## Instructions for Requesting Judicial Relief from CSED's Decision

To request relief, you must do the following within 30 days after you receive CSED's decision:

1. Fill out and sign the attached petition form (DR-336, page 1).
  - a. On the "AT" line at the top, put the location (city) of the court where you are filing the petition. See page 3 for a list of court locations. Fill in your name on the line labeled "Petitioner." Do not write anything on the "CASE NO." line. In the first paragraph, fill in the date your driver's license will be suspended. (If you are using the petition form that CSED sent you, this date may already be filled in.)
  - b. In paragraph 1, check the box or boxes that state the reason you are entitled to relief. If you check the fourth box, you must describe the efforts you have made to pay your arrearages.
  - c. In paragraph 2, check the boxes next to the items you are attaching. If possible, you should attach all these items.
2. Attach to the petition all the documents you have checked in paragraph 2 of the petition. Note: If you do not provide a list of the witnesses you plan to call, the judge may not allow your witnesses to testify at the hearing.
3. Bring (or mail) the following to the clerk's office at the court:
  - a. original petition with attachments,
  - b. photocopy of the petition and attachments, and
  - c. filing fee in the amount specified in [Administrative Rule 9\(b\)\(1\)](#). Your check or money order should be made out to "Alaska Court System." Do not mail cash.
4. Keep a copy of the petition and all attachments for yourself.
5. The court will send you notice of the judge and/or master assigned to your case and the time of your hearing. If it will be difficult for you to attend the hearing in person, contact the court to ask if you can participate by telephone. (Note: You may have to pay the cost of the call if you participate by telephone.)

Under the law, you are entitled to expedited review of CSED's decision only if you object to the decision for one of the four reasons listed in paragraph 1 of the petition. If you object to the decision for other reasons, you must file an administrative appeal. Forms and instructions for administrative appeals are available at all court locations. (Ask for the AP-210 booklet.)

### Additional Information

For more information about the laws that govern this case, you can read the court rule and statute cited in the bottom right corner of the form. Also read any "Annotations" that follow the rule and the statute. "Annotations" are brief paragraphs describing the Alaska Supreme Court decisions interpreting the rules and statutes. Currently, the only decision is [State v. Beans](#), 965 P.2d 725 (Alaska 1998).

For more information about child support, you can read Civil Rule 90.3 (the child support guidelines rule), and the "commentary" and annotations that follow it. Also, some free materials available at the court are: [How to Calculate Child Support](#) (booklet [DR-310](#)); and a packet of forms for requesting changes in child custody, support or visitation (the [DR-700](#) Motion Packet).
