7. Right to be Appointed as Personal Representative. The court should appoint me as personal representative. I am 19 years old or older and have priority to serve, because

- the will named me as the personal representative.
- I am the surviving spouse, and the will named me to receive property.
- the will named me to receive property.
- I am the surviving spouse, but the will did not name me to receive property.
- I am an heir (someone with the right to inherit property from the decedent if no will had been made).
- I am a creditor, and at least 45 days have passed since the person died.

8. The following persons have a greater or equal right than I do to be appointed as personal representative:

[IMPORTANT: Every person who has a greater or equal priority over you must consent by completing the "Nomination for Appointment of Personal Representative with Lower Priority" (form [P-306](#)).]

- I request the court set a bond amount of \$_____, because this amount covers the estimated value of the estate's property and income for the next year.

10. Survivors of the Decedent. The decedent is survived by the persons listed below. *[Include all biological or adopted children of the person who died, unless an adoption decree terminated the child's inheritance rights.]*

11. Demand for Notice. *[Any interested person may file a document called a "demand for notice" that tells the personal representative and the court to send a copy of every document filed with the court to the person who filed the notice.]*

- I have not received a demand for notice concerning the decedent and do not know of any demand for notice that may have been filed in Alaska or elsewhere.
- I received or I am aware of a demand for notice concerning the decedent from the following persons:
