

# KEHA

*Let Your Light Shine to Be a Beacon for All to Follow*

*"To be a lighthouse, you must be strong enough to resist every kind of storm, to every kind of loneliness and you must have a powerful light inside you!"*

- Mehmet Murat Ildan

Navigation is the art and science of determining the position of a vessel and guiding it to a specific destination, according to National Geographic. Similarly, The Kentucky Extension Homemakers Association must determine its position and course, so that KEHA can "arrive" as a better and stronger organization. We rely on each of you to help steer this ship through teamwork. Each of us has an inner light that we can share. All members are charged with working on confidence, guidance, and direction.

**Be a positive light; it's contagious! Also, do not be negative; that's also contagious.**

## Develop your personal Navigation Map for 2022-2025

Write down one goal related to each of the three emphasis areas.

### Goal 1: Confidence

---

---

---

### Goal 2: Guidance

---

---

---

### Goal 3: Direction

---

# KEHA

*Let Your Light Shine!*

**2022-2025**

## Navigation Map

## Confidence

1. Encourage more community activities. Exhibit projects, skills, and contributions. Showcase the great work KEHA is doing!
2. Publicize accomplishments. Submit articles for media, and post photos on social media. Encourage each area to have a Showcase display at State Meeting that includes all counties.
3. Encourage counties to recognize and celebrate accomplishments locally.
4. Open beams of communication. Let KEHA be a ray of light in your community! Participate in community activities.

## Guidance

1. Encourage leaders at county and area levels to share their talents to help members reach their potential, such as presenting at the State Meeting and teaching local lessons.
2. Each area should continue or implement an area officer training plan to utilize the area leaders to train county officers and chairmen to be effective in their roles.
3. Each area will recruit 2-3 participants for the second KEHA Leadership Academy.
4. Map out your club's lessons and activities to navigate toward the chairperson's program of work goals.

## Direction

1. Grow and retain membership. Utilize the KEHA 2nd Vice President's 3 R's initiative and incentive program. Encourage teambuilding to help grow membership and have more members participate in events.
2. Encourage members to follow directions using the manual, Robert's Rules of Order, and proper processes.
3. Encourage meetings. Bring home the social aspect of KEHA and help members reconnect. Have fun!
4. Encourage everyone to use resources already available through county Extension agents and campus specialists.
