Application for Reclassification from

FCS to FBS

Page No. 2

7. Describe the process and the individuals involved that your institution used to determine your institution's decision to apply for FBS membership (e.g., feasibility study, interest study). Please attach as a pdf.
8. Total full-time undergraduate enrollment for current semester or term (not including extension or evening students): _____ (men: _____; women: _____).
9. Indicate your institution's classification: Public Private
10. List the years of active membership in FCS? _____
11. List the FBS conference in which your institution has received a bonafide invitation to become a member and the sports in which you will compete in that conference:

Conference: _____
12. Which sports will your institution be using to meet the 16 sport and financial aid legislation? Please list in charts below. The season in which the sport occurs is determined by when the majority of an institution's contests or dates of competition occur:

Fall: September through December

Winter: November through March

Spring: February through May

- 1 This information should indicate the number of contests completed in the appropriate sport against four-year institutions.
- 2 This information should indicate the approximate number of participants who will be on the roster in the appropriate sport.
- 3 This information should indicate the number of contests scheduled in the appropriate sport against four-year institutions.
- 4 This figure should be the total dollar amount of athletics. Documentation must accompany this application that verifies the figures.

13. By executing this Application, each signatory, represents and warrants that it has full right and authority to submit this request on behalf of the applicant institution listed above. The applicant further represents and acknowledges that he or she, as well as the applicant institution have read or caused to be read the NCAA bylaws, policies, and procedures (“NCAA Rules”) applicable to the requested reclassification process in all particulars, and consents to the conditions, duties, and responsibilities imposed upon such applicant institution as specified in the applicable NCAA Rules. As such each signatory, on behalf of themselves and the applicant institution, acknowledge and agree that unless and until applicant institution becomes an active NCAA Division I FBS member, it will not be eligible for participation in the Division I FBS post-season, as specified in the applicable NCAA Rules. Further, an institution, including its agents and representatives, shall not make public disclosures about issues they may have with the reclassification process. By submitting this reclassification application, applicant institution acknowledges and agrees that, during the reclassification process and until it has become an active NCAA Division I FBS member, it shall provide annual written notification to current and prospective student athletes that applicant institution is not eligible to participate in the Division I FBS post-season. Prospective student athletes shall be notified prior to the date of their official visit to the institution or prior to the student athlete’s official commitment to enroll at the institution, whichever occurs earlier.

**This application is made in good faith, with full knowledge and acceptance of Bylaw 20.01.4
“Obligation to Meet Division Criteria.”**

Supporting Materials
(Updated for 2024-2025 academic year)

The following questions and supporting materials must be provided to NCAA staff no later than June 1 of the year the institution makes its application to begin the reclassification process to move from Division I FCS to FBS.

****Please answer all questions in this document. Do NOT provide links for additional information.****

Institutional Profile.

1. Institution's web address.
2. Does the institution have any intentions of transitioning to/from not-for profit?
3. Provide a breakdown of gender and race/ethnicity for your student body and student-athletes.
4. Name of institution's governing body (e.g., board of trustees).
5. Provide the institution's organizational chart.

Athletics Profile.

1. Provide a letter from the conference confirming the sponsorship of your membership application and attesting to the acceptance of the lack of post-season access and revenue distribution during the process and agreement to refrain from public disparagement of the process.
2. Provide the title of the individual(s) to whom the director of athletics reports.
3. Provide the athletics department's current organizational chart.
4. Provide the department of athletics' philosophy/mission statement and strategic plan.
5. Provide a copy of the department of athletics compliance manual.
6. (Chart attached to e-mail) Use the attached chart to provide information regarding all administrative, coaching, support and compliance staff, departmental liaisons between athletics, financial aid, admissions and registrar's office and other offices or individuals performing compliance related duties.

7. How many sports does the institution sponsor at the varsity level?
8. Does the institution plan to add or drop sports? Please explain.
9. Provide the institution's education plan for boosters, the institution's on-campus community, coaches, and athletics staff members regarding Division I FBS rules.
10. Is your institution involved in a rules violation investigation, an infractions case, or on probation? If yes, provide an explanation.
11. Provide a copy of all institutional violations that occurred during the past academic year.

Academic Profile.

1. Provide your most recent four-year rolling student body graduation rate as reported in the IPEDS-GSR.
2. Provide your most recent four-year rolling student-athlete graduation rate.
3. Describe your institution's educational efforts, specifically with academic support personnel who are employed outside of athletics, that work with student-athletes.
4. Provide your institution's most recent NCAA Division I Academic Progress Rate (APR) report (if your institution sponsored a Division I sport(s)).
5. Explain how your institution would address any APR issues that may arise.
6. Identify any teams that have been subject to APR penalties in the past or those that are anticipated from the current year (if applicable).
7. Provide any APR (if applicable) or other academic improvement plans developed or implemented during the previous academic year.

Finances and Funding Profile.

1. What is the institution's overall operating budget?
2. What is the current operating budget for the department of athletics? Include your institution's department of athletics projected budget for the reclassification period.
3. Are all revenues and expenditures for the institution's department of athletics under the

clear control of the institution? Please describe the oversight process.

4. Is the athletics program responsible for generating income through fundraising activities? If yes, describe the program's fundraising activities/approval process for fundraising activities.
5. Provide a chart that includes fundraising, scholarships, and operating budgets broken out by team for the past academic year and the projections for the reclassification period.
6. Provide a detailed list of revenues and expenses for the department of athletics.
7. Provide marketing and fundraising plans specifically for the sports of football.
8. Provide the marketing and fundraising plans for female sports.
9. Provide evidence of booster support, particularly for the sports of and football.
10. What is the institution's financial stability plan during and beyond the reclassification period?

Student-Athlete Well-Being.

1. Has the institution discussed how the institution is planning to meet and sustain the NCAA's new legislation regarding the holistic model for student-athletes? If yes, please explain the institution's plan.
2. Describe the program your institution has in place for student-athlete development.
3. Does your institution have a mechanism to evaluate the treatment of student-athletes (e.g., exit interviews, surveys)? If yes, please describe. Also include a description of what is done with the information received from student-athletes.
4. Describe the rules education program for student-athletes.
5. Describe your institution's academic/disability support services for student-athletes (e.g., tutors, study hall, students with disabilities accommodations, grievance polices, etc.).
6. Provide your institution's written policies and procedures in place to ensure the health and safety of student-athletes (e.g., athletics training, emergency medical procedures, drug testing, concussion management plan, sickle cell testing, return to learn).

7. Describe the staffing changes that have been or will be made to account for a move to FBS (e.g., enhancements to rules compliance, academic support, athletic training, life skills).
8. Describe how your institution will take action to achieve and maintain gender equity, diversity, and inclusion. Include plans to ensure the provision of equitable opportunities (e.g., scholarships, participation opportunities) and program offerings (e.g., speakers, workshops).
9. Describe the department of athletics efforts, including the institutions and department's educational programs on equity, diversity, and inclusion for your institution's student-athletes, coaches, and staff and the process to review any areas for improvements or issues that are identified. Include a description of which individuals are and will be included in these reviews.
10. Provide the institution's return to learn and concussion management policies.
11. Describe the mental health resources available for student-athletes.

Facilities Profile.

(Chart attached to this e-mail). Use the attached chart to provide information regarding the institution's athletics facilities.

In the section below, please describe any planned facilities in detail including the: (1) Budgeting; (2) Financing; and (3) Scheduled completion dates for each planned facility.

Planned Facility	Budgeting	Financing	Scheduled Completion Dates
