

*Kim Greaves moved to approve as amended (total budget increase to \$1,922,541)
Mike Metcalf Seconded.*

Naomi Ranz asked for breakdown of the Clerk & Treasurer salaries. Andy Kehler felt it was awkward to list 2 people's salaries, and not report on all salaries.

Questions arose regarding the Police Department increase. Andy Kehler spoke to the dispatch contract and how it was now prorated to the actual costs per fire and police contract.

Mike Metcalf moved to accept the amended budget numbers, seconded by Janet Long.

So Approved.

Article 9: Shall the voters of the Town of Greensboro approve moving any surplus, with the exception of the HRA line item, from the current fiscal year Highway Department Budget into the HERF account in the next fiscal year?

Dave Smith pointed out the typo on the "Higway Replacement Fund". Naomi Ranz asked where the excess money would go if it wasn't in the HERF. Kim explained that it would be kept in the unallocated funds to defray taxes.

Judy Dales relayed a message from Jane Springer "Kudos to the road crew for the excellent roads and the job they are doing!"

Article 10: Shall the voters of the Town of Greensboro approve having the Town Treasurer serve as collector of current taxes and set the tax due date of November 7st, 2019. Taxes will be delinquent if not received in the office of the Town Treasurer by Thursday, November 7st, 2019 by 4:00 pm?

Mike Metcalf moved, Kim Greaves seconded.

Janet Long asked to move the Tax Due date to October 31, 2019. David Smith seconded. Kim explained that it was in November because of the Homestead Declaration. Josh Karp expressed concerns because of the timeframe of the tax department. Kim noted that the last Homestead Declaration payment to the Town for the Homestead State payment is November 1, and it can mean thousands of dollars that taxpayers do not have to pay by the end of the day. It affects a majority of the homeowners in town. The motion to move the Tax Due dates was not approved. Tax Due Date is November 7, 2019 by 4 pm in the Town Office.

Article 10: To transact any other business that may legally come before the meeting.

Becky Arnold explained that the Greensboro Association opened a “Fund for Greensboro”, an endowment fund for different needs in Greensboro.

Victoria Von Hessert thanks the people who attended the Unified School Meeting in February and stressed that it is important to attend the meeting on Friday March 15th at 6:00 pm at Hardwick Elementary School. She expressed interest in having Town Meeting back at Lakeview.

Judy Dales is having problems with her internet and wondered if the Town could do something to fix it. Naomi informed all that spark has high speed internet if anyone needs it. Penny Bretschneider wanted the Town to draft a letter to CCI informing them of the difficulties we have with both the telephone and internet coverage.

Ken Johnston asked when the 4th of July was. After discussion, it was determined that Saturday, July 6th.

Linda Ely, as a non-voter, was granted permission to speak. She was wondering if it would be less expensive to have the fireworks on the Friday before Funky Fourth. Kim said that she would inquire.

Anna Kehler, Chair of the Energy Action Committee, reported on her Button Up Campaign for the last year, and handed out a questionnaire she would like all to fill out that deals with the comfort of your home and if you would like help with energy efficiency. Mark Snyder thanked the previous members of the Energy Committee for setting the foundation for the Action committee and invited anyone who would like an energy efficiency test, to please contact him. Isa Oehry spoke about easy and simple ways to help insulate from the cold.

Meeting was adjourned at 12:15 pm.

Respectfully Submitted:

Kim Greaves, Town Clerk

Tim Nisbet, Moderator
