

HYBRID CUSTODY CHILD SUPPORT CALCULATION

Case Number: _____

Parent A (Plaintiff/Co-Petitioner): _____

Parent B (Defendant/Co-Petitioner): _____

List of children involved in this case and each child’s custody arrangement:

Name of Child	Type of Custody*		
	<input type="checkbox"/> Shared	<input type="checkbox"/> Primary w/ Parent A	<input type="checkbox"/> Primary w/ Parent B
	<input type="checkbox"/> Shared	<input type="checkbox"/> Primary w/ Parent A	<input type="checkbox"/> Primary w/ Parent B
	<input type="checkbox"/> Shared	<input type="checkbox"/> Primary w/ Parent A	<input type="checkbox"/> Primary w/ Parent B
	<input type="checkbox"/> Shared	<input type="checkbox"/> Primary w/ Parent A	<input type="checkbox"/> Primary w/ Parent B

More children are on an attached list. [Only write on one side of the page.]

* “Shared physical custody” means that the child stays with each parent at least 30% (110) of the overnights during the year. “Primary physical custody” means that the child lives with that parent at least 70% (256) of the overnights during the year.

Instructions: Attach this form to [DR-305, Child Support Guidelines Affidavit](#), or to [DR-105, Petition for Dissolution of Marriage](#), to explain the child support calculation if custody of the children is “hybrid physical custody” as defined in Civil Rule 90.3(f). “Hybrid physical custody” means that at least one parent has primary custody of at least one child **and** the parents share physical custody of at least one child.

1. Total number of children of the relationship: _____
2. Decimal for that number of children: _____
 .27 for two children,
 .33 for three children,
 .36 for four children, and
 add .03 for each additional child
3. The decimal in line 2 divided by the number in line 1: = _____

4. Calculate support **Parent A** “owes” for children in Parent B’s **primary** custody:
 - a. Number of children in Parent B’s primary custody: _____
 - b. Multiply line 4.a and the decimal in line 3: _____
 - c. Parent A’s adjusted annual income (from line C.6 on form DR-305 or page 4, line C.6 on form DR-105): \$ _____
 - d. **Parent A’s obligation.** Multiply lines 4.b and 4.c. If line 4.b is 0, write “\$0.” Otherwise, if the result is less than \$600, write “\$600” instead: \$ _____
5. Calculate support **Parent B** “owes” for children in Parent A’s **primary** custody:
 - a. Number of children in Parent A’s primary custody: _____
 - b. Multiply line 5.a and the decimal in line 3: _____
 - c. Parent B’s adjusted annual income (from line C.6 on form DR-305 or page 4, line C.6 on form DR-105): \$ _____
 - d. **Parent B’s obligation.** Multiply lines 5.b and 5.c. If line 5.b is 0, write “\$0.” Otherwise, if the result is less than \$600, write “\$600” instead: \$ _____

6. Calculate support for children in **shared** custody:

- | | | |
|--|-----------------|-----------------|
| | _____ | |
| a. Number of children in shared custody: | _____ | |
| b. Multiply line 6.a and the decimal in line 3: | _____ | |
| | PARENT A | PARENT B |
| c. Adjusted annual income (from line C.6 on form DR-305 or page 4, line C.6 on form DR-105): | \$ _____ | \$ _____ |
| d. Multiply line 6.c and the decimal in line 6.b (if less than \$600, write "\$600" here): | \$ _____ | \$ _____ |
| e. Percentage of time each parent will have physical custody: | _____ % | _____ % |
| f. Percentage of time the other parent will have physical custody: | _____ % | _____ % |
| g. Multiply line 6.d and line 6.f: | \$ _____ | \$ _____ |
| h. Compare amounts in line 6.g. The higher amount is the parent who "owes" for the children in shared custody. Subtract the smaller amount from the larger and write the difference in the column of the parent who "owes" (the other parent's line will be blank): | \$ _____ | \$ _____ |
| i. Multiply line 6.h by 1.5 (one parent's line will be blank): | \$ _____ | \$ _____ |
| j. Shared Custody Obligation. Compare lines 6.d and 6.i for the parent who "owes." Write the lower amount here (the other parent's line will be blank): | \$ _____ | \$ _____ |

7. **Combine** results to determine net obligation.

- | | |
|---|----------|
| a. Total amount Parent A "owes" (from line 4.d and 6.j, if applicable): | \$ _____ |
| b. Total amount Parent B "owes" (from line 5.d and 6.j, if applicable): | \$ _____ |
| c. Compare the amounts in lines 6.a and 6.b. The parent with the higher amount is <input type="checkbox"/> Parent A. <input type="checkbox"/> Parent B. This parent actually owes child support under the hybrid custody schedule. Subtract the lower amount from the higher amount to get this parent's Net Obligation: | \$ _____ |

8. Monthly Payment Amount.

- | | |
|--|--|
| a. <input type="checkbox"/> Equal payments will be made each month. Divide line 7.c by 12: = \$ _____ | |
| b. <input type="checkbox"/> A different amount will be paid in some months, as described below:
[This is unusual. See Civil Rule 90.3(b)(1)(D) (https://ak-courts.info/civrules) for allowable legal exceptions to equal monthly payments.] | |

Write the monthly amount(s) from section 8 on either
(1) form [DR-305](#), page 2, line E.4. **or** (2) form [DR-105](#), page 11, line A.3.d
