The South Carolina Bar CLE Division is pleased to introduce a handy reference for South Carolina lawyers who advise clients in the construction industry. Whether your practice revolves around construction law and its various nuances, or you have a client with the occasional need for construction-related services, every South Carolina lawyer that is confronted with a construction-related issue should have the new *South Carolina Construction Law Desk Book*. This book, with 13 chapters and more than 650 pages, is the only SC Bar – CLE publication that addresses construction law in South Carolina. Written by 29 contributing authors it covers all realms of construction law, from licensing requirements, bidding public projects, drafting and negotiating construction and design contracts, procuring the appropriate insurance or surety products, and best practices for securing payment for materials or services, to the resolution of construction and design disputes based in contract or tort.

A complete list of chapters in the *South Carolina Construction Law Desk Book* includes:

- Licensure of Construction Professions and Occupations
- Public Construction Projects – State and Local
- Contract Clauses
- Insurance
- Claims Arising out of Contract or Quasi-Contract
- Construction Defect Claims and Damages
- Design Professional Liability
- Payments
- Mechanics' Liens
- Suretyship
- Alternative Dispute Resolution
- A Survey of Labor & Employment and Workplace Safety and Health Law for Construction Lawyers
- A Survey of Bankruptcy Law for Construction Lawyers
