

As part of the MetMeSS 2024, the Physical research laboratory is organizing a workshop on Meteoritics from 18th to 19th November 2024

The workshop aims at motivating bright and talented young minds from Indian universities, colleges and academic and research institutes, to take up a career in Planetary Sciences. The Workshop will consist of lectures by subject experts, tutorials, hands-on, group discussions and laboratory visits.

Eligibility & Selection Criteria

- Candidates pursuing MSc (1st year/final year; or 4th /5th year Integrated MSc) and PhD (1st,2nd year) in Physics, Chemistry, Geology, Remote Sensing and allied subjects.
- Candidates having scored atleast 60% in their last examination

Required Documents

- Curriculum Vitae (including DOB, address, present affiliation, educational background from high school with percentage marks in all subjects)
- Research interests and statement of purpose for attending the workshop

- Reference/recommending letter and a No Objection Certificate (NOC) from the Head of the Department / Dean/ Senior Faculty member

Financial Support

- Participants will be provided travel support (Sleeper class by train or Bus), accommodation and food, for the duration of the workshop.
- Interested participants can also attend the MetMeSS-2024 Conference during 20-22 November 2024 at PRL, by paying student registration fee of Rs. 3000.

Important Dates

Application deadline 15 September 2024

Selection Notification - 10 October 2024

Mode of Workshop - In Person
