7. Therefore, I ask the court to appoint a temporary conservator to protect the respondent's money and property or to immediately obtain the necessary money for support. I understand that the temporary conservator's appointment will expire when either the court appoints a regular conservator or a full or partial guardian (with conservator powers), or the court dismisses the petition for regular conservator or guardian appointment.

8. I recommend that the court appoint the following person or agency to be the temporary conservator:

Certificate of Service

I certify that: *[choose one]*

I am filing this emergency petition at the same time as the regular (non-emergency) petition for conservatorship or guardianship. If the court appoints a visitor, I request that the court give a copy of this petition to the visitor for service on the respondent. I also request that the court include a copy of this emergency petition in the notice of hearing sent to the respondent's attorney (and to the respondent, if no visitor is appointed). *[If you checked this box, skip to the signature at the bottom. You do **not** need to fill out the section below.]*

A regular (non-emergency) petition for conservatorship or guardianship was already filed, and the court already appointed an attorney for the respondent. I gave (or tried to give) emergency notice as described below. *[If you checked this box, complete the next section.]*

For each person listed below, describe:

- 1) how you told (or tried to tell) the person that you planned to file this emergency petition (for example, a phone call, email, or in person); and
- 2) the date and time you communicated (or tried to communicate) with the person; and
- 3) whether you were able to give the person a copy of this emergency petition.
