RUSSIAN WARSHIP GO F*CK YOURSELF

"Putin Huilo"

has become a worldwide nickname for the President of Russia. Unlike Hitler, and other world leaders, whose imperial ambitions lead to the deaths of innocent people, Huilo is not just a fanatic - he's a Russian billionaire, not a tzar. In early 2014, Russia annexed Crimea, and several other parts of Ukraine. This action violated world orders established after World War II, and set off the expansion of Russian Terrorism throughout Europe.

When Pravda Brewery saw their country being invaded, they decided to do something about it. So, they stopped brewing beer and started making Molotov cocktails. On each bottle they added this label you hold in your hands. A label that shouts their defiance before the wick is even lit. With the permission and encouragement of Pravda Brewery, we created this vodka to support the people of Ukraine in their struggle. Proceeds from the sale of this bottle go to well vetted charities that serve victims and refugees of this senseless aggression.

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
