DOUBLE INDIA PALE ALE

ONE PINT

Not endorsed by any political candidate or party.

The name says it all. The current crisis in Ukraine hits home for us, especially Rogue president, Dharma Tamm whose family was displaced when Russia invaded Estonia for the second time in 1944. It's not in our DNA to sit back and watch injustices unfold without raising a little bit of hell, so we've released this Northwest IPA in support of the Ukrainian people and are giving 100% of the proceeds to Global Giving's Ukraine Crisis Relief fund which helps local, trusted nonprofits provide vital access to education, food, medical services, and more.

When we first released this beer we had only intended to offer it on draft but were flooded with requests on how to support outside of our pubs. Every day is critical for those who are suffering, so we reacted as quickly as possible. As a result, you'll notice that we borrowed cans from another product to allow us to release this beer right away and donate more to those in need.

Let's raise a pint against tyranny.
