TF202 (CV)

Use this form when filing non-documentary items (audio or video files; CDs or thumb drives; large photographs, maps, or charts; other physical objects; etc.) in support of a principal document (for example: a motion or opposition).

Exhibits and attachments are public unless deemed confidential by statute, court rule, or court order.

**Do not use this form for trial exhibits.** Submit trial exhibits in open court, with an exhibit list.

## **Filing Instructions:**

- 1) Complete this form.
- 2) In TrueFiling, upload your principal document (motion, opposition, reply, etc.) and this form as separate documents in the same bundle. If you want the court to order an exhibit or attachment to be confidential, upload the appropriate motion in the same bundle.
- 3) Place your non-documentary exhibits and attachments in envelopes marked with:
  - case name,
  - case number,
  - title of the principal document, and
  - the exhibit or attachment number.
- 4) Submit this form **and** your envelopes by mail or in person to the Clerk's Office.
