IN THE SUPERIOR COURT FOR THE STATE OF ALASKA AT			
In the Matter of the Change of Name for:			
[Petitioner's current legal name]			
Case No.:			
REQUEST TO WAIVE POSTING IN ADULT CHANGE OF NAME CASE			
1. I am the petitioner in this case. I ask the Court to not post my proposed name change and hearing date on the Alaska Court System's legal notice website, as is normally required by Civil Rule 84(b), because I have concerns about my personal safety.			
2. I also ask the Court to:			
 a. make my case confidential sealed under Administrative Rule (Ad. R.) 37.6. b. show my current name on the public index (CourtView) as "Not Published," because this case involves matters of a sensitive and highly personal nature, and publication of my name could expose me or another person to harassment, injury, ridicule, or personal embarrassment. Ad. R. 40(b). 			
c. show my current name on the public index (CourtView) as "Not Published" for 5 years, because publication of my name is likely to result in substantial physical harm to me or members of my household. I understand that after 5 years, I need to file this request again if I want to extend the non-disclosure of my name. Ad. R. 40(c).			
[If any of the requests in this section are granted, the case will not appear on public CourtView and will not be searchable by the public. If a case is confidential or sealed, the paper court file is also unavailable to the public.]			
3. My reasons for making the request(s) above are: [The judge needs to know your reasons to be able to grant your request(s). If you me request in section 2, the judge must also find that you have a reason to keep your case private that is different than the general privacy reason anyone in a name change case would have, and that your reason outweighs the public interest in seeing court records.
