

DECEMBER 2015 GSF HANDOUT

THE PURPOSE OF THE GSF

The GSF is intended to help groups better carry the message within their meetings by separating out the group support function from the "business" of providing NA services. The GSF gives groups the opportunity to share problems they may be encountering and to seek solutions from each other, to talk about what's working well, and to have informal workshops on topics of their choice while avoiding the distraction of discussions about complex services provided outside the group. The GSF functions as a discussion-based gathering of the local NA community and may be an easier or less intimidating way for some members to get introduced to service. The GSF is intended to be like a community or neighborhood gathering, not another level of service.
