Brake Fluid Sale/Offering for Sale Permit Application

(Revised 2/17/2017)

Instructions

1. A separate application must be submitted to the Division of Oil and Public Safety (OPS) for each brand of brake fluid.
2. Each brand submitted for approval must be accompanied by a laboratory test report which indicates that the brake fluid meets the requirements of the current version of Society of Automotive Engineers Standard J1703.
3. Email applications and lab testing results to Sandi Johnson at sandi.johnson@state.co.us.
4. All approved permits will be valid for one year. To retain continuity of an existing approved permit, a brake fluid packager must reapply for a new permit 60 days prior to the expiration of the current permit.

If you have any questions, please contact the OPS Petroleum Laboratory at 303-866-4946.
